Front image: Our Mother of The Word by Catholic Artist Mark Sanislo

These are messages are to the World from the Mother of God, a collection of messages; conversations with the Mary, the Mother of Jesus. The chronicles of "Little Mary", who is graced with a very special charism to write these meditation messages through interior locutions that include a few inspiring compilations of Conversations with God, Our Lord Jesus Christ, powerful dialogue on practical ways of living our everyday lives on the narrow path to heaven.

It is to be noted the messages are not designed to lead souls to Mary, or replace Jesus with Mary, but it is always our loving Mother Mary leading souls to Jesus, to the Church, to the Sacraments through sincere prayer. If our hearts are open, the core meaning of these words are to help us think and reflect on how we could change and try to strive to do what is right. These messages are splendid work of spiritual meditations and challenges us in our secular society to rethink and reflect on and to live a life of virtue.

Mother Mary has come with a message for all people of the world and shares messages on world changes that will disrupt every individual. She urges all people, regardless of culture or beliefs, to open their minds and hearts and pray to God. Jesus yearns for our response. These messages provide insight and a greater understanding of topics like: Heaven, Hell, sin, forgiveness, love, joy, sorrow, and pain.

The core message is to revitalize moral values across the world and live a life of holiness. To share the significance of letting go of worldly ways in our society and make more time to be with Our Lord and Savior. To help instill a mind-set of repentance for our sins along with more prayer, obeying each Commandment and living the Gospel message.

The messages contain a consistency of love and urgency in what is relayed, and these thoughts continue in "Mary's Messages". Mary calls for a return to God, to prayer, and preparation for changes. To share the importance of the Love of Christ, that love which manifests itself within the family. It is natural for a society where husband and wife are called to give themselves in love and in the gift of life. For the mission as husband and wife is to have God at the center of their love in order to help each other to heaven. Within the family constitute the foundations for society. The family is the community in which, from childhood, one can learn moral values, begin to honor God, and make good use of freedom. These are messages of Love and Mercy which Jesus and Mary are guiding us to repent and allow Jesus to lead our lives and to simply Trust in Him.

MESSAGE #2574 from Jesus January 9, 2004

My child,

Accept My blood and suffering that I shed for you. It is My gift to you, for you have been chosen to suffer for mankind. Do not be sad for all that you must endure, for it will truly keep you humble and strengthen you.

Put your trust in Me, for I am Jesus who loves you very much. Look at My Eucharistic Heart and feel the fire of My love. Embrace Me so that others will come to know My true presence in the Blessed Sacrament. I know your heart, so come to Me when you feel alone. Your obedience to suffer will truly draw souls closer to Me. Each time you write My words, they will penetrate your heart. You will never be abandoned by Me or My Mother. We are ever so close to you, for you need much protection.

I am with you in all your suffering, so continue to suffer for love of Me. Continue to listen to My Mother, for she is the way to My Eucharistic Heart.

MESSAGE #2589 from Jesus February 16, 2004

My child,

I am Jesus. I come today to share My love with you. Through your suffering and obedience these messages will be made known. More will come to know My Mother if you continue to write.

Time is short for saving souls, so listen as I speak to you. In time, all apparitions will cease and each child will need to live all that My Mother is teaching them. Those who took refuge in Our Heart will have peace. They will have peace, for I will guide them to safety. Those who use the protection that has been provided for them will be protected through all storms.

This is the time of preparation, so amend your lives and make reparation for all your sins. Pray and consecrate your lives to My Sacred Heart. Consecrate your homes to My Sacred Heart and I will protect and bless each family. Storms will arise, so tell My people to take refuge in My Heart. Tell the world not to delay, for they will need My protection.

My child, I ask that you share My love and mercy in those groups that My Mother has formed. I ask that you share My words that have been hidden in your heart. I ask that you pray together and then listen as I speak to you. This is how you will be guided for times ahead. This is how you will be led to safety and protected from all evil.

You are My soldiers and I shall defend you in each battle. You are in battle, so listen to My Mother, as she is Queen of Heaven. Take refuge in her heart and follow her example. She is pure and humble and a mother to each of you. She has been chosen by My Father to lead you closer to Me. Do not resist. Take her hand and do not ignore her motherly requests.

MESSAGE #2593 from Jesus February 23, 2004

My child,

Doors will open soon, for these messages are from the heart of My Mother. Those who take heed to her words will be led closer to Me. Those who are willing to suffer in My name shall have eternal life. Eternal life is for those who believe and who walk with Me.

Be disciples of hope to this world by lighting the way for others. You are My beloved ones. I am Jesus and you are My disciples.

MESSAGE #2618 from Jesus April 23, 2004

My child,

You hear My Mother's voice just as I am speaking to you. Share all that you hear, for all must wake up now.

Your cross will become heavier and you will feel My wounds, but I will assist you. I will hold you on those days when you feel weak. I will be with you, for My words are deep in your heart. Your interior suffering will feel like the chains that whipped My heart.

I am with you, so move forward now and make these messages known. Move forward, for the earth is trembling now. Much light will be needed, for darker days await those who are walking alone. My Mother will never leave you, but her messages will soon end for the world. Direction will be given to you, for you have been chosen to assist My Mother so more see light instead of the fire of hell.

Be still and hear My voice. I am Jesus, Your Merciful Lord. I am here to bring light to the world. My love is everlasting. Pentecost is near.

MESSAGE #2627 from Jesus May 12, 2004

My child,

Listen to My Mother, for the time is soon at hand. Listen and carry your cross willingly, for these messages are for the world. My Mother will comfort you when you feel pain in your heart, so listen, write and share My Mother's words. Share all that I am teaching you, for many are still sleeping. Many seek their own path, not mine. Many place so much importance on the things of this world. What many do not realize is the things of this world are not important to eternity.

Soon you will witness all that has been prophesied, for much evil has entered this world. Much evil has entered this world because many Priests are not teaching their flock. Many Priests are unwilling to speak the truth. Many Bishops are hiding behind closed doors and they are not listening to their flock. So many are silent when they see so much irreverence entering the Church. So many children are confused because many today misinterpret My words and distort My truth.

Your time for repentance grows shorter, so wake up, wake up before it's too late. Wake up and listen to My Mother, for her time is almost up. Teach your flock how to pray. Teach them the importance of being reverent in Church. Do not mock those who pray the Rosary, for these prayers have truly lessened what is coming your way. Do not mock those who wear My Mother's veil, for it is a sign of reverence and purity. Join hands with your flock and lead the Rosary. Join hands and welcome My Mother so she can assist you and your flock.

The time of great pain and sorrow has begun. The battle is on. I say to you, take the front lines. Let go of pride and listen to My Mother. Listen to My Mother, for I refuse her nothing, as My Will is her will. She will truly listen to you, for she is your Heavenly Mother.

I am the way, the truth and the light. I am Jesus, Your Merciful Lord and Savior. The door to My Heart is open, but it is up to you to repent and enter.

MESSAGE #2672 from Jesus September 9, 2004

My child,

Thank you for honoring My Mother. She is Queen of Heaven and Earth. Those who honor My Mother, honor Me. Those who take refuge in her heart shall be protected, they will be led closer to Me.

In the end, My Mother's heart will triumph, so honor her as I do. Let no man discourage you. Love her and follow My Mother's example. Listen to her and take heed to all that she is teaching you. Listen and obey, for each message that she gives you is truly from the heart of My Mother.

I am Jesus. I now bless you with the mercy of My Heart and the love of My Father, who truly loves each of you. I am with you, so be brave and persevere.

MESSAGE #2570 from the Blessed Mother January 5, 2004

My daughter, Prayer is your protection, so continue to pray and stay close, close to Jesus. Continue to write and share all that is embedded in your heart. Do not be afraid of those who do not want to hear the truth, for the truth must be made known. Pray every day for those who are refusing God's loving assistance. Pray daily for those who are choosing the easier road, for in time they will have to answer to God.

Each child must use their time wisely on this earth. They must strive to do their best to imitate Christ. They must not give in to their desires, they must obey God and do what He is asking of them. If my children would cooperate, there would be peace in this world. It is time now to be true followers of Christ. It is time now to truly believe that God exists.

God's mercy never ends and He truly awaits for His children to come back to Him. If you have fallen away from the Sacraments, repent and turn to Jesus now. Repent and seek guidance so you do not fall further away from God. Change your lifestyle if you are living in sin so that I can assist you on this earth. Amend your ways and repent now so that I can lead you closer to my Son. Do not wait for storms to arise, turn to Jesus now.

Darker days await those who are disobeying God's laws. Darker days will come and I am warning my children that there will be no light for those who are listening to Satan. Satan will pull you deeper into the pit if you allow him to.

Dear children, please listen to what I am telling you. Please listen and take heed to the Gospel. The time is soon at hand and you will not survive without a true relationship with Jesus. You will be frightened and you will not know which direction to go if you are choosing darkness. Peace comes from knowing Jesus, so please turn to Him now for guidance. God will truly assist those who come to Him with a repentive heart. God will light the way no matter how dark this world becomes.

So today I plead with you, come to know my Son this very day. Arise from your slumber and reject all that is evil. In time you will understand, so please, please do not delay. Prayer will protect you and will guard you from the evil one. Keep your focus on Jesus and ask, ask for His guidance each new day.

Today I must warn you so you do not fall into Satan's traps. Be honest, humble children and be wise and amend your ways now. I have but little time to assist you, so please respond and accept my motherly grace. Please respond and be confident in God's mercy and love that He has for you. Amen.

MESSAGE #2571 from the Blessed Mother January 6, 2004

My daughter, Tell my children to keep their focus on Jesus so that fear and worry do not enter their hearts. God will be with you through all trials and storms, so be at peace and do all that you can to serve my Son each new day.

Peace comes from knowing Jesus, so please, please dear children, spend more time with Him. Spend time in prayer and then listen, listen to your heart. Spend time with Jesus and then do what He is asking of you. Through your response, more will come to know our dear Lord, Jesus. Through your response, you will then be living the Beatitudes.

God's love must not just be spoken, it must be manifested through each of you. Put into practice all that I am teaching you so that God's love and mercy shine, shine through you. These messages are that of love, so please live them each new day. Please live them by truly loving all your brothers and sisters. Love each family member, for many today are starving due to lack of love.

This time has been allowed to manifest your love of knowing Jesus. So, be faithful followers of Jesus and embrace His love so that this love shines brightly through you. Amen.

