

“THE WARNING IS UPON US PAY ATTENTION TO THE SIGNS”

God is using many of His chosen ones to warn us and gives us messages of the Great Chastisement that is going to be soon upon us if we do not change, however we chose not to listen.

We refuse to pay attention to the signs that are right in our faces with the increase of violent Earth Changes in the last few years: e.i. Massive Earthquakes, Volcanic Eruptions, Devastating Tornadoes and Hurricanes, Droughts, Plagues and Diseases, Famines, Mass Animal Die Offs that Have no Explanations and Much, Close calls with Asteroids, Meteors Impacting the Planet and much more....We continue to allow that a small group of greedy humans destroy our Planet, kill the innocent and other sentient beings through wars, abortions, violence, etc. Evil has become the norm. We have sold our souls and our gods have become money and earthly pleasures and we have left God out of the Equation.

We prefer material things to the Spiritual and our relationship to God, one another, other sentient beings and the Planet. Soon all this will end and the world as we know it will never be the same after the Warning and the Great Chastisement. I am enclosing in these few pages some of the warnings that God is giving us through His Prophets so that you wake up before it's too late!!! You can choose to ignore these message or you can choose to seriously heed them and become one of God's emissaries and share these pages with others and save lives as well as souls.

OUR LADY OF GARBANDAL

The Warning: GARBANDAL

There are prophecies in Scriptures that should concern all of us. There are modern day prophets making claims to prophecy. Some of these prophets and visionaries claim they have seen sad events, which will fall upon the world. The apparitions of the Virgin Mary to 3 shepherd children in Fatima as an example. The prophecies given the children were questionable during the time of the apparitions in 1917, the most recent release of the "Third secret of Fatima," the prophecies have all come true.

In apparitions such as Medjugorje and Garabandal the prophecies are quite alarming.

The four warnings given were (in order of sequence):

The Warning: A worldwide warning is to be experienced by everyone on earth. Its purpose will be to call humanity to amend its behavior and return to God.

The Miracle: A great miracle will occur in the late winter or early spring within one year after the warning.

Signs of the Miracle: Permanent signs of the miracle will remain for all time at a pine grove near Garabandal and other selected locations of Marian apparitions.

The Chastisement: A terrible chastisement will occur during which many will die. Other prophecies indicate that this chastisement will eliminate up to two-thirds of humanity.

Between 1961 and 1965 over 2,000 apparitions of the Virgin Mary appeared at San Sebastian de Garabandal in northwest Spain. Four girls aged eleven and twelve were revealed four warnings in visions concerning the future.

DATES: We do not know the date of the warning. From the time she learned of it, the visionary Conchita has spoken of the warning as “imminent”, “expected every day” though she herself does not know the date. Conchita alone knows the date of the miracle. Our Lady permitted her to say only that it will come some time after the warning. Conchita will announce the date of the miracle eight days prior to its occurrence. The chastisement, if it comes, will follow the miracle-how long after is not known.

NATURE: *The warning will be seen and felt by everyone in the world*, no matter where they may be, at exactly the same time. It will be a terrible experience. The miracle will take place in Garabandal, in the pine grove, and be visible to all who are in the village or the surrounding mountains. In Conchita's words, the miracle will be

“very great because of the world's needs are very great.” It will be “a miracle of the love of God, something that will manifest His love to us in an outstanding way”. The chastisement, if it comes, will be worldwide and incomparably horrible. The warning, the miracle, and the chastisement will be clearly understood by all people to be from God, that is, not explained by natural causes.

Detailed Description And the Reasons

Answers to the basic questions about the warning—(who? what? when? where? why?)—are found in various statements made by Conchita:

The Blessed Virgin told me (during a two-hour apparition at the pines January 1, 1965) that a warning would be given before the miracle. The warning is a thing that comes directly from God. No one can escape it. It will be visible all over the world. We will feel it bodily and interiorly. The warning is like a chastisement, a terrifying thing for the good as well as for the wicked. It will be like a revelation of our sins. We shall see the consequences of the sins we have committed. God will send the warning to purify us so that we may better appreciate the miracle by which He clearly proves His love for us and hence His desire that we fulfill the message. The warning will draw the good closer to God and it

will warn the wicked that the end of time is coming. The Warning is something that is seen in the air, everywhere in the world and is immediately transmitted into the interior of our souls. It will last a very little time, but it will seem a very long time because of its effect within us. It would be like fire. It will not burn our flesh, but we will feel it bodily and interiorly.

The Warning appears like two stars — that crash and make a lot of noise, and a lot of light — but they don't fall. It's not going to hurt us but we're going to see it and, in that moment, we're going to see our consciences.

The Warning sounds very much like two comets (or comet fragments in this case) will appear to be on a collision course with the earth — or with each other at close proximity to our planet.

Whether they explode and disintegrate or impact one another is unclear. Whatever happens, it will be at a safe distance from us. But up until that point, humanity will be in great fear and dread of the coming “deep impact.”

We are tempted to conclude this because, according to Conchita Gonzalez, The Warning will be “a fearful thing.”

One year later will then come The Miracle, and less than a year later, a global holocaust called The Chastisement.

It is unclear whether conditions of war will already be in progress at the time of the cosmic Warning. The Chastisement which will also come from outer space.

The **Warning will be a catastrophe from space that, at the last second, will miraculously terminate** far enough away to spare this planet and its inhabitants.

The **Chastisement will be a catastrophe from space that will succeed in causing great destruction** to earth and its inhabitants.

This will likely take the form of Planet X as it reaches its closest point to earth, a large celestial object also known by the ancient names of Nibiru and Marduk and the biblical prophetic name of Wormwood.

Both will bring great terror as mankind watches and awaits.

The Power of The Warning: Purification

To a question about the nature of the warning, Conchita once replied:

“It will be like fire. It will not burn our flesh but we will feel it bodily and interiorly.” We must allow that Conchita gropes for human words, admittedly inadequate, to convey her understanding of the nature of the warning. In fact, she said that the warning would be “like” fire; she did not say that it would be fire. To Conchita, there are two things that the warning and the fire have in common: they can be “seen” and “felt,” and they are “very terrifying.” Hence her use of the words: “like fire.” **In this same context—an attempt**

to make identifiable comparisons—I submit that the warning is “like (our understanding of) Purgatory.”

Our Lady told Conchita that *“we should bear this suffering for the sake of her Son, victim of the gravest offenses.”*

This is the language of penance and reparation. However, it is possible—and this again is my own reflection—that, while we are experiencing the warning, we will not be able to make this penance offering or any other comforting identification, so absorbed will we be with the calamity visible to us and within us. (*ftnt 3*) Hence the necessity to “condition” our souls for it now, while we have the faculty to reflect and the presence of mind to make penance and reparation. *I believe that the warning will go easier for us to the extent that we prepare for it now through penance and the overall fulfillment of the message of Garabandal.*

We have heard that some say the warning may be a natural phenomenon but will be used by God to speak to mankind.—**The warning is something supernatural and will not be explained by science.**

“The warning will be a correction of the conscience of the world.”

Our Lady did not reveal the duration of the warning. Shortly after the apparition, when Conchita learned of the warning, she told her aunt and Godmother, Maximina Gonzalez, about it. Maximina asked how long the calamity would last. Conchita said that she didn’t know, but that *“we could suffer it by night as well as by day.”* In this

same conversation,

Conchita said: ***“It is better to die than to suffer just five minutes of what is to happen to us.”*** In 1970, asked the same question Conchita repeated that she didn’t know but that two minutes of it will be enough for anybody.” These statements lead us to reflect that the warning is probably of short duration, but nonetheless- powerful.

Our Lady said the purpose of the warning ***“is to draw the good nearer to God and to warn the others (that they must reform),”*** and ***“God wishes that through this warning we amend our lives and commit less sins against Him.”***

To a woman who expressed her fears about the warning, Conchita remarked: “ Oh, but after the warning you will love God very much.” Another time Conchita said, “ I think those that do not despair will experience great good from it (the warning) for their sanctification.” All of this leads to reflect that, at least for a time, there will be very much love and service to God. The warning has the purpose and the power to achieve this, but to what extent and for how long depends on men.

How much time will we have to prepare? Asked this question in 1965, Conchita replied: “The miracle will not delay in coming.” She added, and this applies to the warning as well: “Although it is taking time to come, it will not be late. God’s time is always the appropriate time.” In a interview Conchita stressed the need to fulfill the

message in preparation for the warning and the miracle. She said that during the apparitions Our Lady made her understand: **“Everything is coming soon”**.

- **Of the three major prophecies of Garabandal, the warning, the miracle, and the chastisement, only the chastisement is not a certainty regarding the fulfillment. It was always presented by Our Lady as something that could be averted if the world fulfilled the requests outlined in the formal message she gives to the world at Garabandal.**
- **Asked if the warning would cause people to die, Conchita responded: “I think that if that happens it will be through fear.” Another time she replied: “I don’t know. They could only die of the emotional shock of seeing it.” Considering the event as a whole, my own conclusion is that, differing from the chastisement, it is not the design of the warning to strike fatal blows. However, it is plausible, even probable, that many will die from fear.**
- **In the apparitions of Fatima, Our Lady said, on July 13, 1917: “When you see the night illuminated by an unknown light, know that it is the great sign which God is giving you, indicating that the world, on account of its innumerable crimes, will soon be punished by war **“In order to stop it, I ask for the consecration of the world to my Immaculate Heart . . .”** The Fatima visionary, Lucia, said that the “sign of God” (warning) was the extraordinary aurora borealis which illuminated a large area of Europe for a long period of the night January 25-26, 1938.**

- **These statements are made in a signed document by Maximina Gonzalez. The document comes to us from Fr. Eusebio Garcia de Pesquera, the Spanish Capuchin who has done much writing about the Garabandal events.**

Our Lady of Medjugorje

Warnings and Chastisements of Medjugorje

Medjugorje visionary Mirjana has mentioned the horror of these future chastisements. The visionaries tell us there will be a "Lasting Sign" in Medjugorje. We have heard the whole world will see it, but some visionaries have said that those visiting Medjugorje will see it.

This suggests that the media will play a part in reporting the,

"Lasting Sign" around the world. After the "Lasting Sign" the visionaries tell us Our Lady has spoken of chastisements. Prayer and fasting has removed one chastisement but others can not be removed and will happen. The fact remains that only the visionaries know when the warning signs and chastisements will come. Father Petar has been chosen to read and understand the unusual parchment given to Marjana by Our Lady, which contains the warnings and chastisements. After much prayer, fasting and help from Our Lady, Fr. Petar will be able to read the parchment, which is written in an unknown language. 3 days prior to each event, the prophecy of that happening will be revealed. The release of each prophecy will happen in the same manner.

Our Lady of the Roses, Mary, Help of Mothers
The Prophecies of Bayside

WARNINGS, MINOR

NOVEMBER 24, 1972 - Your country has received many warnings. Each one will grow more severe until the cleansing is complete. There will be a time that you feel that all hell roams your earth. Those in the light will be persecuted. Do not expect to go on without suffering. (vol I page 73)

JUNE 1, 1973 - All who do not cast aside the warnings, given throughout your world by the Queen of Heaven, shall be saved. (vol I page 112)

SEPTEMBER 7, 1973 - I repeat once more for your edification: Your country will meet with great disaster. Floods, great heat, and the plague. The Mercy of the Father has been extended to its limit. Only a complete reversal to your evil ways will avert the Chastisement planned by the Father for your country and the world. (vol I page 128)

MARCH 18, 1974 - The time will come, My child, when those who are upon the earth will envy those who have passed beyond the veil. Insanity, sin; sin is insanity. The aged will be put to death, the crippled will be put to death, the mentally ill will be eliminated, that value of life will be gone, the value of all life will be destroyed, murderers, sanctioned among those with the power to destroy the souls. (vol I page 173,174)

APRIL 6, 1974 - These prayers had won a reprieve for mankind. However, it is in the plan of the Father that the cleansing begins. Man has not recognized the warnings given by the Father. Therefore, they will become more severe in nature. (vol I page 183)

AUGUST `14, 1974 - How many warnings will you receive before the Hand of your Father will be sent upon you? No dates do I give unto all mankind but only to a few. All those who accept the grace given freely for the asking will not be caught unawares. They will prepare themselves! All mankind upon earth should prepare for his death. (vol I page 243)

DECEMBER 7, 1974 - Yes, My child, your country shall not escape the tribulation of the other countries that have fallen to sin. Your country shall experience death and violation, tribulation and the plague. The Father will chastise those He

loves. The sheep shall be separated from the goats. In this manner will your world be prepared for the coming of My Son. (vol I page 303)

FEBRUARY 10, 1975 - If the words of My Mother go unheeded to this ungrateful generation, I assure you, it will not be long before you will be forced to your knees. Hasten, hearken and listen for the warnings given to you are urgent! The sands of time are running fast out and you will not have another chance to turn your hourglass. (vol I page 337)

JUNE 12, 1976 - Many minor warnings, My child, have been given to mankind, but they go by unnoticed in your human nature, many shall not listen until it is too late. Why must you receive the sword before you will listen? Wars are a punishment for man's sins! (vol I page 500)

SEPTEMBER 28, 1976 - My child, many exhortations and warnings have been given to mankind. You must go forward and refresh their memories. Many have forgotten the warnings from Heaven, for they go about saying: Where is the promise of His coming, and where are the warnings that you speak of and write of?