MESSAGE #2572 from the Blessed Mother January 7, 2004

My daughter, Be at peace and know that I am with you. I am with you each time you are asked to suffer for our Lord. Through each new cross you will be given strength, so please continue to write and persevere. So many children are suffering and these messages are God's way to wake His children. Your hands and voice are needed, so continue to do what God is asking of you. Your suffering and prayers will truly help save souls.

Each soul must be purified and sanctified, so tell my children to spend time with God. Tell my children to listen so that they can clearly hear God. God truly speaks to His children, but they must listen, listen with their heart. They must examine their conscience daily and then work on those areas where they are weak. Each soul must do their part if they truly want to be purified on this earth.

This is a time of enlightenment, so please allow God to mold you. Allow God to assist you so you do not fall into darkness. God is truly showering His children with many graces, but it is up to each person to embrace His love and mercy. Now, please be more appreciative of this time to prepare your soul. Be more appreciative and use this time to truly come to know our Lord. Allow God to prune and mold you so you are ready when it is time to leave this earth.

Today, I am here to remind my children that nothing can be accomplished without God's grace and loving assistance. Let go now of your desires and allow God to be in control of your life. Let go and trust and cooperate with all that God wants to do in your life. Now, please begin today and accept God's mercy and grace. Amen.

MESSAGE #2573 from the Blessed Mother January 9, 2004

My daughter, Please tell my children, they cannot have peace in their hearts if they do not pray or spend time with Jesus. Peace cannot enter if my children do not open their hearts. It is time now for all my children to do their part so that peace can exist in this world. Without a true love for God, one cannot live a peaceful life. Peace must begin with you so that it can be spread across this land.

This world is in a state of great turmoil due to lack of love and forgiveness. So many today carry much hatred in their heart. So many today do not know how to love because Jesus is not present in their heart and soul. Dear children, the enemy loves war and bloodshed. The enemy loves darkness and without more prayer, darker days will come. Many more wars will arise if the Gospel is not spread.

Begin today and live, live the Gospel. Begin today by truly being an example to those around you. Begin today and pray more, for many hearts will be transformed by your prayers and actions. Your prayers and sacrifices are so much needed throughout this world. Begin today and join hands and pray the Rosary. Pray together with your family and teach others to do the same.

Love one another and allow Jesus to reign in your homes. Consecrate your family to my Son's Most Sacred Heart and to My Immaculate Heart. Allow Our Hearts to be your refuge and strength. Spend time with Jesus and adore Our Lord in the Most Blessed Sacrament. Peace will then be given to you and you will receive the strength needed to do God's Holy Will. Amen.

MESSAGE #2575 from the Blessed Mother January 12, 2004

My daughter, Many messages have been stopped throughout the world, so tell my children they need to be grateful. They need to be grateful that God has allowed these messages to continue so that I can teach my children. These messages cannot be taken lightly, all must repent and believe in God. All must take heed to the Gospel and amend their ways. A response is truly needed so my children are prepared to see their soul.

If my children don't act soon, they will feel much sorrow when they see how many wounds they have added to Jesus' Most Precious Body. They will suffer tremendously if they are living in mortal sin, so I tell my children today to examine their conscience and then go to Confession. I ask that my children be honest and not hide their sins. I ask that they be truly sorry for their sins and do penance each new day.

If my children truly want to be forgiven, then they must turn to God with an open heart. They must strive hard to obey all of God's commandments. They must turn away from sin and seek God's guidance. They must work on those areas where they are weak and reject all that is evil. Yes, each child must do their part in order for change to occur in their life.

Please, dear children, respond now so that I can lead you closer to my Son's Most Sacred Heart. Pray every day to the Holy Spirit so you come to know God's love and truth. Through your response and a repentive heart, you will come to know God's love and mercy. Now, please repent and amend your ways by making reparation for your sins. Look into your souls and be truthful honest children. Spend time with Jesus and allow His love to penetrate your hearts. Take my hand each new day and trust, trust in my motherly love and intercession.

This is the time to pray and trust. This is the time to prepare, prepare your soul. This is a time of great mercy, so please turn to God and turn away, away from sin. Amen.

MESSAGE #2576 from the Blessed Mother January 14, 2004

My daughter, Miracles will happen, so please continue to pray and offer your suffering to our Lord. Continue to pray and intercede for those who are suffering in any way. Continue to do God's Will and believe, believe that God hears your prayers. Never doubt in what God can do, for He knows what is best for each child. Through your suffering and persecution, believe that God's hands are upon you. Believe, so you do not lose hope or confidence in our Lord. God's love and blessings are truly pouring down upon those who pray and who do God's Holy Will.

Dear children, please walk in faith and trust in God's plans. Trust by truly living the Gospel, for that is what you are each called to do. Through your prayers, example and sacrifices, God will truly, truly bless you. Live as God's pure instruments and I promise you, your reward will be great. Your love for Jesus will grow and you will mature in holiness.

The road ahead will be much more difficult, so please respond, respond today. Live these messages and do what I have been teaching you. Increase your time to be with Jesus and then share your love of knowing Him. Share your love and your joy so more will awake in this time of preparation. Through your suffering, you will have peace if you remain close to Jesus' Most Sacred Heart. You will not give in to those against Christ if you remain faithful to our Lord. There will be many who will try to deceive you, so please study scripture and then allow the Gospel to become imbedded in your heart. Satan knows his time is short and he is doing all that he can to pull you away from Christ. Be on guard and receive the Sacraments as often as you can. In this way, you will have the grace needed to say "no" to the enemy. No harm will be done to those who take refuge, refuge in Our hearts, so be at peace and carry joy in your heart. Be at peace and do not worry, for God will not abandon you. Some days will be more difficult, but if you stay close to Jesus you will have the grace to persevere.

Now, please do all that you can now for Jesus so you are ready and prepared. The Rosary is your weapon, so continue now to pray the Rosary each new day. I am here today, your Heavenly Mother, because I truly love and care for you. So be wise and take heed so that I can lead you closer to my Son, Jesus. Amen.

MESSAGE #2577 from the Blessed Mother January 16, 2004

My daughter, In order for there to be unity, my children must love, love one another. They must be kind and compassionate towards those around them. They must take a look at themselves and work on those areas where they are weak. They must repent if they are living in sin and amend their ways.

One must pray for those who are choosing darkness, instead of seeking revenge. In the end, God will be the judge, so please, please love one another. Please be loving and reach out to those in need. By your prayers and actions more will come to know our Dear Lord, Jesus.

It is time now to let go of pride and be humble, loving children. If you carry pride or hatred in your hearts, then you cannot be true followers for Jesus. If you gossip or speak harsh words to your brothers and sisters, then you are not imitating Christ.

Each of you must spend time with Jesus if you truly want peace in your hearts. Without quality time with our Lord, it will be impossible to live these messages. Without prayer time, God cannot direct you. God is truly there for those who come to Him. God is merciful and truly loves all His children. God will teach you if you truly open your hearts to Him.

Now, please pray for peace and unity and be an example to those around you. Live in harmony so that God's love flows through your hearts. As your Heavenly Mother, I plead with you today to love one another as Jesus loves, loves each one of you. Amen.

MESSAGE #2578 from the Blessed Mother January 20, 2004

My daughter, In order for souls to be saved, you must continue to carry your cross with joy. You must continue to write and then share all that is imbedded in your heart. You must stay strong, strong for Jesus. Satan truly wants you to give up, for he knows souls are being saved through your obedience to God. When you feel confused, turn to Jesus and allow Him to guide you. Allow my Son to embrace you with His merciful heart. No one can take Jesus away from you, so please stay close, close to Him.

So many today do not want to wake from their slumber. They do not want to turn to God because they do not want to give up their sinful ways. They are choosing the easier road, which is not healthy for their soul. In time they will have to answer to God and they will suffer if they do not repent and amend their ways. So many today think they can hide their sins from God.

My daughter, tell my children that God sees everything. God sees how His children are behaving, for He sees deep within their hearts. God knows what is best for each child, so one must trust and believe in God's love. A trusting heart is how one will be led closer to God. A trusting heart is what is truly needed today.

In order to trust, my children must turn to God. They must pray and take time to hear God. They must let go of their worldly ways and obey, obey God. They must let go of pride and any hurt and be humble, submissive children. The road to recovery is not difficult if my children give their life to God. A wounded heart can be mended with God's loving assistance. A change of heart can occur if my children depend on God.

So, today I plead with my children to trust and believe in God's merciful love. I plead with those who are living in sin, to repent and take heed to the Gospel. I ask that you pray more and obey all of God's commandments. I ask that you take these messages seriously, for they will help you live a pure and holy life.

Now, please let go of your ways and do not allow Satan to destroy your soul. Be humble, loving children and do what God is asking of you. Do all that you can for my Son and be brave soldiers for Christ.

In time you will see your soul, so prepare, prepare now. Cleanse your soul and convert before it's too late. Believe, believe in the Gospel and do not allow yourselves to fall into temptation. Take my hand while there is still time and I will truly assist you on this earth.

Now, please embrace my love and live in God's love and peace. Amen.

MESSAGE #2579 from the Blessed Mother January 22, 2004

My daughter, In order for there to be peace in this world, my children must pray. They must bind their Rosaries around this world. They must pray together in their homes and love and forgive one another. Evil cannot exist wherever there is prayer and true devotion to my Son, Jesus.

I am asking my children today to persevere no matter how dark this world becomes. I am asking for more prayer, so please persevere in all your trials and difficulties. Your suffering is truly necessary to convert the world. Your suffering will truly help save souls. Offer all your sufferings for those who are rejecting my Son. Pray the Rosary every day. Pray together as a family. Through your prayers and sacrifices other families will come to know God. Through your commitment to pray every day, innocent lives will be saved.

If you truly want to take part in saving souls, then reach out and pray more. Reach out in love and teach others how to pray. So many today do not understand the importance of prayer. So many today are neglecting their soul. So many are on the wrong path and they need much prayer.

Prayer is truly needed around this world, so please, please dear children, respond today. Respond today, for the earth is trembling and it will open in many areas. Volcanoes will erupt which will cause the earth to tremble more. Much devastation will continue to happen if my children continue to disobey God. Only prayer can lessen the severity of these events. Prayer is your weapon, so I plead with you, pray with love in your hearts. Pray for all your brothers and sisters and intercede for those who are not living their faith. Abandon yourselves to God's Holy Will and trust, trust in His merciful love.