O My children, you are truly blind! These warnings have been given for time, and an extension of time to mankind before the major catastrophe shall be sent upon you, the baptism of fire. You have received these warnings that have gone by unnoticed; floods, hurricanes, fires, disasters, accidents that are not accidents, earthquakes in places that have never experienced such terror before. How many warnings must the Eternal Father send upon mankind before they will awaken and do penance? (vol I page 537)

DECEMBER 7, 1976 - America, your country, the United States, a land of plenty, has never witnessed mass slaughter

and death, but, My children, unless, and I say unless, you turn back now, your country will witness death such as never has gripped the heart of man before, a terror brought about by the knowledge that there has been a rejection of truth, a rejection of your God. (vol I page 569)

DECEMBER 28, 1976 - As it was in the time of Noe one was sent to you crying like a voice in the wilderness, but crying to prepare you, bringing the warning from Heaven, a warning that was ignored and cast aside with derisive laughter. I say unto you: As it was in the time of Noe, so shall it be in your generation. (vol I page 578)

APRIL 2, 1977 - And, My country, America the Beautiful, you are all-wise but stupid in management, for you have the picture of your coming destruction right before your face and you refuse to look. Like drunkards, you build your hopes on what? Not faith! On man? You think that man shall stop the destruction? No, I say unto you! Because of your fall to immorality, because of your loss of faith, and turning from your God, you are allowed to be blinded. You do not even recognize the darkness you are living in, or sin has become a way of life among you. (vol II page 32)

JULY 15, 1977 - Bands of homosexuals shall attack the young. People will live in fear, their doors barred. There shall be no love or charity between neighbors. Fear shall grip the nation. Murders will increase and the crops will rot. Rodents will run, scavengers will fly, transported by air through the states. (vol II page 66)

SEPTEMBER 13, 1977 - Sin is insanity, and without penance and prayer, your children, your adults, your lawmakers, shall act and conduct themselves in a manner that can only be called insane. All that is good shall be trampled upon; all that

is evil shall be glorified. Your country has been stripped of its morals. You have decayed now, and all that can come through now are snakes! (vol II page 83,84)

FEBRUARY 10, 1978 - Yes, My children, there are forces now gathering to dim the light in your world, to turn your world over to satan. Already in your country, America, the once beautiful, the once strong America, the United States, that has chosen to cast aside the light and go into the darkness; yes, already many of the leaders of your country are falling in with the plan for the complete capitulation of your country to satan, and world slavery under a one rule and a one religion. And this religion will have no resemblance to that given to you by My Son.

In My counsels of the past, My children, I have told you many times that satan has control of the elements. There will be accidents that are not accidents, disturbances of nature claiming many lives; floods, tornadoes. My children, are you ready to face this crisis? (vol II page 120)

MAY 26, 1979 - My child and My children, prepare yourselves, for the demons are gathering to start uprisings in your country, the United States. These will be led by those who commit abominations upon their bodies. You will call them homosexuals, but they are dead souls in human bodies, possessed by Lucifer to do his will. Do not, My children, think that words are enough to retrieve these lost souls, you must do penance and make many sacrifices. (vol II page 217,218)

Great elemental tragedies, disasters, manmade and God sent upon mankind, shall increase in volume, shall increase in intensity and numbers. Remember, My children, you do not understand the supernatural, for there will be accidents that are not accidents. (vol II page 219)

JUNE 2, 1979 - O My children, you do not recognize the signs of your times. You do not understand the enslavement that is fast coming upon your nation and the world. Because of the love of money and power, many have sold their souls to get to the head. There are cries of peace and security going throughout all the nations of the world. As these cries go forth, farther away do you proceed from this peace and security, for there cannot be any security or peace without My Son as the leader, your God.(vol II page 119)

You leaders, even the highest men in your courts, now condone homosexuality, an offense to your God and all mankind. And what are the fruits of this condoning of sin? Mur-r-ders!!! Murders of the young! Bands of roaming homosexuals, going throughout all of the major cities in your United States of America, the once proud country. (vol II page 220)

My children, you must understand, that as a nation you are on now the brink of disaster. If you do not listen to My pleas, the counsel I have given you while coming to you upon earth, you will be destroyed as a nation. Countries from far off will stand on boats from your shores and weep out and cry: O, whatever has happened to this beautiful country that had all the gold, the silver of the world, all the nations bowing to it. And now, within a few short hours it is destr-r-royed!!! (vol II page, 221)

JUNE 6, 1987 (MSG) - My child, the road to peace has been given to the world. You must write and implore your Holy Father in Rome to make known the full message of Fatima. There is no time to be wasted! Your country, My child, is in great distress, though your media's have camouflaged this from you. Your country will meet with a greater distress and loss of life in the Gulf, the Persian Gulf. No, My child, you

cannot accept as full knowledge all that the media impart to you; for they, too, are under control.

Remember, My child, the pope, John Paul II in Rome, he must be besieged by letters to stop now the carnage going throughout the world; or Russia shall enter upon your nation and Canada.

You are surrounded, My children, as My Mother has told you for years, with submarines. They come closer to your shores by countries, one after another, boots stomping forward, killing, death, licentiousness; father against son, mother against daughter, cousin against cousin; nothing but murders and abominations. Is this what you want within your country, My children?

ONE WORLD GOVERNMENT/ONE WORLD RELIGION

MARCH 18, 1975 - Your country and the world is heading fast into the setting up of a one world religion and government. Recognize the signs! There will be no unity without My Son as the Christ. (vol I page 339)

DECEMBER 24, 1976 - There is a massive web of evil fanning out from a nucleus of power. There is a plan now to engulf your world into a united center of power with a central head of man, man uniting all nations into a common dictatorship, man seeking to discard My House and set up one to his own liking and nature. I allow you to proceed but for a short time. (vol I page 572)

DECEMBER 28, 1976 - It is all, My children, part of the diabolical plan to reduce man to a state of servitude to evil. There are Masters in the world, Grand Masters in the world, who now seek to govern the lives of every man, woman and child. They are gathering together to bring mankind under

servitude.

My children, you are aware of one arm of the octopus that you know as communism. I assure you, My children, that is but one small arm of the octopus that is reaching out in all directions upon earth to engulf man and enslave him. These arms reach out to promote a one world government and a one world religion, a religion that shall not have My Son as its head. (vol I page 574)

APRIL 2, 1977 - Children of the world starving for the light and the truth. I am the Way. I am the Light, and My Church is the light for mankind now, even though My own pastors have darkened it by their actions and their avarice and their greed and their vanity and pride! Know that when they have given over My Church to the world, and as satan deludes them to unite all into a one-world religion and a one-world government, you are enslaved and it the end! (vol II page 32,33)

OCTOBER 1, 1977 - I cannot at this time give you the full import of the existence of this web of evil throughout the world. It is the major plan of satan to bring about a complete one world government and a one world religion. And it will not be of My Son. It will be a church of man based on humanism, modernism, and satanism. (vol II page 90)

JULY 25, 1978 - The Faith is being attacked in My House upon earth, My Church, and many of My clergy are falling into the plan with the octopus, the great world powers that seek to gather all nations into a rule of one-world government and a one-world religion based on humanism and modernism.

However, this shall not be set in motion to a conclusion with the loss of souls. This shall not set in motion because the Eternal Father will send a Warning to mankind, a great Warning of such magnitude that very few will doubt that it

comes from the Eternal Father and is not man made. (vol II page 175)

NOVEMBER 25, 1978 - My children have lost their way. Like sheep they wander to and fro looking for My Son. They do not have the Spirit. They cry out in groups called Charismatics, and that too has been promoted with an evil reasoning. My children, understand what is happening now. It is the work of Lucifer using human agents to remove all institutionalized churches from your world and unite all of mankind in the name of peace and brotherhood under one roof, and it will be a one-world religion and a one-world government. However, My Son has other plans to thwart this plan. The Octopus shall not be successful. It will come to the point, My children, when you will think that it would be better to die, for such evil shall be set upon the world by the Illuminati and their agents that the living shall truly envy the dead! (vol II page 206)

OCTOBER 6, 1988 (MSG) - You see, My child, that also will be cast from the books this coming year. The children are being taught unity, but world unity. The world is striving and fast heading for a one-world religion, and also a one-world government. But this will not be a godly government, it will be one of communistic nature.

WARNING, THE GREAT

DECEMBER 24, 1972 - Very soon you will receive another Warning. The world will call it a major disaster, and after that, the world will not call it a major disturbance of natural tendencies, but they will call it the Hand of God. (vol I page 73)

FEBRUARY 10, 1973 - There will be many warnings before the Chastisement. One major Warning will be given soon to

your country. The Chastisement and cleansing will come in two parts of the world. One will be in your side. (vol I page 82)

JULY 15, 1972 - With the coming of the Warning to mankind, pray and pray much, for it is the beginning of the terrible sorrows. (vol I page 116)

APRIL 21, 1973 - It's as though everything has exploded in the sky, the flash! And it's very hot! It's very warm!! It feels like a burning! Now the sky is very white! Colors, blues, purples! It's a very huge explosion. Now this voice, the voice! And the voice, Our Lady says, is a voice within you: Your Warning before Chastisement! Flash, fire, and the voice within you! The final Warning before Chastisement. (vol I page 98)

SEPTEMBER 28, 1973 - Man has only one means now to avert the planned Chastisement and Warning. The Warning and the Chastisement will follow soon upon each other if man continues on his present course. He must humble himself before the world.

When the Warning is sent upon man, there will be no doubt in the minds of man that it descends from the heavens. However, those who have already committed themselves to satan will see and yet not believe. (vol I page 134)

DECEMBER 31, 1973 - There will be great atmospheric holocausts upon your land. Your seas shall lie in great distress. (vol I page 155)

JUNE 28, 1974 - Jacinta: It is true that I gave a final message but I too could not give the date, *only to warn the world that a great Warning would come to mankind. It would be a great cataclysm-warning, and then there would be a great miracle, and after that if nothing changes and man continues to offend the Father. He would have to start this terrible trial, for there will be a great War and there will be a great terrible*

Chastisement.(vol I page 210)

JUNE 15, 1974 - I can assure you, My children, that the great Warning will come upon you at a time you least expect. and then, a prodigy of great proportion, in the merciful Heart of the Father, you will receive a great light from Heaven. Many will reject this Miracle for they have joined the forces of evil set to stand and squash, My child, every feat of the supernatural sent by the Father to bring mankind back unto the road to the Kingdom. And after this, if mankind does not repent and change his ways, there will be sent upon him the great destruction in two parts; the great war, that will take from your world one third of mankind; and then the Ball of Redemption, the second third! And what is left, My child. O sorrow of great sorrows! What is left though, shall be in the few, but they will join My Son in rising up in glorious triumph to rebuild the Kingdom of Heaven upon earth. (vol I page 216)

DECEMBER 31, 1974 - Those who have received the Message will go through this Warning and take it, My child, with more ease of heart. To those in the darkness, it will force the light into their hearts. Should this not be a sufficient reminder, My children, I assure you, the Father has but to set his hand forward to bring upon you the Ball of Redemption.....(vol I page 320)

MAY 17, 1975 - there will soon come upon you a great day of grace. As it was in My day upon earth, My child, so it will dawn a day of great grace to mankind. The Eternal Father sends the Holy Spirit upon you all. (vol I page 359)

JUNE 12, 1976 - There will be a tremendous explosion, and the sky shall roll back like a scroll. This force shall go within the very core of the human. He will understand his offenses to his God. However, this Warning will be of short duration, and many shall continue upon their road to perdition, so hard are the hearts hardened now, My child. (vol I page 500)

AUGUST 5, 1976 - As I have promised you, man shall receive a major Warning. During the interval, many signs of an angry God shall appear before you, giving each soul the opportunity to make amends with atonement and sacrifice. (vol I page 510)

MARCH 15, 1978 - The Commandments of God will not be changed to satisfy the carnal nature of mankind, a major Warning that will bring many back to the Faith. But many shall still see and not believe. (vol II page 127)

DECEMBER 24, 1975 - My child, the Warning is not the Chastisement but the beginning, My child, of the sorrow of sorrows. You must not speculate on dates. I have often told you why, My child, to avoid speculation of dates. (vol I page 455)

MARCH 18, 1983 - My child, there is much to be done before the Warning, *and then*, the Great Chastisement. *In between this* shall come forth the Third World War. You will see carnage, and killings, and blood running in your streets, My children. (vol II page 238)

OCTOBER 1, 1988 (MSG) - The Warning will soon be upon

mankind. You ask Me, My child, can it be stopped? Only by prayers and sacrifice shall it be held back, but the time is long overdue, If it was not for My Mother Who steadily holds Her hand upon Mine in sorrow, I would let My hand fall and the Warning come upon mankind. *It is not to be asked for, because you know it is coming, My children. It is to be prayed against for there will be those who will die in this Warning.....*My child and My children, We have gone throughout the world, in various places for many earth-years, trying to warn mankind that unless he changes his ways great Chastisement shall fall upon all mankind. There have been wars and rumors of war going now throughout the world. There will be great war, but first you receive the Warning, the great Warning. Many hearts shall stop with fear.