Now, please come to Mass more often and receive the Eucharist more reverently. Come and you will be fed the truth and God will truly strengthen you. It is time now to take hold of your life and to keep your soul pure. Begin, begin today and cleanse your soul, and welcome each cross that comes your way.

I will truly walk with you if you pray and allow me to assist you. I am here to protect you, so please respond and do what God and I are asking of you. Please respond, for prayer and penance is how souls, many souls, will be saved. Amen.

MESSAGE #2580 from the Blessed Mother January 23, 2004

My daughter, Darker days will come if my children continue to choose darkness. Much more evil will enter this world if man refuses to repent and live a life that is pleasing to God. This world is truly in trouble because so many hearts have become cold. Cold hearts is what will bring destruction to this world. Violence and many more wars will arise if man does not repent and turn to God.

It is time now to get down on your knees and pray, pray more. It is pertinent that you join hands and pray the Rosary properly. If you meditate on the mysteries of the Rosary, your prayers will truly come from your heart. I say to each of you, do not rush through your prayers. Meditate on each mystery of the Rosary so that your focus is on God. Do not just mumble words, think about what you are saying.

The Rosary will have a powerful effect on those who recite it faithfully. The Rosary has helped save many souls and it has had victory over many wars. There are many promises through praying the Rosary if you recite it properly. The Rosary is the weapon against Satan, so please do not ignore my heavenly pleas. Gather your family and pray it daily and you shall have peace. Gather in your Church and pray the Rosary from your hearts.

Make better use of this time and pray, pray more. Pray each new day. Pray for peace. Pray for your Priests, for Satan is truly attacking many. Pray for family unity, for there is much turmoil in many homes. Pray for this world so more wake up before it's too late. Pray for those who are choosing darkness, for without a repentive heart, many will see the fire of hell. Many will truly suffer when God shakes this earth.

Now, please listen to my motherly requests and respond, respond now. Respond now, for time is short and many today need your prayers. Today is a day to fast and to pray, so please do your part so more repent and turn to God. Amen.

MESSAGE #2581 from the Blessed Mother January 26, 2004

My daughter, Remember always that each day is special when you walk with God. Each new day is a gift from God, so be thankful for each new day. Through your obedience and willingness to suffer, God has extended this time for me to be with you. I am with you today in a very special way, so feel my presence and my love for you. I am holding you ever so near to My Immaculate Heart.

I will do the same for those children who take refuge in my heart. Those who repent and who turn to God will feel my presence. They will feel my presence as I am ever so near to my son, Jesus. I am here to assist all my children, for I am truly a mother to each one of you. I am here because of God's great love for you. I am here to help my children, for so many are on the wrong path.

So many souls are in danger due to lack of faith and trust in God, so today I ask that my children continue to gather and pray in those groups that I have formed. I ask that you remain prayerful and share those gifts that God has blessed you with. I ask that you be loving, humble children and welcome those who come to Mass and Rosary. I ask that you pray for Priests, for they are truly God's chosen sons. I ask that you respect them and be kind and compassionate towards each Priest.

My Priests need to feel your warmth, for many work long hours. They need encouragement so they stay strong for the road ahead. Without God's chosen sons, you would not be able to receive all the Sacraments, so be grateful and pray more for all religious. Be grateful for your Most Holy Pope, for he is truly guiding his flock. He is a true shepherd who has been chosen for these times. He is a victim soul and how he suffers for all humanity, so please, please pray more for your Most Holy Pope and all religious.

Please continue to live these messages, for they are truly God's gift to each of you. Please remain prayerful, for it is through your prayers and willingness to suffer that God is showing mercy to your country. Your prayers have lessened what is coming your way, so be grateful and spend more time adoring our Lord. Amen.

MESSAGE #2582 from the Blessed Mother February 2, 2004

My daughter, Continue to pray and offer your suffering to our Lord so more souls convert before it's too late. Prayer is truly needed to help convert hearts. Prayer is truly needed, for many of my children live in darkness. So many children are living in sin. So many are not on the path that will lead them to Heaven. Sin has become widespread, so please, please pray more.

Take hold of your children and teach them in the proper way. Tell them that God truly exists and that He is truly loving and forgiving. Teach your children now, for many are living in mortal sin. Many are not obeying all of God's commandments. Many are making up their own rules to fit their lifestyle. Many are not taking heed to the Gospel and are sleeping during Mass. So many do not believe that Jesus is truly present in the Holy Eucharist.

Please, please dear parents, form your children now. Gather your family and pray, pray the Rosary. Set an example for your children so they come to know the truth. There is no longer time to be ignoring your children, so please respond today. Teach your children all that I am teaching you. Prayer must begin with you, so turn to God and ask, ask for His guidance. Ask God to help you in this time of tribulation. Ask God to help you be the parents He intended you to be. Ask and God will truly, truly assist you.

Now, let us pray that more parents will take hold of their family before it's too late. Let us pray for all souls living and deceased. Let us pray each new day, for again I say to you, prayer is truly needed all around this world. Prayer is truly needed, so please respond, respond now. Do all that you can to save souls. Do all that you can by truly being an example to those who are choosing darkness.

I am truly here to teach you, so please, please respond today. Amen.

MESSAGE #2583 from the Blessed Mother February 3, 2004

My daughter, God is love. God is merciful and He truly understands all that you are going through. You will feel better in days to come, so be at peace and know that We are with you. Be at peace and continue to offer your suffering for those who do not believe in God's love and mercy.

Those who are choosing to walk alone do not have peace. They do not have peace because they do not turn to God for consolation. They do not feel God's love because of their refusal to embrace Him. How difficult it is for one to walk alone.

Jesus must be at the center of your life. He is a patient and compassionate God who loves you very much. Each of you need to go before Him with confidence and trust, trust in your hearts. You need to trust in His love for you and ask, ask for His assistance. You must understand that you are weak without God's help. You must understand that when you turn to God, you receive His grace. Nothing can be accomplished on your own. Each time you pray, my Son is truly with you. Each time you come to Mass, Jesus gives Himself to you when you receive Communion.

My Son has given you the gift of life and He desires that you imitate His ways. Please desire Jesus and turn to Him each new day. Rely on God and not yourself if you truly want peace and happiness. Let go of your ways and thirst, thirst for Jesus. My Son waits for you to come to Him, but very few ask, ask for His assistance. So many today continue to crucify my Son when they choose darkness.

It is time now to truly live this message so that you can come to know my Son's love that He has for each of you. Will you respond wholeheartedly or will you deny God's love? If you choose the path that will lead you to Heaven, my Son will protect you. He will save you from darkness and He will truly console you.

I plead with my children today to rely on God. You have been truly blessed by God to receive words from Heaven, so please, please respond today. Change your ways and follow Jesus and believe, believe dear children, in His love for you. Believe and conform to His ways which are that of love and truth. Amen.

MESSAGE #2584 from the Blessed Mother February 5, 2004

My daughter, If my children truly loved Jesus, they would spend more time with Him. They would pray throughout the day and converse with God. They would not be afraid of sharing their love of knowing Jesus. They would not lose hope or worry, worry about the future.

Dear children, your first love must be God if you truly want to blossom. You must adore Our Lord and follow His way of truth. You must be grateful for all that God has given you and strive to be humble, loving children. Please imitate Christ and take heed to the Gospel. Live all that you are being taught so that you truly come to know Our Lord in this time of preparation.

Be more prudent with your time so you stay close, close to Jesus. Do not allow the world to add busyness to your life. Set time aside each new day, kneeling before Our Lord. You can do this by truly building a chapel in your homes. All you need is a crucifix and a quiet corner to kneel before Our Lord. Each of you can do this if you truly want to spend quiet time kneeling and adoring Our Dear Lord, Jesus.

Today I must remind my children, for so many spend such little time with Jesus. Many spend endless hours entertaining themselves with their material wealth. This is why so many children are being led further away from God. Take a look today at how much time you spend with Jesus. Take a look and then take hold of your life. If you feel distant from God, then increase your time to be with Him. If you feel alone, then take Jesus with you wherever you go. Invite all the Holy Angels and Saints to be present in your home. Call them by name and they will surely assist you.

Now, please let go of the noise that surrounds you and be silent so that you can truly, truly hear God. Through silence, God will give you the wisdom needed to be more prudent. This time is so precious, so do not delay. Give more time to Jesus and adore Him each new day. Amen.

MESSAGE #2585 from the Blessed Mother February 9, 2004

My daughter, Many changes will occur and all will need to be strong, strong in their faith. All will need to persevere no matter how dark this world becomes.

In order to persevere, you will need to be strong warriors for Christ. You will need a true relationship with Jesus so you clearly hear Him. If you doubt in God's love, you will not understand His mercy. If you do not trust in His love, then you will lose hope.

I say to each of you, remain close, close to Our Heart and pray for wisdom and strength. Pray that you do not give in to those who do not understand God's love, mercy and grace. Pray that you do not give in to those who do not understand my role on this earth.

Pray, pray dear children, for I am truly preparing you for the road ahead. I am truly here to guide you closer to my Son, Jesus. I am here now because of God's love for you. I am here now to assist you on this earth. Those who take my hand will be taught the truth. I am here to wake those who are not on the right path. Difficult days will come, so begin today and practice all that I am teaching you.

Amend your ways and live, live more simply. Gather weekly in those groups that I have formed and come to Mass and pray, pray the Rosary. Allow each mystery of the Rosary to become alive in you. Meditate on our Lord's Passion and be truly sorry for your sins. Repent and do penance for your sins. Take part in healing Jesus' wounds, for how He suffers due to the sins of this world. Do not give excuses for your actions. Be humble, loving children. Be true to God and let others know how much you love Him. Forgive those who have hurt you by allowing God to heal your heart. Conversion will then happen and others will see Christ in you.

The way is forward, so please stay close to my Son's Most Sacred Heart. Stay close to my Son so you are protected from all evil. Stay close and never let go of my hand, for I am truly here to assist, assist my children. I am truly warning my children today that without a strong faith and willingness to do what is right, the road ahead will be difficult for you.

This is the time of preparation, so be wise and live these messages so you never give in to the enemy. I have but little time to remind you, so please respond and obey Almighty God. Respond even on those days when you feel tired, for through your response, you will be strengthened.