MARY CRUSHES THE HEAD OF SATAN

MARCH 18, 1973 - I stand upon the head of the serpent. My heel will crush him, but not until man and the world have been cleansed. (vol I page 86)

JUNE 8, 1974 - Jesus Christ, Our Savior and Mary Our Mother guide us through Veronica Lueken in these days of Armageddon. With Her children of Light following Her directives the Queen of Heaven will crush the serpent's head, just as She said at Fatima. In the end, My Immaculate Heart will triumph. (vol I page 325,326)

ST. MICHAEL CHAINS SATAN FOR 1,000 YEARS

SEPTEMBER 13, 1974 - Satan will be chained, My child, for a number of earth years. He will no longer roam to tempt mankind. My Son shall be the ruler upon earth and then after this time, satan will be loosed once again to tempt mankind as man will evolve back into his human nature and find himself offending the Father and sinning once more. (vol I page 263)

MARCH 18, 1973 - My poor children, hopeless of heart, know now that the future after the cleansing will be glorious, far more glorious than your human mind could ever conceive. Beauty of beauties! Emotion superb! The pursuement of every desire that man could conceive on earth will be yours in the Kingdom. Is this, My children, what you will discard for the few short earthly years given to you, as you run about aimlessly seeking the pleasures of your world and the riches, willing to close your hearts and your ears to the truth? (vol I page 86)

OCTOBER 2, 1979 - My children, it is a delusion for mankind to believe that a form and manner of humanism shall save the world and My Son's Church; but not the foundation, for My Son is the foundation. *Though the walls may crumble, the pillars may shake, the foundation is solid; for it is My Son, and it shall be rebuilt, after the great Chastisement, to its former glory.* The Eternal Father has full control over your world, though, in your free will now, He will allow you to follow your own course to destruction. (vol II page 254)

JUDGMENT

SEPTEMBER 13, 1974 - There will come, the general final judgment upon mankind, the end of time. It will be at this time that

there will come unto you a new Heaven and a new Earth, the New Jerusalem promised from the beginning of time by the Father.

Your spirit will return to your bodies. United will be the body and the soul, and as such you will be set in judgment. (vol I page 263)

AUGUST 14, 1973 -However, it is in the plan of the Father that We shall gather the House of God and restore it in the world to its proper proportions. Man, then will be returned to his former state, for he will then no longer be forced to offend his God, forced through the agents of hell who will be removed from your earth. (vol I page 123)

JUNE 18, 1981 - Man has the balance, man has been given in free will the balance for his own fall, or restoration of a nation to its former glory under God. Like rodents, the enemies of your God have eaten away at the foundation of the Faith. But in a short time they will be destroyed, and a new House will rise, a Church stronger in faith, and sanctity and holiness. But this cannot, My children, take place until a great Chastisement is set upon mankind. (vol II page 292)

THE LAST TIMES

Remedies revealed to Marie-Julie Jahenny (1850 - 1941) For the "Times of the End".

THE GREAT TRIBULATION OF THE APOCALYPTIC TIMES

(Translation Of the French book, vol. I: Veillez et priez car L'heure est proche". by Michel Servant, France: pages 316-317).

NATURAL AND SUPERNATURAL REMEDIES REVEALED TO MARIE-JULIE JAHENNY by Our Lord and the Most Holy Virgin to be used against the calamities that threaten the world, whose beginning will be a revolution.

1) THE THREE DAYS OF DARKNESSES (27-05-1880)

ONLY THE BLESSED CANDLES WILL ILLUMINATE. One of these candles will be enough for each home during the three days of darkness. They will not illuminate in the houses of impious and blasphemers.

2) MORTAL PLAGUES

The only way to protect yourself will be: to swallow a small piece of very fine paper where it says: OH, JESUS, VANQUISHER OF DEATH; SAVE US! or: "AVE CRUX".

3) FOR THE ANIMALS

A blessed medal of Saint Benedict will be attached them to the neck (the Virgin warned all to have attached the medal of Saint Benedict - Our Lady of the Roses, (Mary, Aid of the Mothers).

4) DURING THE PERIOD OF GREAT CALAMITIES

Earthquakes, wars, floods...

Recite the following prayer to the Holy Cross:

I praise you, I adore you, I embrace you, Oh, adorable Cross of my Saviour! Protect us, watch over us, save us. So much loved thy Jesus, that following His example I love you. For His holy image calm, please, my fears and make me feel only peace and confidence.

5) GREAT STORMS

You will have to recite the following prayer to the Cross, revealed by Our Lord:

"Oh Cross, my only hope!" "et Verbum caro factum est". OH,

JESUS, VANQUISHER OF DEATH, SAVE US!

6) WARS AND REVOLUTIONS

OUR Lord revealed it during an ecstasy:

To dissipate all fear and terror, you will place a medal or a blessed print of Immaculate Mary on the forehead. Your spirit will be peacefully. Your heart will not fear the terror of the men. Your spirit will not feel the effects of My great JUSTICE.

7) UNKNOWN DISEASES

(Received during an ecstasy).

A medal of My Divine Heart; a medal that has My Adorable Cross on it: You will put both medals in a glass of water. You will drink that water that has been doubly blessed and purified. Put a drop of that water in your food; a drop will be enough to eliminate, not only the plague, but the flagellum of My Justice. (The MIRACULOUS MEDAL, by itself, has the necessary conditions). You will give a drop of this water to the poor souls that have undergone the flagellum of unknown diseases, those that attack the heart, the spirit and the word.

8) DIVERSE DISEASES

To use in infusion:

Saint Johns Wort (*Hypéricum Perforátum*) specially for very bad conditions and pains in chest and intense headaches.

The hawthorn (*Caetagus Oxyacantha*) **to be used in case of rabies** (it will be frequent and very extended).

See ahead the way to use it according to the indications of the Most Holy Virgin.

For unknown fever: it will be effective the humble VIOLET (*odorata Viola*), the perfume and the virtue of humility.

9) EPIDEMICS AND EPIZOOTICS (14-05-1880)

The Lord grants the great Saint Benedict the power to alleviate the great calamity. A fervent procession of his IMAGE, without fear nor dread, can stop this calamity.

10) EARTHLY AND CELESTIAL FIRE. (23-02-1938)

The Sacred Heart of Jesus, said:

"Heat will be terrible... when doing the Signal of the Cross with blessed water the heat will be reduced and the sparks will move away.

You will kiss five times small crosses with indulgences... small crosses placed on the five sores of Crucified Jesus on a sacred image. Such protection will benefit to the souls of the poor sinners who invoke My Immaculate Mother, Mother of Salvation and Refuge and Reconciliation of Sinners."

11) PROTECTIVE OBJECTS

The Most Holy Virgin, said:

Have always at hand your protective objects: your blessed candles, your medals, your prints and sacred objects from where all the graces flow.

The Most Holy Virgin says (15-04-1900):

My little sons: it is faith, it is the confidence the most valuable of all prayers and the one that obtains more.

12) REFUGES

Revelation of the Divine Heart of Jesus to Marie-Julie:

My dear sons: there are three refuges (for the time of the tribulation): My Divine Heart, My Divine Cross and My beloved Immaculate Mother.

Saint Ann said the same to Marie-Julie on 26-07-1923:

"You will have several refuges at the moment of the punishment: The Holy Cross, the Adorable Divine Heart and the Virginal Heart of my Immaculate Daughter".

13) WAY TO USE THE WHITE HAWTHORN, ACCORDING TO INDICATIONS OF OUR LADY (05-08-1880)

"There will be a severe disease that human science will not be able to alleviate. This disease will first attack the heart; after to the spirit, and at the same time to the tongue. It will be terrible. The heat that will accompany it will be an unbearable and so intense all-consuming fire that the affected members of the body will be turn red, a ferocious and an unbearable red. After seven days, this disease that will have been seeded as the seed in the field (period of incubation) will quickly extend throughout, making great progresses."

My sons, there is only a remedy that could save you. You know the white hawthorn that grows in almost all the fences. The leaves of the hawthorn (not its branches), can stop the advance of this disease.

You will gather the leaves (not the branches). Although dry, they will conserve their effectiveness. You will put them in boiling water and you will leave them resting about 14 minute, covering the container so that the steam does not go away. At the beginning of this disease this remedy has to be drink three times a day.

This disease will produce continuous vomits and nauseas. If the remedy is taken too late, the affected part of the body will turn black, and in the black a kind of pale and yellow dash will appear.

Through the WARNING

7° sign: Beginning of the GREAT WARNING with the great

explosion and the white cloud that will cover all Earth...

A): COVER WINDOWS and hollows to the outside. Lock you all up inside home and do not leave your house until the thunders finish, outside you will die. Pray for everybody...!

B): UNIVERSAL ECSTASY of each human being, standstill and immovability of the matter... It will be the time of God...

C): SHOCK OF THE COMET against the Earth and the great EARTHQUAKE followed by another ones, until the end of the WARNING and the white mantle...

After the WARNING:

D) THE GREAT DROUGHT, consequences of the high temperatures of the Comet...

E) General WATER and FOOD scarcity...

F) The PLAGUES of insects, frogs, locusts...

G) THE GREAT COLD, the temperatures will descend from 15 to 30 degrees below zero, according to the normal conditions in each zone during the winter.

H) Maitreya, the Antichrist and the mark of Beast 666, with the microchip and persecution of the Catholics.

THE GREAT MIRACLE:

... Will be to confirm that the WARNING came from God. For you to decide your position, with GOD or with Satan.

THE GREAT PUNISHMENT:

MASSIVE NUCLEAR WAR...

With the collision of the Ball of Fire (another comet), and the **THREE DAYS OF FINAL DARKNESS**, with the destruction of all the enemies of God...

End of the GREAT TRIBULATION and PURIFICATION and beginning of the New Heaven and the New Earth with the KINGDOM OF PEACE AND LOVE for those who have survived, already purified in the melting pot... I will be your KING and My Mother will be your QUEEN... The New Jerusalem will descend from Heaven and those of Heaven will have communication with those of the Earth... Satan will have been chained for thousand years, and the life in MY KINGDOM OF THE EARTH will be easy and natural, in harmony among the men themselves, and the men with God... The Church will have been purified and the new Pope will receive the instructions directly from Me... Now, in this Messianic period in whose last days you are living at present, you must have had FAITH in My words; in the Kingdom of Peace that will soon begin, you must HAVE FAITH IN MY REVIVED PRESENCE AMONG YOU, because THE EUCHARISTIC PRESENCE of Me you have now has been lost and despised by the great majority of you ... For that reason I said:

"But when the Son of Man comes, will He find faith on Earth? **(Luke 18:8)**

(A) speaks:

Oh Lord! This is tremendous, and wonderful at the same time... because it seems a fairy tale... for all those who are undergoing so much in these days, to live Your Word and to do Your Will...

The Lord speaks:

Yes, My son, but it has nothing to do with a tale nor with fairies; on the contrary, this society has reached the peak and the FATHER is not going to allow more to Satan and the man to occupy His Place... but he is not going to destroy the earth as in the GREAT DELUGE. No, nowadays there is more than one Noah and family, and He will allow many groups distributed through the Earth to begin the Kingdom of Peace... **This life and this society in which you are living today, will disappear. (Cf. 1 Peter 4.7)** you are called to live great and unusual events, as the ones already announced... and although everything is tremendous, as you say, NEVER LOSE THE FAITH IN MY PRESENCE among you IN THE EUCHARIST and in the NEIGHBOUR, because I have said: . "THAT I WILL BE WITH YOU UNTIL THE END OF THE WORLD. Cf (**Mathew 28.20**) and that all what I have announced to you here does not mean the End of the world, no; **it is the End oh the Messianic Times** to take the step to MY KINGDOM ON EARTH, because in My days as Son of the Man, I said to Pilate, that My Kingdom was not of this world, because he understood it like a material kingdom in the style of the men seduced by Satan, where one man subdues another with envy, treasons and crimes, but My Kingdom of Peace in the New Earth will not be like that. The men will respect and love each other, everyone will understand one another, and they all will love and adore God giving Him the due cult. Cf (**Isaiah 2,1-5**) and (**Miqueas 4,1-8**)

My KINGDOM OF PEACE will be like the Paradise lost by Adam and Eve because of their sin of disobedience to God... I am the NEW ADAM and MY MOTHER IS THE NEW EVE... I will be the King and She will be The Queen on the NEW ERA OF PEACE, everything will begin again, Cf (Apocalypse 21.5) Happy those who will arrive to this Kingdom of Mine, because they will see Me as I am, Revived, and We will walk together and drink of the fruit of the grapevine, as I promised to My apostles in the last supper. Cf (Mathew 26.29), (Luke 22.18)

I am KING of PEACE, and all those living in My Kingdom of Peace, will have my Peace, will be faithful to the Love of God and the brothers, they will live in harmony with God, the men and the nature that will have been renewed with its creatures... The men will live up to one hundred or one hundred fifty years... and when they die they will go to Heaven, because they will have been TRANSFORMED Cf (1 Corinthians 15,51-52), (Thesalonian 4,15-17) and the second death will have no power on those who live and regent with Me the thousand years in MY KINGDOM OF PEACE, that will not be the Heaven neither the earth as you know it at present. Cf (Apocalypse 2°, 6)

With this, I am saying anything new to you that is not mentioned in the Holy Scriptures, I am only EXPLAINING it to you... because there are many points that have not been properly understood nor explained yet, let's hear My Voice those who have ears.