Today is a day to gather, so please pray and join hands and truly live your consecration with love and joy in your hearts. Amen.

MESSAGE #2586 from the Blessed Mother February 11, 2004

My daughter, Continue to be obedient to God and do what He is asking of you. Continue to write and share all that I am teaching you. Continue to share from your heart and live each day for Jesus.

Each new day, pray the Rosary and pray, pray for your Most Holy Pope. Pray that more of my children will take heed to the messages that are being given all around this world. The truth must be made known, so tell my children to go forth in love and witness their faith. Tell my children not to be afraid to witness their love of knowing Jesus. If each child does their part in saving souls, conversion will happen. More will come to know Jesus in this time of God's love and mercy.

I ask that each of you trust in my motherly intercession, for I am truly here to assist you. Each time you pray the Rosary, I am truly, truly there for you. Each time you turn to Jesus, I am ever so close to His Most Sacred Heart. I am truly present wherever there is true devotion to my Son, Jesus. I truly love all my children and I hold you ever so close to My Immaculate Heart. I love my Priests, even those who are refusing my motherly assistance. I want each of you to remember, you are all my children and I truly, truly love you.

Today, give thanks to God for allowing this time for me to be with you in such a personal way. Amen.

MESSAGE #2587 from the Blessed Mother February 12, 2004

My daughter, My children must march in unison. They must join hands and work, work together. They must be loving and forgiving and not fight with one another.

In times to come, you will need each other, so please do not harbor hate in your hearts. Do not gossip; instead pray, pray for one another. Through prayer you will have peace, and darkness will not rule your lives. Evil loves darkness, so please, please live the Gospel.

Live the Gospel so that this love of knowing Jesus shines through you. Your actions must be that of love and holiness. Your actions must imitate Christ each new day. If you desire to be like Jesus, then you must be humble, loving children. You must be truthful and willing to change in those areas where you are weak. Your words and actions must be that of love and peace. Strive hard to be faithful to your commitment to pray, pray daily. Come to Mass more often and receive Jesus. Cleanse your soul and do penance daily for your sins.

Darkness will prevail without more prayer and acts of love. This world will truly suffer if man does not repent and amend their ways. Yes, destruction will happen if man chooses darkness and continues to live in sin.

Now, please let go of your ways and turn to God with all of your needs. God will then give you the strength to be the children He intended you to be. God will give you the grace needed to work in love and unity. Amen.

MESSAGE #2588 from the Blessed Mother February 16, 2004

My daughter, Many today are choosing to walk alone. They do not include God because they do not pray. Without prayer and a true relationship with Jesus, one will become entangled by the serpent's tail. Satan is strong and he will truly grasp those who have allowed themselves to become distant from God.

My daughter, this is why it is so important to make these messages known to all your brothers and sisters. These messages are that of love and truth, and the truth must be made known. All must wake up in this time that has been allowed by God. All must turn to God and believe in His love and mercy. These messages are God's way to wake those who are sleeping. If these messages were not from God, they would have ended long ago. My daughter, this is why it is so important to write each time I come to you. For each time you write, they are truly imbedded in your heart. Each time you write, souls will be saved.

God is truly using many in these times, but due to lack of faith many are not listening. Many are denying God's ways because they do not want to change. Change takes time, so I plead with my children, amend your ways now. Turn away from sin and rely on God's loving assistance. Come to Mass and take heed to the Gospel. Take heed to the Gospel and obey, obey God now. Listen to your Most Holy Pope, for he is not afraid to make the truth known. This Pope is truly being guided by God, for he has been chosen for these times. Be wise and listen carefully so you come to know the whole truth.

There is no longer time to be ignoring God, so respond now. Come to know my Son in a deeper way so you grow in holiness. Take my hand and I will truly help you. Return to God and join me in prayer. Seek to be like Jesus and I promise you, your life will change. Please respond now and look to Jesus for knowledge, wisdom and truth. A response is truly needed, so please look to Jesus and desire to live a pure and holy life. Amen.

MESSAGE #2590 from the Blessed Mother February 18, 2004

My daughter, A true warrior is one who does not deny Christ. In order to be true to God, one must go forth and be willing to be persecuted for sharing their faith. One must not hide their love of knowing Jesus.

I ask that my children take heed to this message today so more come to know my Son, Jesus. I ask that you keep your hearts open and embrace the love being offered by your Heavenly Father. In doing so, this love will flow, flow through you. By your example, more will come to know my Son.

Please, dear children, put on your armor of faith and rescue those who are sleeping. Reach out in love, not fear, and make the Gospel known. You are all God's chosen children and you each have work to do. You must come out of hiding and do your part for the salvation of souls. You must use this time wisely and believe that time is short on this earth. You must believe that this is a time of special graces, but this time will not last.

There will be punishment for those who are choosing darkness. There will be punishment due to so many innocent lives being destroyed. God's Justice will prevail and I am warning my children, you will need to be prepared and in a state of grace. Woe to those who are hoarding their wealth, for it will be taken away. Woe to those leaders who are leading others astray. Woe to those who are not obeying God's commandments. Each of you must examine your conscience and then ask yourself; are you picking and choosing which commandments to obey?

So many today are truly, truly on the wrong path. So much evil has been accepted and is truly corrupting this world. Do not think your country will be spared, for evil is widespread. My heart truly bleeds for my children, for I see behind closed doors. I see how many of my children are behaving, yet so many are refusing to amend their ways. How I weep, weep for those Priests who are not shepherding their flock.

Today, is the day to wake up, so please, please dear children, respond and live these messages today. Do penance for your sins and convert before it's too late. Pray and fast, for this time is critical and change, change must happen soon. Pray unceasingly and start fasting, for this is what will lessen what is coming your way.

My message has not changed, so take heed to God's warning. Be light to this world by truly living the Fatima message. I am here for all my children. I am your Mother, Mother of Grace. Amen.

MESSAGE #2591 from the Blessed Mother February 19, 2004

My daughter, Spend time with Jesus so you do not lose hope or confidence in our Lord. Quiet time is needed so that you can truly hear God. Without quiet time, you will become distracted by the world. Keep your focus on Jesus and He will fill you with His love and grace.

I say to all my children, be silent and increase your time to be with our Lord. Let go of all that is preventing you from spending quality time with Jesus. Let go of your worldly ways and allow my Son to guide you. Turn to Jesus throughout the day and you shall be given the strength needed to endure your trials and difficulties.

If you truly want to grow in holiness, then you must listen to what I am telling you. You must respond and keep your focus on my Son so you are not distracted by the noise and busyness in this world. Now, please pray and give my Son your whole heart, for He truly, truly loves you. Those who have faith and who trust in my Son will never stop loving Him. They will grow in holiness and will not be distracted by the noise and busyness of this world.

Now, please be thankful and loving children, and give all honor and glory to God. Be thankful and turn to God, for He will truly guide you if you allow Him to be first in your lives. Amen.

MESSAGE #2592 from the Blessed Mother February 23, 2004

My daughter, I am with you in a very special way, so please continue to write each time I come to you. Write and then pray that these messages will touch the hearts of those who read them.

Time is short for saving souls, so please pray that more will take my hand so that I can assist them. Pray that more will come to know the truth so they go forth and live, live the Gospel. Pray, pray for my beloved Priests so their hearts stay open to what God is asking them to do.

God has great plans for those who turn to Him with an open heart. God has great plans for those who accept His grace and who live the Beatitudes.

Lent is a time to prepare your hearts, so begin today so you truly understand all that my Son endured for you. Begin today and open your hearts so you carry your cross with joy. When you gather today, ask our Lord to help you open your heart. Ask and then listen to my Son speak to your heart so that change can occur, occur in you.

Now, please listen to my Son and give Him, today, your whole heart. Your hearts will then be transformed and you will have peace. Amen.

MESSAGE #2594 from the Blessed Mother February 24, 2004

My daughter, A good confession takes time. One must examine their conscience and be truly sorry for their sins. One must be honest and then work on those areas where they are weak. One must take time to prepare their heart and soul.

I say to my children, do not receive the Sacraments out of habit. Take quiet time before Mass so you are not distracted. Be prayerful children and begin your day with prayer so you truly hear God. Your focus cannot be on God if you rush through your prayers. Your focus cannot be on God if you do not spend time with Him. It is time now to turn to my Son and ask for assistance. It is time now so you are truly guided on this earth.

My Son waits for each of you to come to Him with an open heart. His Most Sacred Heart is loving, merciful and forgiving. He truly loves you and longs to hear from each of you. Please ponder my Son's love for you and accept, accept His love and grace. Open your hearts today and allow my Son to embrace you. Allow my Son to heal you so you do not become distant from God.

Now, please do not give in to Satan's worldly ways. Reflect on our Lord's Passion and prepare your heart and soul. Prepare, prepare now, for Lent is a time to truly come to know our Merciful Lord. Amen.

MESSAGE #2595 from the Blessed Mother February 26, 2004

My daughter, My children must not rely on you for answers. They must turn to God and spend time with Him. They must deepen their relationship with my Son so they become strong, strong in their faith.

Begin today by praying together as a family. It is truly God's desire that you join hands and pray. Through prayer, you will be strengthened and the answers will be given to each of you. Through family prayer, your relationship with Jesus will deepen and your desires will change. I am here today to remind my children, the importance of family prayer. I am here today to remind my children to look to the Holy Family as your example.

It is through prayer that you will be able to discern what is good and what is evil. So much is accepted today and this is truly confusing the youth. It is not acceptable in God's eyes for man to be marrying man. The Sacrament of God's love in Marriage is for man and woman. Marriage is a blessing from God so that one may bear children and raise them with good morals. Without more family prayer, much more evil will enter this world.

This world is truly changing because so many have different values from those of Christ. So many are making up their own rules because they do not want to obey God's laws. Many are refusing to obey true teaching. So many are on the wrong path because they are giving in to the world's wicked ways. Daily prayer together is essential in the family in order to combat evil. Please, dear children, obey each commandment and follow the path of God's truth.

I am warning my children today, for Satan is vicious and he is truly trying to pull families apart. Satan will gain more ground if parents don't live their vocation. Parents must be an example to this world by truly promoting family prayer. Parents, you must pray together, love one another and be open to life. You must spread the Gospel by truly living it. You must keep your eyes on Jesus and not allow yourselves to become distracted by the world.