And now My son, Our Little Child of Mine and of our Holy Mother, keep on writing and developing the points of this first SUMMARY you have done... it is all right, have any scruple. The announced events are unpleasant and painful... but trust Me because I am your

REDEEMER and also I had to suffer the crucifixion before reviving... I, the REDEEMER and My Holy Mother, the CO-REDEEMER, will be with each one of you at every moment... for that reason we encourage you to be **PREPARED SPIRITUALLY and to live in SANCTIFYING GRACE from today on... and be also materially prepared to confront the events that We announce to you.**

SIGNS IN THE SKY AND THE EARTH BEFORE THE GREAT WARNING

PREFACE

William Kamm is a Catholic married layman, also known worldwide as "The Little Pebble". He is a public Seer of an internationally known Apparition of Our Lady near Nowra, New South Wales, Australia, which appears to Him under the Title of "Our Lady of the Ark, Mary our Mother, Help of Christians". He is the Founder of a "new form of consecrated life" (Canon 605) known already around the world as the Order of Saint Charbel.

1° Sign: POPE JOHN PAUL II FLEEING ROME...

The Lord continues speaking:

This will be the first most eloquent and clear SIGN that you must consider, because it will happen days before the week previous to the WARNING. How many days before?, very few... those that can be counted on the fingers of the two hands...

My Vicar on Earth will have to flee hastily from the Vatican, as elder as he is!... You will listen in the news that nobody knows where he can be found... but also you will listen that he has died and the funeral is held... All will be false, he will have not died, but **he will be hidden in a safe place from where he will lead the remaining Church**, they will do an official and false funeral for him with a wax figure of him and a new Pope that is already waiting his opportunity will be appointed... This is very painful for Me, My son! It remembers me the treason of Judas and the kiss he gave me in Gethsemane ...

This false Pope will give free way to the modernists that have been waiting for him time ago... he will complete the destruction of what remains in My Church of Tradition, Dogma, Liturgy and Devotion to My Holy Mother, the Saints and the Angels of the Heaven... but it will not last a long time, **because the FOUNDATIONS of My Church will remain with the small remnant loyal to My Mother and in the Line of true Grace which will come to you through the legitimate John Paul II**. This will be the **Schism** that, although it is already acting, then it will erupt openly in favour of the false pope; but for those who do not accept it...

I say this to you before it happens, so that when it happens you realize **the truth of these Words and that they are of My Spirit**.

Then you, who listen to these Words of My Holy Spirit, **must look for a valid Holy Mass**, said by a traditional and saint Priest through whom Grace can arrive to you from the Sacraments... and although you are few; and those who are with the false pope are many and will contradict and anathematise you by word of mouth and with deeds, do not fear their threats and mockeries, because the same thing was made to Me by the Pharisees and their united spies and followers... Please endure this situation only for a while, all united together and in prayer because everything will run out soon... The One who says this to you it is Me, the Lord... Some of you will have to endure more than others, according to the location of FAITH in the area where you live... for that reason My Holy Mother ask you to pray and to make prayer groups in your private houses, because the churches will be closed and when they are opened who will be there waiting for you?... The modernists with their changes and religious spectacles... with a false christ and a false church...

2° Sign: COLLAPSE OF STOCK-MARKET AND FINANCIAL PANIC

The Lord Speaks:

You have obvious evidence of this sign already with what happened in New York to the towers... you no more can trust in the Banks... this has been announced by My Mother for a long time, but all will worsen in spite of all men's efforts, because the RETALIATION and the WARS have already begun, and this will hit heavily the world-wide economy... which will culminate in panic.

3° Sign: BEGINNING OF THE WAR...

The Lord speaks:

What began with a RETALIATION will culminate in many WARS all over the world... and they will not finish until the Great Punishment.

4° Sign: FLIGHT FROM BIRDS AND ANIMALS OF THE NATURE...

The Lord speaks:

You will see that the birds of your skies disappear, as well as the wild small animals, rabbits, hedgehogs and others, they feel the proximity of the comet... in the fields will be clearer than in the cities...

5° Sign: THE GREAT WHITE CROSS IN THE SKY

The Lord speaks:

Days after the aforesaid about the Pope... it will appear a GREAT WHITE CROSS IN THE SKY as the sign of My Redemption and Mercy to illuminate your spiritual darkness... with this **you will begin feeling internally the effect of your sins**, mainly those not confessed... maybe you can still go to Confession if you have a Priest nearby, but everything will be very confused and people will be afflicted and nervous so you should do it right now when you

read this.

Many will see malignant spirits with images, as well as Angels and Saints... they will have visions according to the consciences, allowed by God to prepare them for the GREAT WARNING.

The CROSS IN the SKY will remain during seven days and seven nights, so you can begin counting them, because at the end of that period the GREAT WARNING with the Great White Fog will begin...

During this WEEK BEFORE THE WARNING, with the WHITE CROSS IN THE SKY, my daughter and secretary with many brothers will warn by phone everywhere to communicate you **this very thing I am saying to you now**, but believe me, you are not going to need this because it will be clear...

my daughter Mary Jane Even is the chosen precursor to announce the GREAT WARNING so you must read and know the messages that I myself gave her from 1 January to 7 January of 1997, and if I do anticipate something more to you now, it is because of the impending and short time remaining in order that this news can reach the most of My sons.

6° Sign: THE NEWS OF THE COMET...

The Lord speaks:

The mass media will inform you about the Comet that comes toward the Earth... they will speak about its size and the place where it

might fall... it will be in the water..., but that impact will shake the whole Earth... nobody neither nothing will be able to stop it nor to turn aside the trajectory... your scientists know very well the consequences of a natural phenomenon like this, and they will tell you about it...

These signs before the WARNING, are orderly related, but some, like the fled of the birds, the fall of stock-market and the news of the Comet will happen simultaneously with the others.

THROUGH THE WARNING

The Lord Speaks:

The GREAT WARNING will be a Miracle of God obtained by My and Your Holy Mother, to wake up this humanity sleeping in the injustice, forgetful of God and in the evil, to make them see and to live that God is God, a Single true God in three different People, FATHER, SON and HOLY SPIRIT, and that Me, the Only Begotten Son of the FATHER, am the ONLY ONE incarnated like Man inside the Virgin Maria, like the ENVOY of the FATHER, to announce you the Good News that God is your FATHER who has created you out of His LOVE so that you will be happy with HIM in the Heaven through eternity... but He has created you free with a body and a soul so that you can choose between right or wrong, good or evil, to give you at the end of this earth life the prize or the punishment, Heaven

or Hell, according to your good or bad works...

This will be the main reason for the event... the rest of material and natural circumstances causing the phenomena have the only purpose that each person on Earth **understands his own SOUL, his PRINCIPLE, his MISSION, and the AIM of his existence.**

7° Sign: BEGINNING OF THE GREAT WARNING

The Lord Speaks

When the Comet surrounds the Earth **with his tail, as a ring around it**, it will wrap her in a white and thick cloud of dust before hitting the Earth... and then the WARNING begins... do remember My Words in the Gospel:

"Beware that your mind does not become dull with the vice, the drink and the burdens of the life, so this day will strike upon you suddenly; because it will strike like a bow upon all those who inhabit the Earth's face. Be ready and pray to be able to escape to all what is going to come and be able to stand up in front of the Son of the Man." (Luke 21,34-36)

This will happen at the end of the seven days and seven nights after the GREAT WHITE CROSS has appeared and remained IN THE SKY, so you can know when the WARNING will begin, counting the days and the nights since it appears.

A) TO COVER WINDOWS

The **WARNING** will begin with some explosions in the sun...then:

A): TO COVER WINDOWS and hollows to the outside... first: to avoid breathing toxic gases and to prevent being contaminated with the chemical substances that the Comet will throw burning the Earth her vegetation and damaging people and animals in the run... **second:** To avoid seeing what happens outside home: The wrath of God; the demons will let themselves to be seen and the man-demons will try to enter the houses, howling and imitating the voices of the dear ones who will have remained outside... you must by no means go outdoors nor try helping anybody outdoors because it will be very dangerous. Wait till everything have finished... Pray and try to remain close together at home all united and prepared for this, because just for that **ARE WE WARNING YOU** with time enough.

Once you have covered the windows and the cracks to the outside with cardboards, boards or the same fixed plastic blinds, also put inside strips stuck to the glass-windows, just in case the shock waves of the thunderclaps and earthquakes break them... because the greater earthquake said in the Apocalypse's Book about the Angel of the God's wrath Seventh cup:

"There were lightning, and voices, and thunders and a great EARTHQUAKE, as big as never existed since the Men exist on the face of the earth." (Apocalypse 16.18)

This earthquake will last long time, more than all those that have struck until today, and will cause heavy damage and destruction;

whole cities will disappear and many other will be destroyed; electrical systems, telephone, pipes, water, highways cut off; houses and buildings fallen to pieces... but **the blessed houses and those where there is prayer and Presence of My Mother and Mine, will not be touched by the Seventh Angel**, so you must place in windows and doors blessed images of My Saint Face or a medal of Saint Benedict, but in the houses of the impious, they will not serve... because these holy objects are not amulets, but symbols of your life in God.

When you have prepared all things, because **you will only have a few hours prior** until the white cloud that will cover everything like the night begins,... **confine you all in a single place** of the house and pray: Invoke to Saint Michael Archangel and your Guardian Angels and Warrior Angels, and facing pictures of My Mother and Mine's, begin to pray the holy Rosary... light one or several blessed candles which you must have already prepared for those moments, but if you have only a single one, it will not extinguish nor consume... sprinkle with Blessed Water your place... everyone must be dressed... Have a CRUCIFIX to look at ... and to invoke...

This confinement **will last about seven days**, which you must know how to count, because there will be nor light nor electricity, only the blessed candles, **but you will know when this days finish**, because the thunderclaps that will have been heard during these seven days will come to an end and also the white fog will have dissipated and you will be able to go outdoors without danger.

Since there will be no electricity, and the gases of the Comet are inflammable, you ought prepare some way of warming and cooking without using gas or petroleum, but coal or firewood in small furnace or chimneys...

Prepare eatable for these days, and bags, water and everything that you may need considering such singular circumstances that you are going to live... **seven days in the dark** without being able to go out, without television and radio... isolated.....

During that confinement do not stop praying alternating the prayer with songs of penance and praising God and the Blessed Virgin Mary, reading in the book of Psalms. Many psalms will console you along those days, mainly Psalm 50... make rests and return to recite the holy Rosary. You will have time for everything as this will be the only thing you ought to do. **Also alternate while sleeping, because it will be convenient having one or two of you awake and alert...** outside the demons will rage with howling and voices trying to distract your mind from the prayer, also the thundering and the earthquakes and also the voices of those who have remained outside in the streets turning crazy and calling to the doors... **remain serenely and PRAYING... for everyone;** for the conversion of the apostates and modernists in the Church, for the incredulous and atheists and for the salvation of all those who will be dying at those moments...

The small children, will remain sleeping, and in case they wake up, it will be for eating something, making their necessity and to continue sleeping...

Those caught outdoors will die poisoned by gas and many will see their skin scorched and disappearing...

(A) speaks:

Excuse me, Lord; then the ecstasy announced in the messages when will it take place?

**B) ECSTASY AND IMMOVABILITY OF EVERYTHING.
TIME OF GOD**

The Lord speaks:

The ecstasy will take place at the beginning of the GREAT WARNING, when the Earth will be covered with the white mantle and moments prior to the Comet's collision against her... were not the things so, you would die almost everybody.

Then I will remove your soul from the body and in the Light of the Most Holy Trinity, FATHER, SON AND HOLY SPIRIT, you will

see the Truth of your existence and your whole life... nobody will be

able to say after leaving the ecstasy, that God does not exist, because everybody will have seen Him and experienced the pain of their sins... **it will be like a universal judgment but in an individual scale for each soul, as it happens in the particular judgment at the time of death**, each one will see his / her eternal destiny, Heaven or hell, if he / she died at that moment...