Now, please join hands and pray together as a family. Pray and embrace God's commandments and live, live His love and peace. Amen.

MESSAGE #2596 from the Blessed Mother March 1, 2004

My daughter, If one wants to be a true follower of Christ, one must be willing to pick up their cross with joy. One must not deny Christ, they must be willing to suffer for our Lord.

Today, one must ask themselves, are you willing to be persecuted for sharing your faith? Do you hide your love of knowing Jesus or do you shine, shine for our Lord? I am here today to remind my children that you must let go of all fear and go forth and live, live the Gospel. You must go forth in love and truly share your faith. You must not sit back and be silent; you must speak the truth.

This world needs to know that sin continues to crucify my Son. Jesus' wounds are becoming deeper because so many are choosing darkness. So many today are living in mortal sin. Sin has become widespread because many today are refusing to pick up their cross and follow Jesus. Many are choosing darkness because they do not want to give up their worldly ways.

I weep today because so many are on the wrong path. Many are choosing hell because they do not want to repent or amend their ways. So many innocent lives are being destroyed because of pride and selfishness. Abortion is the greatest sin in this world. All of Heaven weeps each time an abortion is performed.

Please, dear children, weep with me today. Examine your conscience and be truly sorry for your sins. Repent and do penance for your sins before it's too late. Get down on your knees and pray, pray from your heart. Take part in healing Jesus' wounds. Stop complaining and accept each cross that is given to you.

God has allowed each cross for your salvation, so be thankful and let go of bitterness and fear. Be thankful for all trials, suffering and persecution, for God truly knows what is best for your soul. God knows what will truly help you. God knows how much each of you can endure. God is truly with you, so be brave and do your part for the salvation of souls. Do your part or you will feel the earth tremble more.

Now, please turn to Jesus and look to Him for strength, for you shall never have to carry your cross alone. Go forth as true believers and take heed, take heed to Heaven's call. Amen.

MESSAGE #2597 from the Blessed Mother March 3, 2004

My daughter, This world would not be in trouble if all my children would pray, fast and do penance for their sins.

I come today with the same message: repent and amend your ways, obey God and take time to be with Him, take heed to the Gospel and live each day for Jesus. I say to each of you, if you give your hearts to Jesus, your desires will change. Your love for Jesus will grow and your ways will become more pleasing to Him. It truly takes effort on your part and a true desire to follow Jesus. Will you please take heed to this message and respond, respond now?

Take a look at your life and then reform your ways. Be humble, honest children and let go of all that is displeasing to God. Take time to do this so that change can begin in you. Believe that this world will not last forever and that Heaven is your true home. Believe that my Son is truly present in the Eucharist so you spend time with Him and nourish and cleanse your soul. Believe, believe in the Gospel, for it is truly unfolding now.

Each of you are being molded and formed, so do not presume that you have control of things. God is in charge and He knows what is best for your soul. All will be accomplished in God's most perfect timing. All will soon know that God exists.

For now, you must live in harmony and be hope-filled children. You must obey God and love, love one another. You must seek the Kingdom of Heaven and work hard on this earth. You must continue to join hands and pray, pray together. You must not allow the world to confuse you. You must stay close to Jesus' Most Sacred Heart. You must spend a great deal of time in prayer and believe that your prayers truly reach the Throne of God the Father.

Now, please prepare your hearts, for a pure heart will be the greatest gift you can give my Son for Easter. Go now as God's chosen children and prepare the way for the coming of my Son Jesus. Amen.

MESSAGE #2598 from the Blessed Mother March 8, 2004

My daughter, All must be grateful for this time that God has allowed so that His children would repent and amend their ways.

One must ask themselves today, are you truly grateful, grateful for this time to turn your life around? Are you praying as you should and truly building your relationship with my Son, Jesus? The wise are those who are grateful, for they will truly come to know our dear Lord, Jesus.

Dear children, you must believe that time is short on this earth. You must believe that God is merciful and that He always warns His children first. Many warnings have been given, but yet so many are still sleeping.

Today, I plead with my children to take heed to the Gospel. I ask that you turn away from sin and live a life that is pleasing to God. I ask that you come to Mass more often so you stay close, close to Jesus. I ask this of you because it is impossible to walk alone. Each soul needs nourishment in order to stay healthy. True nourishment comes from my Son, not the world.

Please let go of pride and laziness and kneel, kneel before our Lord. Ask God to help you overcome your desires so that you grow in holiness. Ask and I promise you, God will help you let go of those things that are hard for you to give up. God is love and He truly cares for each of you. God is merciful and He is always there to assist you.

Please, dear children, allow God to be in charge of your life. Allow God to assist you so that change can occur in you. Don't wait to change your ways, turn to my Son now. Turn to Jesus and He will truly help you carry each new cross.

I plead with you once again, keep your hearts open to prayer, fasting and being obedient to my Son. Keep joyful hearts and do not allow evil to rule your life. Be open to all that God and I are asking of you and keep climbing God's Holy Mountain.

The way, dear children, is forward, so please pray, fast and do penance for your sins. Remain faithful now and avoid the things of this world which are hindrances to eternal life in Heaven. Amen.

MESSAGE #2599 from the Blessed Mother March 10, 2004

My daughter, Pray for the United States, for many are falling further away from God. Many are denying that God exists because they do not take time to be with Him.

In times to come, many will suffer because of their refusal to listen to God. Many will suffer because they will not know which way to turn when God shakes this earth. Evil has become widespread and God will not tolerate much more. There is so much unnecessary bloodshed. War exists in many parts of the world. So many innocent lives are being destroyed because so many do not cherish life. So many hearts are infected with sin, so that is why so many children are turning to drugs. Adultery and homosexuality is on the rise due to lack of prayer and obedience to God.

Jesus cannot help those who are not sorry for all their sins. If my children do not repent, then they are choosing to walk alone. So many souls are condemning themselves because of their refusal to repent and amend their ways.

I say to my children today, your lives must be transformed by prayer. You must pray unceasingly and do much penance in order for your hearts to be transformed. You must read Scripture in order to live it. You cannot live a life of sin and go to Heaven. You must obey God and live, live a holy life. You must obey each Commandment and reject Satan and all his lies.

Those who obey God will be filled with His love and peace. The love of God will truly dwell in their hearts. God's love and mercy will protect all who accept and live by His ways, so please, please dear children, abandon yourself to the shelter of God's love. Abandon yourself and turn to God with deep gratitude for His unending love. Amen.

MESSAGE #2600 from the Blessed Mother March 15, 2004

My daughter, Please continue to write and relay my words, for this is the time to repent and live, live the Gospel life. This is the time to truly come to know our Dear Lord, Jesus. This time is a time of preparation, so please do all that you can to assist me. I need this army of mine to go forth and be true warriors for Christ.

The battle is on, so please, dear children, join hands and rescue those who are sleeping. Time moves quickly, so be wise and reach out now to all your brothers and sisters. When God shakes this earth, all will happen very quickly. Much will be taken away and my children will need to be strong, strong spiritually. All will need to trust in God's love and mercy or they will panic. A true relationship with Jesus is how you will be strengthened for all that is to come. Those who are choosing darkness will suffer, suffer interiorly. Those who are choosing darkness will not have comfort or peace. Many will run in the wrong direction and they will be truly frightened.

I say to all my children, decide today to follow Jesus. Decide today, for in the end the bad shall be punished and separated from those who did good on this earth. Those who turned to Jesus will have the strength needed to face their trials and difficulties. Those who have total trust in God will have joy, peace and strength. They will be led to higher ground and will be comforted with God's love, peace and strength. God's mercy will flow and blessed will be those who are obeying God. Blessed will be those who are willing to suffer for the conversion of sinners. God will truly defend those who live and speak the truth.

Now, please go forth as faith-filled children and light the way for those who are choosing darkness. Desire what is good and be prayerful, loving, humble children. Amen.

MESSAGE #2601 from the Blessed Mother March 17, 2004

My daughter, Accept my Son's peace by accepting His Will for you. Continue to use those gifts God has given you so that more come to know Jesus. Each new day, offer your prayers and suffering to our Lord so more wake up from their slumber. Many are living a lukewarm life which is causing many to become distant from God.

I am asking all my children to pray the Rosary and meditate on the mysteries. I am asking for more prayer so more turn to God before it's too late. Many today are in need of prayer, so please, please pray more. Offer everything to God and seek His glory, not yours. Give up your leisure time and do more penance. Do more penance with joy and love, love in your hearts. Fast on those days that I am asking you to, for then your prayers become even more powerful. Prayers, fasting and penance will bring great salvation to many, many souls.

Conversion will truly happen if you do what God and I are asking of you. Each of you must pick up your cross with joy and do your part for the salvation of souls. This world will truly suffer more if you choose to be lazy. This world will see much more destruction if hearts remain cold to the truth. Prayer and penance is the only way to peace in this troubled world, so please do not wait for me to remind you, pray more. Pray for all your brothers and sisters around this world. Pray for all religious, for many are making up their own rules. Many are allowing evil to enter due to lack of prayer.

Please live these messages and pray, pray for peace. Pray throughout the day and live, live, live in holiness. Amen.

MESSAGE #2602 from the Blessed Mother March 19, 2004

My daughter, Tell my children to call upon St. Joseph, for he is truly there for those who ask for his intercession.

This world needs much protection, so remember to call upon Saint Joseph, for he has always been the protector of the Church and protector for families throughout the world. He is truly a model for fathers, as he was very humble and prayerful and dedicated his work to God.

Families today need to embrace St. Joseph and ask, ask for his intercession. Families need to join hands and pray the Rosary. Without prayer there can be no protection. Many graces are given to those who pray together as a family. Through family prayer, your love for one another will grow. Much peace will be given to you and there will be less turmoil in the home.

Please, dear children, make a commitment to begin praying together as a family. Pray in faith like little children and your prayers shall be answered. Prayer is what will combat evil. Prayer is the only way to peace in this darkened world.

Now, please stay hopeful and pray and surrender your hearts to God's holy will. Amen.

MESSAGE #2603 from the Blessed Mother March 22, 2004

My daughter, Peace comes from knowing Jesus. Until my children turn to God, there cannot be peace in this world. This world is in trouble due to lack of faith and trust in Almighty God. Due to lack of prayer, violence is increasing all around this world. Terrorists roam this earth waiting for their signal to attack. Many innocent lives will be destroyed if my children don't get down on their knees and pray, pray more.