It will last only hours of your time, but to some it will seem an immensity...

Everyone will live the ecstasy, the ones in the outside and those who are under cover in the houses... **in the meanwhile everything will stop and remain immovable**, all elements of the nature beginning by the Earth that will stop... followed by the air, the water and the fire, as well as the animals and plants and every machine and display of the men, everything will reach a standstill as in a photography... which will last until everybody have perceived the sense of their sins, it will last more time for some than for other...

It will not count your time, **IT WILL BE THE TIME OF GOD...** because God has arranged that you have a stop and listen to Him... the pious and spiritually and better prepared ones, will only suffer because their idle time when they could have worked more for God... and they did not do it...

C) THE HIT OF THE COMET AGAINST THE EARTH

The Lord speaks:

As soon as the Earth becomes surrounded by the Comet tail as a ring, the Earth will be stopped in her rotation, and the comet will struck against her causing a heavy shock because of the stopping of the rotation and the impact, but the white cloud will maintain everything in the same place, **this will be the moment of the ECSTASY and immovability of the matter**, which will last all necessary time until everybody has felt the effects of their sins... later the Earth will continue turning and the natural effects of the phenomenon will follow... earthquakes, explosions... with the sun and the moon hidden by the dust that will keep you in the dark all along the WARNING, only the candles blessed by a priest or in the Candlemas Day, on February 2, or by My Holy Mother and by Me in Cenacles of prayer will illuminate...

Prior to the impact there will be a great silence... but shortly after a THUNDER will explode striking houses and windows, the doors and the whole chattel, whichever keeps still standing will fall, there will be fire in the atmosphere, heat, lightning caused by the Comet, which will damage all the **houses** of the impious sinners... although not to themselves, because this is only a WARNING... if someone dies, will be due to the impression, the fear, the heart or by the dust of the comet that has infiltrated in the unprepared houses... or having been exposed to the outside...

The impact will be in the Western hemisphere area, in the water.

(A) speaks:

My Lord and my God, may I ask You, if You find it correct, for an indication about which moment of the day or night will the WARNING begin? It is in order to cover the windows and others...

The Lord speaks:

Yes My son, My little child, **the WARNING will begin in Europe at three pm, the hour of none cf (Mathew 27,45-47)** in which I gave My Spirit to the Father in the Cross and all Earth shook ...

(Then at 12 hours we must cover the windows... By means of this data, the hour in other parts of the world can be estimated.)

AFTER THE WARNING

The Lord Speaks:

When you leave the confinement you will find a devastating panorama of destruction and fire by earthquakes and fires; deaths and rubble throughout... something similar to the result of a war, but the war will come later... after finished the WARNING many will have relatives and friends lost also their houses and possessions... **life will change for everybody...** it will be necessary to replace windows and to fix flaws, because of the impending parasite plagues and the great cold beginning soon... Will you still have the car? will you still have the job, or will you be able to move from one place to another? will it be possible to go to school or the University? will the Insurance Company be able to cover so many accidents... communications will be cut in their majority...

Many will walk desperate like crazy people along the streets, some will commit suicide... another will be exhausted and hungry and thirsty, many in need of every aid, but there will be few to help... **one third of the humanity will have died through the GREAT WARNING...** but this is only the beginning of the LAST DAYS OF THE END OF TIMES...

Having the WARNING just finished, many people will want to get

baptised and will look for a Priest to have Confession... but some Priests will have died and others will be confused and equally afflicted as others having not believed in the Words and warnings from My Holy Mother to their Church... many temples will have fallen or reduced to rubble... people will need besides consolation and hope, moral, spiritual and material assistance... **THIS WILL BE THE MOMENT FOR MY HOLY MOTHER APOSTLES, WHO THROUGH THE WARNING WILL HAVE RECEIVED INSTRUCTIONS FROM HEAVEN, HOW THEY MUST ACT...** some modernist and apostate priests will convert and others will not do the same, this SIEVE will follow until the GREAT MIRACLE.

D) The GREAT DROUGHT

The Lord speaks:

The DROUGHT announced by Me and My Mother will begin, with the white cloud of the Comet all over the Earth, which will burn the vegetation setting fires in the fields. In the cities will cause uncontrollable gas explosions and fires, and because the evaporation and the lack of water preventing the fires being extinguished whole cities will burn... this will be the Trumpet (warning) of the Sixth Angel of Apocalypse **9,13-18**; and the Cup of the Sixth Angel of Apocalypse **16,12**.

E) GENERAL SCARCITY OF WATER AND FOODS

The Lord speaks:

As a result of the disasters produced by the Comet and the dust cloud, the high temperatures and the lack of electricity almost everything stored in the refrigerator chambers of the warehouses will spoil, as well as many foods... on the other hand the burned fields will not produce for the moment, what will cause rising prices as the result of the scarcity. Further on will come the RATIONING. The same what many refugees are already living on the countries engaged in wars, will extend to many other countries which nowadays uses to waste and throw the goods that others need to survive... this men's injustice cries out to Heaven and Justice and Mercy will come from Heavens...

The WATER and FOOD will get scarce in the whole Earth, although some zones will be more fortunate than others. That is why **you must make provisions right now**, without exaggerating nor monopolizing with selfishness, but prudently keeping aside a little of each thing that ordinarily consumes everyone, thinking that when these moments arrive you will have to share more or less with others that have been caught unprepared, or have know anything of this... the generosity will cause that you will not be lacking what it is necessary, as the Lord said by mouth of the prophet Elijah to the widow of Sarepta:

"The Flour crock will not drain,

the oil bottle will not be exhausted, until the day in which the Lord sends rain on the Earth." (1 Kings 17.14)

F) THE PLAGUES

The Lord speaks:

My son, you are affected and saddened having to write these misfortunes... but continue writing here, I am your Redeemer and Friend, the One who directs your mind and hand, My son, little child of Mine and Ours, **it is necessary many people know all this although could not be all them**, but have trust, as the Father has foreseen everything in his Divine Providence, and wants that everyone are saved.

You have seen movies on the Plagues of Egypt taken from the Bible... but what you will live will be not a movie but reality, although not everybody will be affected in the same way...

As a result of the high temperatures caused by fires and gas of the Comet, and the soil being removed with the great cracks opened by earthquakes... **great insect plagues, and of fleas, beetles, lobsters, ants, flies and mosquitoes will come**, which will infest some areas in fields and cities, also **the waters of the rivers and seas will turn on dark blood colour** and they can not be drunk under danger of disease and death, it will last about seven days or more, after disappearing the white cloud, all will be as a result of the cosmic dust and chemical substances of the Comet upon the waters, this will be a natural phenomenon that God had written in the Book of the Apocalypse (**chapter 8**, the first four Trumpets or warnings); and in (**chapter 16**, with the seven Cups or plagues); read it, because it is the Word of God to the men to warn them about what you are going to live next, it is not anything symbolic, as some think.

To the insect plagues, you must add **the diseases** caused by the nuclear failures of the man... they are the ulcers mentioned in the Apocalypse:

"The fifth (Angel) spilled his Cup on the throne of the Beast (impious Governments), and their kingdom was covered with darkness (white cloud), and they bit their tongues with pain, and blasphemed the God of Heavens because of their pains and their ulcers; but they did not repent of their works." (Apocalypse 16, 10)

G) THE GREAT COLD

The Lord speaks:

When the Comet plunge in the sea, it will cause a heavy rising of temperature in the waters that will evaporate and ascend upwards crossing the white cloud... stopping above it and cooling off after in the atmosphere, and when this disappears, will fall in acid rain and hail, as it is described in the Apocalypse:

"A big hailstorm, the size of a talent fell from Heaven upon the men, and blasphemed the men against God for the plague of hail, because was a heavy one this plague" (Apocalypse 16.21)

Many people will suffer new diseases due to this acid rain and the contaminated rubble of the Comet...

Then the **temperatures will descend between 15° and 30° degrees below zero**, according to the normal conditions in each area during the winter, although this will not happen in the winter season...

Get ready right now for this event, with shelter clothes, gloves, caps, blankets, sleep coats and all things required to endure extremely low temperatures... this will last about five to seven weeks...

H) THE ANTICHRIST MAITREYA AND THE MARK OF THE BEAST (666 cf AP 13.18)

The Lord speaks:

The Antichrist of these days, concentered in a single person as Satan's leader is the Maitreya, who is already among you since long time ago doing his campaign and waiting his opportunity to make his public and worldwide appearance through all mass media the Day of the DECLARATION, as he calls it. He is the more shameless impostor than you have ever known in your whole life, but this imposture will only be discovered by the Christians well catechised, because the ignorant of My Word and Doctrine, will see and consider him **like the envoy** in these momentum to save the world in the great crisis going through... even the false pope will name him prophet of the Third Millennium; I said this to you in the Gospel, that:

"...false **messiahs and false prophets** have aroused, that they will make great signals and prodigies to induce to error, if it was possible, even to the chosen ones." (**Mathew 24.24**)

Within My Church of those even baptised... he will take advantage of this great Apostasy that you are now living and where My ministers have neglected the preaching of these moments expressed in the Gospels, to appear like the Messiah and Christ, the Saviour of this humanity... and he will use My Words and say that I was one of his disciples... **but you will know him because he always will speak about himself**, although he will mention the Eternal Father, and believe Me, many will be seduced by him.

With the Satan's aid and power, he will make false prodigies to the human view and reason, to whom he will deceit, but not to those who have faith in My Words...

He will say that the miracle of the Sun that took place in Fatima, was by his influence, and that all the miracles performed by the Blessed Virgin were his own, he will take My own Words and the ones of My Mother, which are the same Words of the Father, to snare the people ignorant of My Doctrine, and those worshipers of the reason; and he will tell resonating words identifying himself with each one of each religion and ideology... Do not listen neither see him when he speaks and appears in the television and other mass media, except from time to time to verify things are going as I say to you, but nothing else... because he will be really dangerous, My sons, because he is the serpent that deceived Eve, and you do not have to trust yourselves, but to be very humble and faithful to My Words and the ones of the Holy Mother of Mine and yours. I have warned you...

Now then, this IMPOSTOR, who calls himself the "instructor of the humanity", will quickly manage to be listened and accepted by the great majority, **taking advantage of the momentum following the WARNING and the PLAGUES, the confusion, the changes, destruction and scarcities**, to preach the brotherhood and sharing among the men because all are brothers... this will be his main argument, among others, with which he will be able to gain many and to obtain political-religious powers for trying to implant a **SINGLE WORLD-WIDE**

GOVERNMENT... because the circumstances of the world at those moments, will help it.

He will join the false pope to obtain his goals, who will admonish to take the mark of the Beast to his followers on the false Church, and will succeed getting many governments to impose the mark of the Beast to buy and sell, because due to the food shortage, foods will be confiscated and rationed by the governments... But you, My faithful children, for whose redemption I suffered so much recovering you from the claws of Satan, do not allow to be marked with that microchip, that has the mark of the Beast, (the 666) because then you will belong to Satan, and do not deceive yourselves thinking you are making it to save the life of your children and family... let yourself to be killed rather, were it necessary... but you will not have to come to that point, because for this very reason are We forewarning you about these things before they happen... **Prepare also some food supply for the time following the WARNING and these moments**, because God the Father is provident and will increase your provisions so you do not lack the necessary every day, provided that you have faith and not let yourselves be marked, obeying My Word...

This will last a very short time, no more than three months... as the PUNISHMENT of the impious and enemies of God will soon arrive with the THREE DAYS OF DARKNESS... and having all this finished will begin the Kingdom of Peace with those who have been faithful and purified in the melting pot of LOVE and FIDELITY.

Some weeks after the WARNING was gone... people unavoidably will get used to the new situation of life, and once repaired some damages in the communications and recovered the survival spirit, the agents of Satan, the impious men, **will harp on against the true Catholic religion**, and say that what happened with the comet, asteroid or meteorite, was a natural phenomenon that happens each X years and had nothing to do with God, His Justice nor Words of the Apocalypse... therefore the true Catholics and those who do not want be marked with the MICROCHIP, will be considered as fanatics and dangerous for the false fraternal and universal society they will promote...

The situation of the true Catholics will turn difficult and **then God will send the GREAT MIRACLE** announced by My Mother and yours in Garabandal and in other places of Appearances, to confirm to the doubtful and converted ones through the WARNING, that what they saw in **the ECSTASY was a thing of God**, and not of the man, nor of his mind, or mysterious forces of the nature, or the spirits...

From the experience of the GREAT MIRACLE, each person upon Earth will have to take radical position, with GOD or with Satan...

The Lord continues speaking:

My children, here I stop speaking to you about the GREAT WARNING, because being the most immediate event you had to live and get ready for... **I have wanted to repeat to you My Words already given in January 1997 to My daughter Mary Jane Even, which you ought read too, because they contain more details about this event, although I have wanted to provide you here a kind of summary and mainly the ORDER OF the EVENTS according to your time and way of thinking so you can clear up the idea, and following the SIGNALS and the SIGNS I have given here to you be not worried any more about the date of the WARNING, because after what is completed here you do not need knowing it. GET READY RIGHT NOW before, through and after the GREAT WARNING, because it is very near! And everything is being precipitated by the unfair and mistaken man... I BLESS YOU AND I GIVE YOU MY PEACE... Jesus Christ, your Redeemer.**

(A) speaks:

Thank You my Lord and my God! Thank You in the name of all brothers and sisters... for these explanations and confidences... How many details have You for ours, Lord! And how much benevolence and patience with those that do not believe nor wait for You... Lord, some brothers ask to me what foods they must keep for the bad days?

The Lord speaks:

I do not want to impose you anything, My Son, you are competent yourself to know the most necessary foods and the most adapted for the circumstances that I have described to you. You are going to live with heat, cold and without electricity, and each one of you have your personal tastes... now you have everything and you can choose... but what I recommend to you is **NOT TO ACCUMULATE FOR TRADING, NOR EGOISTICALLY...** but just **to survive and share...** and do not mistake My Words...

(A) speaks:

Thank you Lord with all my heart! Praised be Jesus Christ! The Eternal One.

The Lord speaks:

My Children! Go to Confession now that you have the chance and stay in Grace of God and live holy, because everything what is announced hereby is nearer than you think and is going to get you off guard. I do not want frighten you, because I am the **DIVINE MERCY** but also I am the **DIVINE JUSTICE**, take refuge in My Sacred Heart and in the Immaculate Heart of Mary and rely in Us. We will be with you in the tribulation and through the dangers that will come, but also get ready in the material things. I Bless you and all those who read these announcements so that you have **FAITH** and **HOPE** and **STRENGTH** from now on and in the difficult days. In the Name of the Father, and in My Name, and in the Name of the Holy Spirit. Amen.

Spread these warnings... I am with you...

The Mother speaks:

It is Me, My son, My cherished little child... My Divine Son has spoken to you before, and I now speak to you, your Mummy of Heaven.

My son, it is advisable for the souls, that you enclose to this Confidence (655) "THE SIGNALS until the GREAT WARNING", another message given by Me in Mexico where I recommend **"a list of foods, grains, Sacramental and things to prepare for the final days"**.

And also another list that has been sent to you about **"the remedies for the times of the End"**. Revealed to Marie-Julie Jahenny (1850-1941).

Nothing else My son, be in peace, because you have already done enough in this confidence.

(A) speaks:

Thank you my Mother! Then you have cleared me a great preoccupation I had. Thank You! My Mother, I did not know that list and I have been accumulating more kinds of foods that You say in the list, condensed milk, milk powder, dry fruits and other things, will be this correct or not?

The Mother speaks:

Yes, My son, it is correct, nothing will exceed and nothing will lack, trust Our Hearts, My son, My little child.

(A) speaks:

Thank you My Mother! Thank you! Blessed You are among all women and blessed it is the fruit of Your bosom JESUS!

It will be like a small judgment and each individual will see their own life and everything that they have done, in the same light of God.”

Jesus to Mary Jane Even

My children, I cannot wait any longer. It is unbearable to watch the evil that has invaded your world, the abuses of the innocents and their families.

You all will remember that I granted Lucifer 100 years to do its worst to win the souls of the children of God. Those 100 years have come to its end and the destruction of the souls has been tremendous. But I still have two wars pending for

the souls. These will be battles of great magnitude. The

Remnant Church will persevere for God; it will be declared itself for God in the Blessed Trinity.

The first battle will be the Great Warning produced by the great love of our Blessed Virgin Mary for you. This will forewarn all of humanity, to the people every where, to the people of all races and tongues in regards to their souls. This is war because the evil spirits are also waiting for this day. They too have a plan in which they will do everything possible to provoke desperation and disgrace to the faithful. Their plan is to scare, to instill fear to the souls, to make them hesitant to follow the right road. They will seduce, cajole and slander those who do not return to their wicked ways. They will mock those who persevere in prayer.

They will do these things because they know that the people are willing to listen and return to their old habits. The evil spirits will encourage them to do it because they will tell them that everything that has occurred is a test from their leader. Because he directs the evil forces that all will see and feel. It will be a war to get your souls, my dear children. Shortly after this event, the second battle will take place. This will be the Great Miracle during which you should declare yourself for God.

**The Blessed Virgin Mary to Julián Soto Ayala, Mexico,
December 24, 2004**

The world that you have received for inheritance awaits eagerly its regeneration. The time begins in which each soul will account before God its own life through the abundance of grace that will be bestowed upon the world; the time begins for the maximum test, in which all will see the greatest miracle of the world, by which all will be purified. One suffering after another; it is only the beginning of the pains. You cannot, dear children, imagine how dreadful the end of history will be for all humanity.

An arid wind will cross the deserts doing away with all life; an icy wind, frightfully cold, will burn what is left of the plant life.

An Armageddon will assemble the nations of the earth to fight against the ANOINTED ONE and those who are faithful; the nations armed with the most powerful and sophisticated weapons will spread death and harvest the ruin.

A total coldness of the faith will embrace all of humanity.

The natural resources will be destroyed. A great famine will force many to turn to delinquency; the sky and many of the rivers will be contaminated; rare diseases will appear in Europe that will be difficult to cure. You will vomit blood

from the eyes, nose and ears; and only the remedies sent by Heaven will cure those who are in the state of grace.

Each day that passes will seem much longer than the previous one, because the pains of the purification will seem endless. When the situation seems hopeless the Great Miracle will occur, as the final effort of Heaven to save souls.

Message from Mary and Jesus given to the seer Fabiana Corrado, Argentina, Oct. 8, 1995

F: Mother, why did you leave me in this darkness?

M: I am at your side. I leave you My Peace.

M: I will cover you with My Mantle. But there is not much time left for conversion. You My angels should help me save souls.

J: Do not fear, little one, the earth will not be totally destroyed. I will preserve some places,

That is why I need your help. It depends on you. (Mark 9, 11).

M: I will give a sign so everyone will believe. But do not fear, your people will be saved from

the massacre; although they will suffer much for their purification.

This is a chosen land; however, many reject My call. (I can perceive Our Blessed Mother sadness when she speaks to me).

Do not be afraid. Everything will be fulfilled at the time indicated, at the hour that God has chosen from all eternity

for the Glory of Jesus.

His angels will come to earth and will shake and separate the chaff from the grain.

And it will be a new era of Peace and Love.

It shall be done as I say; now it is only time for prayer, fasting and penance.

Message from Jesus to Luz de María

On 02/16/2010

My Mother has announced to you throughout the whole world and through time, what today, YES is to come. I do not call you out of fear, rather out of LOVE. In the same way I gave myself for you, I will come with My Mercy to you internally, you shall see your actions even though you do not want to see them; you will feel the offenses even though you do not want to feel them. It will be a WARNING, within each human being; you will be alone with Me. This is the Love of the King that doesn't want his own people to be lost, and He goes forward with His plan. I have trusted you with My Word. Announce it to your brother without fear. Today My People are heroes, courageous men who give their life for Me. My People know they struggle against the mundane; My people are enslaved and need to stand firm on its feet. That is why I won't leave you alone, that is why I will come and those who have not believed, will be put to shame.

On 02/02/2010

All that have been created moan with pains of childbirth upon seeing mankind's destiny; and in that moan, My children will suffer so much that they will experience within (internally) their own sin, will feel their soul being ripped from the offenses against Our Home. All human creatures will experience the effects of their own deeds as an act of My great Mercy; even then, a great majority of Mine will continue to live their own sin.

The Light will come to all at that moment, to free them from sin, but with My own pain and My Mother's, you will continue with even greater force in the black sin, tempted by the evil one who will control your weak and unbelieving minds.

On 01/06/2010

You are approaching the moment in which you will see within yourselves, you will see yourself internally and will experience the same hardheartedness with which you have scorn My calls. This will be an Act of Mercy of My House, for the whole of mankind.

**Message from Blessed Mother Mary to Luz de Maria,
On 03/19/2010**

Convert, repent, before the WARNING comes and the weight of sin makes you suffer to the very core of your entrails, ripping your soul apart when you find out the distance that you have created from God, by the lack of love and disobedience that you have lived continually.

On 03/04/2010

THE EARTH EVOLVES AT THE SAME SPEED AS SIN, MEN IS MARKING HIS FUTURE. The attack on nature will continue to hurl down one after the other, and they are not but the beginning of the closeness of the WARNING; this will be the mean for humanity to stop and meditate before continuing with their life.

On 12/07/2009

My Little Children: evil has taken body, mind, evil moves, and evil walks, and has attracted with celerity a WARNING that will come upon humanity. I call, but men do not heed, a sign must come down from Heaven for them to see within themselves the spiritual state in which they live. It will be

painful, very painful, sadly the majority of them will return to their state of sin afterwards, and again the Divine Mercy will be force to see humanity again to save more souls.

On 10/15/2009

“I CALL UPON YOU TO TELL YOU NOT TO BECOME WEARY OF GIVING TESTIMONY OF THE DIVINE LOVE THAT DWELLS IN YOU. TRUST IN GOD, IN HIS MERCY AND YOU SHALL SEE HIS GLORY.

This is the moment to get on your knees; pray, pray and do not falter, because My Son will give you a great WARNING, prepare yourself for this great day of Mercy; prepare yourself because the evil one will be ready to ensnare the lukewarm that do not remain fortified. ()*

My Little Children: you know that you have in your hands the key that will help you defeat all battles. THIS KEY IS “LOVE”; be living witnesses of the love of My Son; promptly repent, that this moment will not find you in sin. Many of your brothers will despair this day upon seeing the state of their sinfulness. Each one of you, My beloved children, will be alone with your conscience, each will be alone with their own spiritual state”...

REGARDING THE WARNING AND THE MIRACLE

Summary taken from the Marian Apocalypses by L. Padilla

Personal Preparation for the Warning

Following the analogy of the personal judgment, the warning is something that can and should be prepared internally. The fact that after the warning we will continue living, we should not completely think or accept the idea of simply waiting. This would be more appropriately of foolish men who let a great treasure slip from their hands; therefore and to obtain the full advantage of this unique grace in the history of salvation, it is more reasonable to act the same way as if though they have informed us that will die in a very near and specific date. Even in the case that we had an active spiritual life, that information would spur us to take the means to improve in every possible way before that day. With more reason you should act upon it in case your life is lukewarm or abandoned spiritually.

Our Lord asks us to be prepared for His judgment with the purpose that this confrontation of our personal internal state before its infinite beauty, will obtain the maximum benefit of spiritual closeness to God, and be less traumatic possible for us.

For this they suggest that we examine ourselves more thoroughly every day and pray for reparation, especially those who have had the grace to know about the Marian message for

some time now, because the greater the knowledge the greater the responsibility.

Our Lady says to Mathew Kelly:

Can you see now how significant these times are? Do not wait for this small judgment to come, you should begin right now to see into yourself more closely so you can recognize your faults and repent. You are fortunate to have the necessary faith to read, believe and accept this message; do not ignore or be indifferent to them. You should make an examination of your conscience each day and pray for reparation. You should all be like the blind. Every day you should cry out “Lord, open my eyes”, and my Son will open your eyes so you can see your misery and repent” (June 5, 1993)

In another occasion the Lord said:

Above all, do not fear. I do not say this to scare you. I send you this message to save you from all the pain possible, however the pain that you will experience when you see your soul is an act of Love from Me. Can't you see that this will make many souls return to Me, many souls to a Love for Me more fulfilling? This will save many souls from the fire of hell.”

Likewise, the Blessed Virgin Mary has requested specifically three things that would enable us to prepare ourselves in a

special way: 1. - be humble, 2. - heed the urgent message to convert, and 3. - live in the grace of God.

For those who ridicule this message, it would be absolutely appropriate to say to them the tragic lamentation in the Gospel: “It would be better not to have been born!” And quite the opposite for those who already live in accordance to the Marian message and the Spirit of the Gospel, the warning will also be a greater personal knowledge, a special spiritual maturity and a strong desire for spiritual growth to prepare ourselves for the painful events and the greatest test of all that will come to the world and for the entire Church.

Consequently from all that we have said, the warning will thus be a great divine test of great magnitude that will give men a clear option to either follow or reject God. The knowledge acquired of our soul and of our situation brought face to face to the transcendent destiny, will cause each one to make its own radical decisions. Indifference does not hold here, unless as a natural and immediate reaction to the Warning, since the appeal would have been the most profound and fulminating one of our lives, totally personal and straight to the most intimate part of our being.

Any way, including those who have made the decision to straightened their lives for God; the everyday battle and the demon’s temptations will make the sinning dust continue to adhere to the soul during the process of its life or the spiritual

weariness may dampen down that zeal in such a way, that many will come to doubt what they saw and felt during the Warning.