Why aren't my Priests promoting more prayer? I have asked my Priests to lead the Rosary. I have asked them to join hands in those groups that I have formed. Where are my Priests? The Rosary can truly stop what is coming your way. More of my children would gather and pray if Priests would teach their flock the importance of praying the Rosary. I am truly asking for your assistance, for much prayer is needed around this world.

Please, dear Priests, let go of all fear and gather my children now. Without more prayer, you will see much destruction. Much more evil will enter this world if you ignore my motherly requests. Take time after Mass to pray the Rosary with your flock. Take time so more will stay to pray and meditate on the mysteries of the Rosary. Let go of your desires and I promise you, God will truly protect you. Let go of your worldly ways and make time to pray with your flock. A true leader is one who guides and shepherds those around them. A true leader promotes prayer, not war. True leaders are those who are faithful to God.

Dear Priests, this is part of your vocation, so please, please do your part. Let go of your free time and listen, listen to your Heavenly Mother. This world is in danger and I need your assistance. I need your assistance in order to stop what is coming your way. I plead with you today to truly live, live your vocation. Your hands and voice are needed in order to make a difference in this world. It is time now to join hands and pray for peace around this world. It is time now to teach your flock the importance of family prayer. Time is running out, so please take this message seriously. Please do your part, for when you pray together, your prayers are even more powerful. I will assist you each time you pray, pray with your flock.

Now, please take my hand and be true warriors for Christ. Take my hand and walk with me and use your hands and voice for Christ. Today you must begin, for I say to you, prayer is truly needed around this world. Amen.

MESSAGE #2604 from the Blessed Mother March 24, 2004

My daughter, I am here to remind my children because so many are allowing the world to add busyness to their life. So many are running in so many directions that they have no time for God. So I say to my children, slow down and make time for God. Take time to pray and converse with God. Take time to listen as God speaks to you so you do what God is asking, asking of you. Many do not hear God because they don't take time to listen. God truly speaks to all His children, but it is up to each individual to listen, listen to their heart.

In order to grow and blossom for our Lord, you must make time for prayer. You must let go of your worldly ways and truly serve our Lord. You must embrace each new cross and carry it with joy. You must obey God and live according to His Word. You must trust in Jesus with your whole heart. If you truly trust in my Son, then you will respond when He calls you to do His works of mercy. You will be obedient to His call if you trust and give your entire life to Jesus. You will be drawn closer to my Son through your response and love, love for Him.

My dear children, I am truly here to bring you closer to Jesus. Through your obedience and love for my Son, He will bring you to God the Father. For this to happen you must detach yourselves from the possessions of this world. You must let go of your earthly desires and truly seek God. You must let go of pride and selfishness and be open to God's Holy Will. You must let go of fear and be willing to carry your cross. It does take effort on your part and willingness to be persecuted for living your faith. This is how you will be led to holiness. This is how you will become more disciplined and obedient to God's call. Without discipline and effort and trust, Jesus cannot draw you closer to your Heavenly Father.

Each of you have work to do, so please respond to all that I am teaching you. Respond with love in your hearts and be loving, merciful and compassionate. Turn to God each new day and ask the Holy Angels to assist you to do God's Holy Will.

Now, be confident in God's love for you and make a sincere effort to change and be more like Him. My prayers are truly with you, so go forth in Jesus' name. Amen.

MESSAGE #2605 from the Blessed Mother March 26, 2004

My daughter, Today is a day to meditate on our Lord's Passion, so please pray and fast and meditate on the sorrowful mysteries of the Rosary. Through your prayers and sacrifices, you will help heal Jesus' wounds. One must never deny the pain and agony that Jesus endured for each of you. My Son's wounds were deep, yet He suffered in silence. Jesus bled profusely, yet He picked up His cross and suffered, suffered for humanity.

Dear children, please follow the ways of my Son. Embrace all your crosses with love and joy in your heart. Embrace each new cross and offer your suffering to our Lord. Each time you do this, you are truly embracing my Son in His Passion.

Please, dear children, surrender your hearts to my Son and be humble and pure. Turn away from sin and live, live a holy life. Do penance for your sins, for then you will be taking part in healing Jesus' wounds. Much strength will be given to those who live this message. By truly living all that I am teaching you, you will desire purity and holiness of heart. You will not have to suffer long in Purgatory if you do your part in healing Jesus' wounds. Through prayer, sacrifice and penance, you will be imitating Christ. Through prayer, sacrifice and penance, God will truly help those souls that you offer your prayers and sacrifices for.

Now, please kneel before our Lord and meditate on our Lord's Passion. Meditate on our Lord's Passion and be willing to suffer with love in your soul. Pray, pray the Rosary together and believe that this will truly help you live your vocation according to God's Holy Will.

Go now as prayerful children and let my words and all that I am teaching you penetrate your hearts. Amen.

MESSAGE #2606 from the Blessed Mother March 29, 2004

My daughter, This is a time of grace, so please tell my children to prepare their hearts through prayer and quiet time with our Lord. Tell my children this is a time of preparation and one should not waste this precious time. Time moves quickly, so please come to know Jesus in a deeper way. Come to know our Lord so you have peace through all trials and storms.

Dear children, I am here now to assist you. I am here to help each one of you, in a personal way, to embrace God's Holy Will for you. My time to be with you will not last, so please trust in my motherly intercession. Take refuge in My Immaculate Heart and I will truly lead you closer to my Son, Jesus. I will light the way if you let go of darkness. I will shower you with my grace if you obey God and allow my words to penetrate your hearts. Oh, dear children, if you only knew my love for you.

There is a great trial coming your way, so please turn to God now so you have the proper armor for each new battle. Turn to God and repent, so your soul is pure and clean. Don't allow Satan to entangle you with his tail; rebuke him, for he is full of lies. Satan wants you to believe that God does not exist. Are you listening to Satan? Are you living simply or are you giving in to worldly ways?

If you do not have peace in your hearts, then you must build your relationship with Jesus. You must repent and amend your ways. You must come to Mass more often and cleanse your soul regularly. You must pray together as a family and unite your hearts to God's Holy Will. You must pray more and receive the Sacraments often. You must choose whose side you want to be on and ask God to strengthen you each new day.

There is no longer time to be living a lukewarm life. There is no longer time to be ignoring God's warnings around this world. Time moves quickly, so please turn your life around. Do all that you can to live, live a holy life. Today, I must remind my children, for many are still sleeping. Many are giving in to the ways of the world. Many do not believe that hell exists and are living in mortal sin.

Please wake up now, for the earth can only tremble for so long. Evil is truly entering this world, so please join hands and pray. Pray for unbelievers. Pray and gather in those groups that I have formed. Amen.

MESSAGE #2607 from the Blessed Mother March 31, 2004

My daughter, Please listen to me and live, live my messages. By your example, more will come to know my love for them.

Many today are refusing to take my hand. Many today are refusing to live my messages. Many are not listening to the Gospel because in their heart they do not want to change. This is why there is so much sin in the world. This is why the earth is trembling now. If man does not wake up soon, much will be taken away. Many will suffer if they continue to choose darkness.

I say to all my children, open your hearts and live, live my messages. Open your hearts and obey, obey God. Amend your ways now and do penance for your sins. Believe in the Gospel and spend time with Jesus. Spend time with my Son, for then your hearts will open and you will have true peace.

I plead with my children today. I ask that you take refuge in the Sacred Heart of Jesus and in My Immaculate Heart. I ask that you pray together as a family and teach your children to love and obey Almighty God. Invite your children to spend time before the Blessed Sacrament, for this will truly help them come to know my Son. Teach your children about the power of prayer so they pray, pray more.

So many do not realize that Jesus is truly present in the Eucharist. You must all become teachers and relay my messages around this world. This will help wake those who are sleeping. This will remind my children that they have a soul and they must care for it in the proper way. Yes, all must wake up before it's too late.

Now, please fast and pray so more convert in this time in which God has allowed. Please do your part for the salvation of souls. Please assist me now, for I am truly here for each of you. Go forth now as true believers and fast and pray in reparation for your own sins and for the sins of those who are furthest away from God. Amen.

I say to my children, go forth and share your love of knowing Jesus. Go forth now, for this time will not last forever. Many souls are still in danger, so please rescue those who are entangled by the serpents tail. Your example and words of love will truly help those in darkness. So many today are living in sin and they need to hear the truth. They need to know that God exists and that He truly loves all His children. Your prayers and sacrifices are truly needed for the salvation of souls.

The Church needs your love and prayers, so continue to join hands and pray, pray the Rosary together. Pray for your priests, for they are truly God's chosen sons. Do not criticize those priests who are sleeping, instead, pray for them. Pray and love, love one another. Pray for my beloved Pope, for he truly suffers and endures much pain. His life is in danger because many terrorists roam this earth. His life has been filled with many crosses and thorns because he speaks the truth, so every day pray, pray for your Pope. Unite together in the love of my Son, Jesus. Discipline yourselves now so that you may grow in truth and blossom for our Lord. His truth is the only way, so please be true disciples for our Lord.

The dawn is near, so please walk in faith and believe that God is truly, truly with you. Walk in faith and believe in God's love that He has for each of you. Amen.

MESSAGE #2610 from the Blessed Mother April 7, 2004

MESSAGE #2615 from the Blessed Mother April 20, 2004

My daughter, All must ask themselves, is there love in your hearts? Is there love in your homes? This love of knowing Jesus must be spread across this world. In order for this to happen you must allow God's love to enter your hearts. You must love God more than your desires. You must let go of any hate or bitterness and be forgiving children.

It is time now to truly live these messages so that God's love can truly shine through you. Please do not criticize or judge one another. Be merciful, humble, gentle and kind. Love unconditionally. Love all your brothers and sisters and forgive those who have hurt you.

Through your actions, God's love will multiply in you. God will use you in many special ways if you love, listen and obey.

Now, please love one another as a family and support each other in a loving way. Love God above all else and accept His love that He has for each of you. Amen.

MESSAGE #2616 from the Blessed Mother April 21, 2004

My Daughter, Keep your focus on Jesus, for then the enemy will flee. It is so important to keep writing no matter what others think of you, for time is short, short on this earth.