On the other hand, among those who followed the evil one, especially those who followed it because of instincts and attachments to material things rather than for arrogance and haughtiness, can be considered as going through changes in one's life which will let them to think about the wrong decision at the beginning of the Warning. For all of them, God, as the final opportunity, will remind us what one day we understood in regards to ourselves during the Warning, but not through a universal phenomenon, rather than through an event that we have come to know as the Miracle.

When will the Warning occur?

Although it is true that by means of the Holy Scripture we have discovered that regarding dates nobody knows - only the Father - that precisely is as an efficient and healthy measure to be always and every moment prepared for the hour when we are call to account to the Lord, it is not less true that the same Jesus Christ invites us to be attentive to the signs that announces the nearness of certain prophecies. This is what it says in Luke XII, 56: *“Hypocrites, you know how to discern the time that will be for heaven, why then do you not recognize the signs of time?”*

In this regards the Sacred Heart tells Vassula:

My Plan has a limited time. My calls of mercy have also a limited time. Once the time of mercy has come to an end, I will show all, good and bad, that My Severity is as great as My Mercy. All things predicted by Me will now come to pass rapidly.

This way, it is an erroneous idea that no one knows when the events will occur and that there is no way to guess the date of its possible fulfillment. In the Holy Scripture, both in the Old as in the New Testament, we find countless quotations that refer to a specific time, to a measure of the times established by God for its true fulfillment, measure that our Lord has inspired and has given to some the knowledge to know when the things prophesized by Him will occur. That is what the Angel Gabriel said to Daniel: “Look, I will reveal to you what will occur at the end of the Anger, because the end is set.” (VIII, 19). There after, the times are set and the signs confirm to us of its nearness.

As it has been said previously the Warning of the End of Times is the event that will end a series of dramatic signs that we have been perceiving in the final days; some very visible ones were

those that occurred in the terrorist attack in New York on September 11, 2001, as in Madrid on March of 2004 and in London on June of 2005. In the same way, the Warning too will

be the beginning of other great and unknown signs that will occur in the world as part of the marked era by the End of Times.

Time of Chaos and Confusion

Now then, according to what is implied from several revelations that the Blessed Virgin Mary has made in various places, particularly in Garabandal, it has been said regarding the warning that a little before it occurs the situation in the Church will be bad to the point that a happening will occur that will be painful and heartrending. In fact, Serafin, Conchita Gonzalez's oldest brother, affirms to have heard his sister announce during an ecstasy, that the Warning would come after a painful grievance in the Church, "something like a schism". In such a way, the Warning will be a counterpoint of a painful mystery for the Church.

In the same way, Mari Loli, one of the four girls of Garabandal, also affirmed "that the Pope would not be able to remain in Rome openly... he too will be persecuted and would have to hide like everyone else." And this will occur shortly before the Warning. Let us recall the vision that Pope Pius X had, which

has already been aforementioned in a chapter of Fatima, in regards to the flight of a Pope of Rome over the dead bodies of his priests.

This vision of Saint Pius X is very similar to the vision of Lucia who made known to us the Hierarchy of the Church as the supposed third secret of Fatima, in which “the holy Father was going through a city half trembling with hesitant steps, grieving with pain and sorrow, praying for the souls of the corpse that were found on his path.” To this effect, it is enlightening the message of the Blessed Virgin Mary that the seer Sadie Jaramillo had on August 21, 1998, in regards of when the Warning would occur:

“These visions are for you to understand the fulfillment of the words that I have given you and to many others, that soon, in the terms that you may understand this word, the enlightenment of your conscience and the state of your soul will occur. Haven’t we told you that this great event will come in the midst of great chaos and confusion?”

A revolution in Rome and that it will be linked to a “victory of communism” is very common among many seers. In fact the Blessed Virgin Mary in Garabandal predicted it and for that reason Jacinta Gonzalez, on August of 1989, just as we have explained previously, affirmed that “the Warning was linked to an ‘invasion’ in Rome,” in that communism plays

an important role in all this. And that these events would take place before the Warning that it would occur when the situation will be at its worst moment.”

Once that the death of John Paul II and the election of Benedict XVI has taken place these prophecies have become much clearer regarding their meaning and fulfillment. To this effect, the Warning can not occur until the following events take place:

- **A world crisis identified by an economic chaos and the beginning of a world war.**
- **An increase in numbers and intensity of catastrophes (earthquakes, tsunamis, volcanic eruptions, epidemics, etc.)**
- **The Schism in the Church.**
- **A violent revolution in Rome with enormous blood spilling in consequence of the previous, the Holy Father is forced to flee the Eternal City.**
- **Proclamation of the Marian Dogma of the Co-redemption.**

The Great Warning of God is the last of a series of “warnings”

that have already started and that will gain greater force and crudeness, causing hundreds of thousands of human lives.

Even though said event is already near, the whole humanity must still go through a great suffering and certain political, economic, historic, religious, natural and social changes. The Great Warning will be the last of a series of pre-warnings and the first of a series of great events that will end in the reign of the Antichrist and the Great Tribulation.

In regards to the Church, the Pontificate of Benedict XVI must first end, only then will it be visible and without any doubt for the whole world the confrontation of two Popes. Shortly afterwards, and due to a military rise in the Middle East and a confrontation of civilizations a Arab-Communist attack will take place in Europe, particularly in Italy, and because of this revolution it will be necessary for the Holy Father (Peter Roman) to flee from Rome. Thus, the Warning is linked to a painful event for the Church, and that rending event will not be other than the great schism. Likewise, the Warning will not come until the Holy Father, according to the vision of Saint Pius X and the vision of the Secret of Fatima, flees from Rome passing over the dead bodies of his priests. So, that is why; the Warning will come amidst a great chaos and confusion. All of this is confirmed by many serious and authentic seers. Another fact that many will not perceive is that once the schism comes and the two Popes appear, one of the main lines of authenticity

of the legitimate and true Pope will be his adherence to the Eucharist and Blessed Mother Mary; and precisely during the moments of great confusion for the Church, the true Pope will proclaim Mary as Co-redemptorist. This will occur shortly before de Warning.

In 1990 a seer in Colorado, USA, T. Lopez, received a message from the Blessed Virgin Mary that at the moment of great silence when our interior would be revealed to us will occur when her last title be proclaimed (in these times).

The Blessed Virgin Mary disclosed to us a detail that calls our attention, and that is the evidence of the significance of the historical moment that the Church and the Pope will undergo between the Warning and the Miracle, for he will see “...wherever he might be...”, which induces us to consider that the Pope will not be at the Vatican at the time of the Miracle. Hence, with the end result of two hypothesis: or he will be on a pastoral trip or he will be away from Rome under circumstances that will impede the Holy Father at that moment to carry out his duties as Bishop of Rome; more explicitly, a persecution against the Church and the Pope.

In accordance with all that have been said with regards to the immediate future of the church, we understand that the Pope because of the violent attack to Italy specifically to Rome and the Vatican must leave Rome, and it will be from

exile, after the Warning, that he will see the Miracle.

What will happen during The Warning

Tuesday, January 24th, 2012

These are two messages received by Maria Divine Mercy in 2011 with details as to what will happen during The Warning. Many people have been asking us to remind them of the key messages relating to the actual event. The publish series of divine messages which a Roman Catholic married mother of a young family living in Europe says she has been receiving from the Holy Trinity as well as by the Virgin Mary who she says wishes to be known by a new title “Mother of Salvation”.

The woman wishes to be known by the name Maria Divine Mercy and says that it is the wish of Jesus that she remains anonymous to protect her family and to avoid any distraction from the messages. The term Divine Mercy is used in her name because The Warning, a supernatural event, an act of Divine Intervention to save the world by God, is a manifestation of The Divine Mercy.

The messages have been received by her since November 2010 and are still ongoing. Over 850 messages (some of which are private) have been received along with 105 Crusade Prayers, 5 litanies and over 20 individual prayers. According to independent theologians the

messages reinforce the Catholic teachings of faith and morals. Maria has been given the support of a number of believers including hundreds of priests and Christian volunteers from all over the world, to enable them to be revealed quickly to the world. They are, she says, being revealed to the world for its own good and that of others.

The messages have been translated into 38 languages already. Whether officially approved by the Church or otherwise, through perchance worthy of pious credence, Catholic individuals are not morally obliged to espouse the messages emanating from any source of private revelation (e.g. apparitions, interior locutions and so forth). Unlike public revelation i.e. Sacred Scripture the Church herself has no providential protection in the realm of private revelations.

The skies will open up during The Warning

Monday, May 23rd, 2011 @ 02:30 pm

My dearly beloved daughter you are suffering the torment that I endure for the sins of man. This is what it feels like. Now you are glimpsing just a tiny fraction of My suffering which I face every minute of your day. There is nothing to fear, My daughter about The Warning.

The Warning will be a dramatic event

It will shock many people in the world as it will be a dramatic event where the skies will open and the flames of Mercy will shoot up across the world. For many people will not understand what is happening. So shocked will they be they will mistakenly think that

they are witnessing the end of the world. Tell them to rejoice when they witness My Glory for this, if you are properly prepared for it, will be the most spectacular example of My Mercy since the day of My Crucifixion. This, My children, will be your saving grace and will prevent those who would otherwise have been condemned from entering the depths of Hell.

All My children everywhere must warn lost souls as to what to expect. Urge them to seek reconciliation by confessing their sins now. It is important that as many people as possible are in a state of grace beforehand as they may not survive this event due to shock. Far better to witness this Divine Spectacular event first rather than being unprepared at the final day of Judgement.

Keep strong all of you. Rejoice if you are a devout follower for you will be shown a glimpse of My Divine Presence which your ancestors never saw during their lifetime. Pray for the rest of My children. Tell them the truth now while you can. Ignore their scorn for should they take action now by praying for the forgiveness of their sins they will thank you after this great miracle takes place.

Go now in peace. Do not be fearful. Just pray for those souls with no faith so they do not die in mortal sin.

Your Divine Saviour Jesus Christ

Two comets will collide, My cross will appear in a red sky

Sunday, June 5th, 2011 @ 04:30 pm

My dearly beloved daughter time is near. The Warning is close now. It is with great sorrow that I must tell you that many souls will not heed these messages about The Warning. **My word falls on deaf**

ears. Why won't they listen? I am not only giving them My great

gift of Mercy when I will shower My graces over the whole world, I am also trying to prepare them for this event. Many **millions of sinners will rejoice** when they are shown My great mercy. Others won't get a chance to redeem themselves in time because they will die of shock.

My daughter you must do everything you can to warn the world. Because **this great event will shock everyone.** They will see **great signs in the skies** before The Warning takes place. Stars will clash with such impact that man will confuse the **spectacle they see in the sky as being catastrophic.** As these comets infuse **a great red sky will result** and the **sign of my cross will be seen all over the world** by everyone. Many will be frightened. But I say rejoice for you will see, for the first time in your lives, a truly Divine Sign that represents **great news for sinners everywhere.**

See My cross then and you will know that My great mercy is being given to each of you, My precious children. For it was with the deep abiding love that I held for you that I died, willingly, on the cross to save you. When you see the crosses in the sky during The Warning you will know that this is a sign of My love for you.

Pray My beloved followers that your brothers and sisters can rejoice

when they, too, are shown **the proof of My existence**. Pray that they will accept that this is their chance to redeem themselves in My eyes. That this great act of Mercy will save their souls if they will allow Me to help them.

You will be shown what it is like to die in mortal sin. The Warning will be a purifying experience for all of you. It may be **unpleasant in part** especially for those in grave sin. Because for the first time ever you will be shown what it feels like when the light of God disappears from your life. Your souls will feel the abandonment felt by those who die in mortal sin. These **poor souls who left it too late** to ask God to forgive them their sins. Remember it is important that I allow all of you to feel this emptiness of soul. For only then will you finally understand that without the light of God in your souls you cease to feel. Your soul and body would be just empty vessels. Even sinners feel the light of God because he is present in every one of his children on earth. But when you die in mortal sin, this light no longer exists.

Prepare now for this great event. Save your souls while you can. For it will only be when the light of God leaves you that you will finally realise the empty, barren and darkness that Satan offers which is full of anguish and terror.

Replenish your souls. Rejoice now for The Warning will save you and bring you closer to My Sacred Heart.

Welcome the Warning. For then you will be given the proof of Eternal Life and know how important it is.

Your Beloved Saviour

Jesus Christ

King of Mankind

Another example of Prophetic Warnings from God:

Native Prophetic Visions and Warnings of the Great Chastisement to come upon Mankind:

Stalking Wolf was given four prophecies, they were told to him in about 1920. The first two have already come true, and cannot be misunderstood as they are very specific. He said that after the third prophecy took place there was no possibility to save our planet, but up until then it was possible to change the course of nature by prayer and a joining of minds (not specifically in those words) after the third prophecy took place he said there would be 4 seasons of peace to prepare for the incredible and terrible 4th and only the "Children o

of the Earth would survive".

"Out of all of the personal and major prophecies that Grandfather foretold, there are four that stand out above all the rest. It is these four that mark the destruction of man, and life on Earth as we know it. Yet Grandfather said we could still change things, even after the first two prophecies come true, but that there could be no turning back after the third." This vision was given to the old Apache in the 1920s, and Tom met him when he was in his eighties. That was in

1962.

"How will I know that we are so close to destruction?" I asked.

Grandfather said, "I had a vision, It was a vision of the destruction of man. But man was given four warnings , two of which gave man a chance to change his ways and two of which would give the children of the Earth time to escape the Creator's wrath."

"How will I know these signs?" I asked, and Grandfather continued, "They will be obvious to you and those who listen to the Spirit of the Earth, but to those who live within the flesh and know only flesh, there is no knowing and no understanding. When these signs, these warnings and prophecies, are made manifest, then you will understand the urgency of what I speak. Then you will understand why people must not just work for their own spiritual rapture, but to bring that rapture to the consciousness of modern people" Grandfather had just finished his third Vision Quest at the Eternal Cave when the spirit of the warrior appeared to him. The spirit called Grandfather's name and beckoned him to follow. As Grandfather stood, he was suddenly transported to another world and he thought that he was dreaming, but his flesh could feel the reality of this place; his senses knew that this was a state of abject reality but in another time and place.

"The spirit warrior spoke to Grandfather, saying, 'These are the things yet to come that will mark the destruction of man. These things you may never see, but you must work to stop them and pass these warnings on to your grandchildren. They are the possible futures of what will come if man does not come back to the Earth and begin to obey the laws of Creation and the Creator. There are

four signs, four warnings, that only the children of the Earth will understand. Each warning marks the beginning of a possible future.' With that the spirit warrior was gone, and Grandfather was left alone in this strange new world.

"The world he was in was like nothing he had ever known. It was a dry place, with little vegetation. In the distance he saw a village, yet it was made out of tents and cloth rather than from materials of the Earth. As he drew closer to the village the stench of death overwhelmed him and he grew sick. He could hear children crying, the moaning of elders, and the sounds of sickness and despair. Piles of bodies lay in open pits awaiting burial, their contorted faces and frail bodies foretelling of death from starvation. The bodies appeared more like skeletons than flesh, their once dark brown complexions now ash grey.

"As Grandfather entered the village, the horror of living starvation struck him deeper. Children could barely walk, elders lay dying, and everywhere were the cries of pain and fear. The stench of death and the sense of hopelessness overwhelmed Grandfather, threatening to drive him from the village. It was then that an elder appeared to Grandfather, at first speaking in a language that he could not understand. Grandfather realized as the elder spoke that he was a spirit of a man, a man no longer of the flesh but a man that had walked a spiritual path, possibly a shaman of his tribe. It was then that he understood what the old one was trying to tell him.

"The elder spoke softly saying, 'Welcome to what will be called the land of starvation. The world will one day look upon all of this with horror and will blame the famine on the weather and the Earth. This will be the first warning to the world that man cannot live beyond

the laws of Creation, nor can he fight Nature. If the world sees that it is to blame for this famine, then a great lesson will be learned. But I am afraid that the world will not blame itself, but that the blame will be placed on Nature. The world will not see that it created this place of death.

"The old one continued. 'These people should have been left alone. They once understood how to live with Earth, and their wealth was measured in happiness, love, and peace. But all of that was taken away from them when the world saw theirs as a primitive society. It was then that the world showed them how to farm and live in a less primitive way. It was the world that forced them to live outside the laws of creation and as a result it is now forcing them to die.' The old man slowly began to walk away, back to death and despair.

"He turned one last time to Grandfather and said, 'This will be the first sign. There will come starvation before and after this starvation, but none will capture the attention of the world with such impact as does this one. The Children of the Earth will know the lessons that are held in all this pain and death, but the world will only see it as drought and famine, blaming Nature instead of itself.' With that the old one disappeared, and Grandfather found himself back at the mouth of the Eternal Cave.

Grandfather knew that people all over the Earth were now starving, but why was this starvation so critical, so much more important than the starvation that was taking place now? It was then that Grandfather recalled that the tribal elder had said that the entire world would take notice but that the world would not learn the lessons of what the death and the famine were trying to teach. The Children of the Earth would die in vain.

In a state of physical and emotional exhaustion, Grandfather fell into a deep sleep, but it was in this sleep that the warrior spirit appeared to him again and brought the remainder of the first sign to completion. In this dream the spirit spoke to Grandfather saying, 'It is during the years of the famine that all will be plagued by a disease, a disease that will sweep the land and terrorize the masses. The white coats (doctors) will have no answers for the people, and a great cry will arise across the land. The disease will be borne of monkeys, drugs, and sex. It will destroy man from inside, making common sickness a killing disease. Mankind will bring this disease upon himself as a result of his life, his worship of sex and drugs, and a life away from Nature.

The spirit continued, saying, 'The drugs will produce wars in the cities of man, and the nations will arise against those wars, arise against that killing disease. But the nations will fight in the wrong way, lashing out at the effect rather than the cause. It will never win these wars until the nation, until society changes its values and stops chasing the gods of sex and drugs.'

It is then in the years of the first sign, that man can change the course of the probable future. It is then that he may understand the greater lessons of the famine and the disease. It is then that there can still be hope. But once the second sign of destruction appears, the Earth can only be healed on a spiritual level. Only a spiritual healing can then change the course of the probable futures of mankind. With that the warrior spirit let Grandfather fall into a deep and dreamless sleep, allowing him to rest fully before any more Vision was wrought upon him.

Second vision

Grandfather awoke at the entrance of the cave once again, the memory of the warrior spirit vivid in his mind, the spirit's words becoming part of his soul. When Grandfather looked out across the landscape, all had changed. The landscape appeared dryer, there was no vegetation to be seen, and animals lay dying. A great stench of death arose from the land, and the dust was thick and choking, the intense heat oppressive. Looking skyward, the sun seemed to be larger and more intense; no birds or clouds can be seen; and the air seemed thicker still. It was then that the sky seemed to surge and huge holes began to appear. The holes tore with a thunderous sound, and the very Earth, rocks, and soil shook. The skin of the sky seemed to be torn open like a series of gaping wounds, and through these wounds seeped a liquid that seemed like the oozing of an infection, a great sea of floating garbage, oil, and dead fish. It was through one of these wounds that Grandfather saw the floating bodies of dolphins, accompanied by tremendous upheavals of the Earth and of violent storms.

As he held fast to the trembling Earth his eyes fell from the sky, and all about him, all at once, was disaster. Piles of garbage reached to the skies, forests lay cut and dying, coastlines flooded, and storms grew more violent and thunderous. With each passing moment the Earth shook with greater intensity, threatening to tear apart and swallow Grandfather.

Suddenly the Earth stopped shaking and the sky cleared. Out of the dusty air walked the warrior spirit, who stopped a short distance from Grandfather. As Grandfather looked into the face of the spirit he could see that there were great tears flowing from his eyes, and each tear fell to the Earth with a searing sound. The spirit looked at

Grandfather for a long moment, then finally spoke, saying, "Holes in the sky". Grandfather thought for a moment, then in a questioning, disbelieving manner said, 'Holes in the Sky?' And the spirit answered, saying, "They will become the sign of the destruction of man. The holes in the sky, and all that you have seen could become man's reality. It is here, at the beginning of this second sign, that man can no longer heal the Earth with physical action. It is here that man must heed the warning and work harder to change the future at hand.

But man must not only work physically, he must also work spiritually, through prayer, for only through prayer can man hope to heal the Earth and himself."

There was a long pause as Grandfather thought of the impossibility of holes in the sky. Surely Grandfather knew that there could be a spiritual hole, but a hole that the societies of Earth could notice would hardly seem likely. The spirit drew closer and spoke again, almost in a whisper. "These holes are a direct result of man's life, his travel, and the sins of his grandfathers and grandmothers. These holes, the second sign, will mark the killing of his grandchildren and will become a legacy to man's life away from Nature. It is the time of these holes that will mark a great transition in mankind's thinking. They will then be faced with a choice, a choice to continue the path of destruction or a choice to move back to the philosophy of the Earth and a simpler existence. It is here that the decision must be made, or all will be lost." Without another word the spirit turned and walked back into the dust.

Grandfather spent the next four days at the cave entrance, though for

the next four days nothing spoke to him, not even the Earth. He said that it was a time of great sorrow, of aloneness, and a time to digest all that had taken place. He knew that these things would not appear in his life time, but they had to be passed down to the people of the future, with the same urgency and power with which they had been delivered to him. But he did not know how he could explain these unlikely events to anyone. Surely the elders and shamans of the tribes would understand but not society, and certainly not anyone

who was removed from the Earth and spirit. He sat for the four full days, unmoving, as if made of stone.

It was at the end of the fourth day that the third Vision came to him. As he gazed out onto the landscape toward the setting sun, the sky suddenly turned back to a liquid and turned blood red. As far as his eyes could see, the sky was solid red, with no variation in shadow, texture, or light. The whole of creation seemed to have grown still, as if awaiting some unseen command. Time, place, and destiny seemed to be in limbo, stilled by the bleeding sky. He gazed for a long time at the sky, in a state of awe and terror, for the red color of the sky was like nothing he had ever seen in any sunset or sunrise. The color was that of man, not of Nature, and it had a vile stench and texture. It seemed to burn the Earth wherever it touched. As sunset drifted to night, the stars shone bright red, the color never leaving the sky, and everywhere was heard the cries of fear and pain.

"Again the warrior spirit appeared to Grandfather, but this time as a voice from the sky. Like thunder, the voice shook the landscape, saying, "This, then, is the third sign, the night of the bleeding stars. It will become known throughout the world, for the sky in all lands will be red with the blood of the sky, day and night. It is then, with

this sign of the third probable future, that there is no longer hope. Life on Earth as man has lived it will come to an end, and there can be no turning back, physically or spiritually. It is then, if these are not changed during the second sign, that man will surely know the destruction of Earth is at hand. It is then that the children of the

Earth must run to the wild places and hide. For when the sky bleeds fire, there will be no safety in the world of man."

Grandfather sat in shocked horror as the voice continued. "From this time, when the stars bleed, to the fourth and final sign will be four seasons of peace. It is in these four seasons they must live deep within the wild places and find a new home, close to the Earth and the Creator. It is only the children of the Earth that will survive, and they must live the philosophy of the Earth, never returning to the thinking of man. And survival will not be enough, for the children of the Earth must also live close to the spirit. So tell them not to hesitate if and when this third sign becomes manifest in the stars, for there are but four seasons (1 yr) to escape." Grandfather said that the voice and the red sky lingered for a week and then were gone as quickly as they were made manifest.

Grandfather did not remember how many days he'd spent at the mouth of the cave, nor did it make a difference, for he had received the Vision he had come for. It was in the final night at the Eternal Cave that the fourth vision came to Grandfather, this time carried by the voice of a young child. The child spoke, saying, "The fourth and final sign will appear through the next ten winters following the

night that the stars will bleed. During this time the Earth will heal itself and man will die. For those ten years the children of the Earth must remain hidden in the wild places, make no permanent camps, and wander to avoid contact with the last remaining forces of man. **THEY MUST REMAIN HIDDEN**, like the ancient scouts and fight the urge to go back to the destruction of man. Curiosity could kill many."

There was a long silence, until Grandfather spoke to the child spirit, asking, "And what will happen to the worlds of man?" There was another period of silence until finally the child spoke again. "There will be a great famine throughout the world, like man cannot imagine. Waters will run vile, the poisons of man's sins running strong in the waters of the soils, lakes, and rivers. Crops will fail, the animals of man will die, and disease will kill the masses. The grandchildren will feed upon the remains of the dead, and all about will be cries of pain and anguish. Roving bands of men will hunt and kill other men for food, and water will always be scarce, getting scarcer with each passing year. The land, the water, the sky will all be poisoned, and man will live in the wrath of the Creator. Man will hide at first in the cities, but there he will die. A few will run to the wilderness, but the wilderness will destroy them, Man will be destroyed, his cities in ruin, and it is then that the grandchildren will pay for the sins of their grandfathers and grandmothers."

"Is there then no hope"? Grandfather asked. The child spoke again, "There is only hope during the time of the first and second signs. Upon the third sign, the night of the bleeding, there is no longer hope, for only the children of the Earth will survive. Man will be given these warnings: if unheeded, there can be no hope, for only the

children of the Earth will purge themselves of mankind's destructive thinking. The children of the Earth will bring a new hope to the society, living closer to the Earth and spirit." Then all was silent, the landscape cleared and returned to normal and Grandfather stepped from the vision. Shaken, he said he had wandered for the next season, trying to understand why he had been chosen.

God is an all Loving and Merciful Father that He sent His Son Our Lord Jesus Christ to reconcile us to Him and for the forgiveness of the Sins of the World.

Now Our Merciful Father is trying in every way He can to get our attention and warn us that His patience is almost finished. There is so much evil in the World today like there has never been since the beginning when God created the World and Man. If man does not change soon, we will all regret not taking seriously the warnings He's been giving us through His seers and prophets.