All must come to know Jesus before it's too late. These messages will help those who have become lukewarm in their faith. These messages will truly help those who are choosing to walk alone. These messages will touch the hearts of those who are choosing darkness. These messages are the truth and those who open their hearts to them will come to know God's love and mercy.

My daughter, I ask that you continue to be obedient to God and share, share your blessings with others. I ask that you continue to pray and fast for world peace. I ask that you continue to teach others all that is imbedded in your heart. I ask this of you, for you have been chosen to make the truth known. Many today have been chosen to do great work for our Lord, but very few are willing to be persecuted for sharing their faith.

Dear Priests, you too have been chosen to make the truth known. I say to you, live your vocation and let go of fear. Teach my children the importance of obeying the Ten Commandments. Teach my children the importance of receiving the Sacraments in the proper way. Tell my children there is no excuse for sin and that one day each person will have to answer to God. Don't tell stories at the pulpit, speak the truth. Let your flock know that time is short on this earth and all must do their part for the salvation of souls. All must repent and live, live the Beatitudes. All must come to know Jesus in a personal way in order to truly live the Gospel. So many children are sleeping and they need to hear the truth.

Wake up, dear Priests, and live your vocation now. Lead your flock in prayer and teach them the importance of praying the Rosary. Teach them how to truly meditate on each mystery of the Rosary. Let go of your leisure time and teach, teach, teach your flock.

Sin has become widespread because so many are not hearing the truth at the pulpit. Many are making up their own rules and are not living their Catholic Faith. Parents are not teaching their children; they are allowing the world to raise them. Many families no longer pray together. Many families do not spend quality time together. Many are in denial that God exists. Many parents are on the wrong path and are leading their children astray. How I weep when I see what is happening around this world.

I weep because so many Priests are giving in to the world. Many today are not listening to God. Very few spend time adoring our Lord. I am here to remind you today, for God has been warning you for some time now. This is the time to harvest souls. This time cannot be given back to you. Will you tend to your flock? Will you listen to my motherly pleas?

Much is coming your way. Are you prepared to answer to God? Terrorists will attack

when you least likely expect, so please respond and assist me, for I am a mother to each of you. Be obedient now and share your blessings with others. Be obedient and use your hands and voice for Christ. God will truly, truly bless you. You are truly God's chosen ones, so please put your trust in my Son, Jesus. Amen.

MESSAGE #2617 from the Blessed Mother April 23, 2004

My daughter, Listen, listen to your heavenly mother, for I am truly here to assist you. I am here for all my children and they too must live the Gospel. They must obey God and not give in to temptation.

The road ahead will not be difficult if you each turn to God and live, live these heavenly messages. Much peace will be given to those who listen and who live their faith. The enemy will flee each time you pray and turn to God. The enemy will lose power each time you gather and pray, pray from your hearts. The enemy can do no harm if you stay close to Jesus' Most Sacred Heart.

Today, I must remind my children that evil exists. I must remind my children that if you allow your lives to become too busy, you will fall further away from God. If you allow the world to pull you in so many directions, you will not hear God. I say to my children, slow down so you have more time to be with God. Let go of your worldly activities, for this will not give you happiness on this earth. Only God can give you true happiness. Do not allow Satan to distract you from this joy and peace.

Turn to Jesus each new day and stay close, close to His Most Sacred Heart. Stay close to Jesus and you will learn to resist temptation. God will be your strength and you will truly, truly have peace. Live your consecration and you will be protected from daily temptation. You will live in holiness if you truly obey and honor God. This is a time of great tribulation so you must stay close to Jesus.

Many more changes will occur and many, many will be persecuted for living their faith. Much division will take place as many more Catholics are not living their faith. Many today are giving in to the evil one. Many are making up their own rules which is causing much destruction. Many Catholic families no longer pray together. Parents are not open to life because of selfishness and pride. This is why abortion is on the rise. This is why terrorists roam this earth. This is why evil has entered this world. This is why you are seeing so many earthly changes around this world.

God cannot assist those who are living in mortal sin. God cannot assist those who are choosing hell. Wake up, dear children, and repent now if you are not living your Catholic Faith. Repent and amend your ways or you will see even greater destruction. Turn to God and ask, ask for forgiveness. Turn to God and allow Him to be in control of your life. Let go of your desires and make more time to be with Jesus. Let go now so that change can occur in your lives.

Get down on your knees, for there is no longer time to be sleeping. See the signs that are happening around this world. Many countries are at war with each other and China is getting ready to strike. You have no idea what is taking place behind closed doors. Sin is truly destroying this world, so please listen, listen to my heavenly pleas and respond, respond today. Do your part to bring peace and unity to this world. Do your part; pray

more and live, live your Catholic Faith.

This message is for all my children, so please light the way and remove the darkness that is truly covering this world. Amen.

MESSAGE #2619 from the Blessed Mother April 26, 2004

My daughter, Many today are not obeying God's Commandments. Abortion is murder and it is not acceptable in God's eyes. All of Heaven weeps when they see so many innocent lives being destroyed. It is not man's choice, who should live and who should die. Abortion is on the rise due to disobedience to God's laws.

All must take a stand for life and make the Gospel known. If man continues to destroy life, they will see much more destruction. God will not have mercy on those who are choosing to live in mortal sin. God will not have mercy on those who know the truth and who refuse to defend life.

Bishops must not remain silent. They must shepherd their flock and make the truth known. They must let the world know that abortion is murder. They must defend life and teach others what is morally right and what is morally wrong. Bishops must teach the truth to all their brothers and sisters.

Dear Bishops, there is no longer time to be ignoring what is happening around this world. Each time an abortion is performed, the earth trembles more. It is time now to use your hands and voice for Christ. It is time for you to wake your flock, for many are living in mortal sin. Many are making up their own rules and are picking and choosing which Commandments to obey.

Dear Bishops, many, many Catholics are sleeping and they need to hear the truth. It is your turn now to go to the pulpit and wake your flock. Make the Ten Commandments known and pray, pray for an end to abortion. Make the word repent known, for many are living in mortal sin. Be firm and let the world know that hell exists. Sin is sin and you can no longer be silent.

I am addressing Bishops now because many Priests are sleeping. God truly needs your assistance, so please do not ignore Heaven's call. There cannot be world peace when abortion is on the rise. There cannot be unity when so many are not living their Catholic Faith. Jesus' wounds are bleeding profusely, so please, please do your part for the salvation of souls. Pick up your cross and be willing to be persecuted for making the Gospel known. Pick up your staff and be true leaders.

The greatest sin in this world is abortion, so please do not be silent. Defend life by truly using your hands and voice for Christ. I will assist you, so please do not be afraid. I will assist you, for I am truly here now to wake those who are sleeping. I am your heavenly mother, so please do not ignore my messages that are being given around this world. The truth must be made known, for there is no longer time to be silent.

This world is in danger, so please be true shepherds and guide your flock. Time is running out, so please do not delay. Time moves quickly, so please pray and then do your part for the salvation of souls. Amen.

MESSAGE #2620 from the Blessed Mother April 27, 2004

My daughter, Move forward with joy in your heart, for God's love is everlasting. Each time you gather and pray, souls are saved. Each time you pray from your hearts, I am with you in a very special way.

Today, I ask that you trust in my motherly intercession, for I am truly here to assist you. I am here to assist those who take refuge in my heart. I say to each of you, do not lose hope. Do not allow your trials to draw you away from My Immaculate Heart. Do not allow the world to fool you. Trust, trust in my motherly intercession.

Live each new message with love in your hearts. Be light to this world, be the reflection of my Son. Live your consecration and embrace God's Commandments. Persevere each new day no matter how dark it becomes. Many hearts today are filled with darkness, so persevere and pray, pray for God's mercy and strength. Persevere in your prayers and be humble, loving children.

Now, please go forth and share God's love around this world. Amen

MESSAGE #2621 from the Blessed Mother April 29, 2004

My daughter, Pray for those souls who are furthest away from Jesus. Pray, pray for the conversion of your country. Pray for the world, for so many are choosing darkness. Repentance is needed in this world, for many continue to live in sin. So many are not obeying God's Commandments. A great chastisement will come sooner if man does not wake up.

I continually plead with my children to turn away from sin, but many refuse to listen. Many are refusing to change their lifestyle. Many, many are living in mortal sin. So many hearts are full of hatred, jealousy and pride. So much killing and bloodshed because so many do not have peace in their hearts. Suicide is on the rise because so many do not know Jesus. Satan is attacking many because of their refusal to wear the protection God and I have given them.

I cannot keep repeating myself, so please reflect on the beginning messages. Bless your homes often with holy water and say, say the Saint Michael prayer. Wear a crucifix, a scapular and blessed medals. Armor yourselves each new day. Come to Mass and cleanse your soul regularly. Do penance every day and truly be sorry for your sins. Spend time with Jesus and ask, ask for assistance. Take Jesus with you wherever you go and invite all the Holy Angels and Saints to be in your home. Do what I am asking of you, for this will truly keep evil away.

Those who wear a scapular and who live their consecration are truly consecrated to My Immaculate Heart. Those who pray the Rosary from their heart will truly feel my presence. Their prayers will be answered in the way that is best for their soul. They will truly be protected by my mantle if they live a holy life. Please let go of pride and pray and meditate on the mysteries of the Rosary. Pray every day so you stay close, close to Jesus' Most Sacred Heart. Please pray and allow my messages to penetrate your hearts.

Today I plead with you, stop sinning and pray, pray more. Reconcile before it's too late and amend your ways now. Stop crucifying my Son. Repent and be converted. Trust in God's love for you and allow Him to transform your heart. Allow God to guide you on the path that will lead you to Heaven. Ask the Holy Spirit to enlighten you so you stay strong, strong for our Lord.

Now, please pray with me and do not give up on my motherly requests. Pray with me and you will truly bring joy to My Immaculate Heart. Pray as a family and pray your Rosary every day. Pray and armor yourselves and stay close, close to Our Hearts. Amen.

MESSAGE #2622 from the Blessed Mother May 3, 2004

My daughter, These messages are for all my children. They are tools to help my children grow in holiness. They are being given to wake mankind before it's too late. They are being given all around this world because of God's love for you.

These messages are the Gospel, so please let go of fear. Let go of fear and respond to all that I am teaching you. Let go of fear, for I am truly here to assist each of you. Let go of fear and accept my love that I have for each of you. Much joy will be given to those who respond to my motherly requests. Those who believe in the Gospel will know that these messages are true, for they will guide my children on the path that will lead them to holiness. They will truly help those who open their hearts and who desire to be fed the truth.

The truth must be made known, for so many today are sleeping. Many are not listening to the Gospel because of their refusal to come to church. So many have become blind to the truth. The Ten Commandments are being ignored because man does not want to change, change their lifestyle. Many find it easier to live in sin, which is pulling them further away from God.

Today, I plead with my children to pray more. Pray that more will take heed to the Gospel before it's too late. Pray for conversion, for so many hearts have become cold. Pray for all your brothers and sisters, for each person has a soul. Pray each new day and go forth and truly, truly live the Gospel.

Pray, dear children, for much destruction is taking place all around this world. Violence in the family is growing stronger every day. There is no love or respect in so many hearts. So much violence, so much bloodshed because so many have turned away from God.

Please be light to those who are choosing darkness. Be compassionate and love those who are suffering in any way. Be humble, merciful children by truly imitating Christ. Be prayerful and receive my Son often so you have the grace needed to do what is right. Turn to God each new day so you have the strength needed to respond to my urgent requests. Pray the Rosary faithfully, for this will truly keep you close to My Immaculate Heart.

Now, please listen to me and do your part for the salvation of souls. Listen and respond and give all honor and glory to Almighty God. Amen.

MESSAGE #2623 from the Blessed Mother May 5, 2004

My daughter, Do not feel alone in your suffering, for I am truly with you. I am with you wherever you go, so be at peace. Each new day offer your suffering to our Lord, for this will truly help those souls who are living in darkness. Each time you write, souls are being saved. They are being saved because you are being obedient to God.

These messages are truly waking those who are not living the Gospel. These messages are God's way to wake mankind. Those who take heed to what I am relaying to you will be drawn closer, closer to my Son, Jesus. Those who take part in making these messages known will be truly blessed by God. So I say to my children, remain obedient and steadfast.

I say to my beloved Priests, make these messages known. Share all that is imbedded in your heart so more repent and turn their lives around. Tell my children the truth, for there is no longer time to be silent. Do not wait for God's Justice to prevail; live your vocation now. Tell my children to obey God. Tell my children to obey each Commandment. Tell my children to cleanse their soul so they have the grace needed to live these messages.

Dear Priests, the warning will come and you will each see your soul. If you have been living a worldly life, then you will suffer tremendously. If you have only been working part time for God, then you are not living your vocation. Every day, souls need to be saved, so please, please pray more and assist my children. Live the Gospel to your fullest and be loving, humble Priests. Do not be judgmental; assist your flock. Keep your church doors open and live a priestly life. Do not give in to the world; be responsible and live, live your vocation. Time is running out and each soul needs to be in a state of grace. God has blessed your hands, so please use them by truly embracing each child that comes to you. A great awakening will come. Will you be ready?

Now, please do your part for the salvation of souls. Do your part by truly living the Fatima message. Allow my Son's peace now to dwell, dwell in your hearts. Amen.

MESSAGE #2624 from the Blessed Mother May 7, 2004

My daughter, Time and time again, I remind my children to stay close to Jesus. Without God's assistance, one cannot stay strong, strong for our Lord. Without more time for prayer, one's focus will not be on our Lord. Many today fall into Satan's traps because they do not pray throughout the day. Without God's grace and assistance, it is impossible to walk alone.

Dear children, let go of the noise of the world and make more time to be with Jesus. Come to Mass so that God can refresh you. Come to Mass and listen to the Gospel so you stay on the path that will lead you to Heaven. You will be truly blessed if you let go of your desires and make more time to be with Jesus. You will be fed the truth if you stay close to Jesus' Most Sacred Heart.

Discipline yourselves now or it will only become more difficult for you. Discipline yourselves now so you have the grace needed to live holy lives. The world is no longer safe, so please, please take refuge in Our Heart. Desire to please God by truly making time to be with Him. Surrender yourself to His Will so that change can occur in your life.

Now, please believe that when you are loyal to God, you will receive many graces. Please believe that God exists so you turn to Him each new day. Amen.

MESSAGE #2625 from the Blessed Mother May 10, 2004

My daughter, Tell my children to take shelter in Jesus' Most Sacred Heart. Those who take refuge in His Heart will have peace through all trials and storms.

I have been warning my children not to wait for storms to arise, but to take shelter now in Jesus' Most Sacred Heart. I have been warning my children to turn to God now so you are each prepared for times to come. Without a personal relationship with Jesus, you will not know how to trust or confide in Him.

Please, dear children, take heed to my motherly advice. Let go of your desires and make more time to truly come to know my Son. Trust in Him completely and turn to my Son throughout the day. Allow Him to guide you, for then you will be taught the truth. Don't ignore God's wisdom and strength. Accept His love that He has for each of you. Let go of your hurts or whatever is preventing you from truly coming to know my Son, Jesus. Let go and allow God to be first in your life. Have confidence in Jesus and you will have peace of heart.

Now, please wake up and take heed to what I am telling you. Wake up and return to God now. Study His Word in the Scriptures and believe in the Gospel. A response is truly needed, so please turn to God and build your relationship with Him now. Accept His words of truth and trust, obey and honor God. Please, please respond now, for God is truly waiting to see who will answer His call. Amen.

MESSAGE #2626 from the Blessed Mother May 11, 2004

My daughter, I ask that my children turn to God instead of their wealth. Your material possessions cannot give you true happiness, so please let go and allow God's love to enter your hearts. Open your hearts and allow God to enter more deeply. Open your hearts so that God can work more powerfully through each of you.

Begin today and live your life as I did, in humility, obedience and complete trust in God. Through prayer, this can be accomplished, so please, please pray daily. Join hands and pray with one another and live, live the Beatitudes. Love one another so that God's love can be spread across this world. Through love and prayers, you truly become an instrument of God's graces.

Please put these messages into practice so more come to know our Dear Lord, Jesus. Please pray more and do not wait for me to remind you. Pray the Rosary each new day and bind your prayers around this world. This world is in need of prayer, for many are truly offending God. So few truly live these messages. Many read these messages, but very few live them. Many do not pray from their heart. Many only ask God for more wealth. Many pray for conversion for others, but are unwilling to change or look at themselves.

I say to each of you, examine your conscience each new day. Do not run to Confession until you truly examine your conscience. Ask God to help you see yourselves as He truly does. Through prayer and total submission to God, you will see results. You will come to know your weaknesses and you will have a change of heart.

In order to preach the truth, you must live it. In order to live these messages, you must let go of fear and pride. You must repent and amend your ways if you want to be true followers and servants for our Lord. Much penance and atonement for your sins must be done before you are purified. Many, many suffer in Purgatory because of their refusal to change in those areas where they are weak.

Satan is at work and he is truly trying to lure you away from my Son. Satan has many subtle and diabolical traps and you must be aware of this. You must not become too busy or you will not have time for God. You must let go of your worldly ways so you have more time to come to Mass and pray. You must pray more and take heed to the Gospel. You must obey all of God's Commandments, not just those that are easy for you. You must not judge your brothers and sisters, for that is not your role on this earth. Be loving, humble, obedient children.

Now, please listen to my motherly requests and respond today. Separate yourselves from the ways of the world and all forms of materialism. Shut your TVs off and make time to pray together as a family. Live your Catholic Faith and do not compromise with the world.

Accept my heart as your refuge and I will truly, truly assist you. Accept my love that I have for you by truly living these messages. God has appointed me to be your mother, so please, please respond so that I can tenderly lead you to my Son, Jesus. Amen.

MESSAGE #2628 from the Blessed Mother May 13, 2004

My daughter, There would not be war if my children would live the Fatima message. Due to lack of prayer and disobedience to God, there is much fighting taking place all around this world. There is much destruction because so many carry hate in their hearts. Greater wars will arise if my children do not get down on their knees and pray. Much more bloodshed will occur if my children do not turn to God.

Many families are at war with each other because of their refusal to pray and turn away from sin. I see so much turmoil taking place around this world. I see turmoil in many homes because parents are not living their vocation. Fathers are not being responsible; they are allowing their children to do as they please. They are sleeping and have forgotten that they are to be head of the home. So many fathers have become weak in their faith because they are giving in to this darkened world.

Fathers, please take hold of your family and live, live your vocation now. Be an example to your children by truly living a holy life. Imitate Christ by the way you act, speak, pray and live your life. Be patient and loving towards all members of your family. Please rebuke Satan, for he truly seeks to enter your hearts and home. Please set time aside to pray the family Rosary, for then I promise you, Satan will flee. Through prayer, you will grow together in harmony and your desires will change. Through prayer conversion will happen and there will be family unity.

Fathers, I say to you, do not neglect your family. Set rules and abide by them and seek God's guidance each new day. My Son will give you the grace to make your home a place of peace and love if you respond and do what we are asking of you. Again I say to you, be an example of holiness to your family. Be true fathers and allow God to be in control of your heart so that He can reign as King of your family.

Now, please consecrate your home to us and truly live, live your consecration. By truly doing this, my Son and I will help you, dear fathers, so that your home becomes a place of holiness, peace, joy and love. Amen.

MESSAGE #2629 from the Blessed Mother May 17, 2004

My daughter, I am truly with you. I am present whenever you pray. Each time my children gather and pray the Rosary, my heart is filled with joy. Never doubt that you are alone, for I am truly with you when you gather and pray.

I am asking all groups to spend time before the Blessed Sacrament. Come together in your prayer groups and kneel before our Lord, for then you will be given the strength needed to persevere. My Son will truly be with you and the evil one shall have no power over you. Your love for Jesus will truly grow if you spend quiet time adoring our Lord. Your prayers and example will truly soften the hearts of those who do not understand my role on this earth.

Jesus, who is truly present in the Blessed Sacrament, waits patiently for each child to come. My Son is pouring forth upon the earth great mercies, so please thank Him each time you come to visit Him. I am ever so close to my Son, for Our Heart beats as one. Many graces will be given to those groups who come and adore our Lord in the Blessed Sacrament.

My role on this earth is to lead you to my Son, so please come to Mass. Please gather your group and spend time adoring my Son. Much strength will be needed for times ahead, so do not delay. Pray more, be faith-filled children and never, never cease loving my Son. Amen

MESSAGE #2630 from the Blessed Mother May 18, 2004

My daughter, Those who believe in God must obey His laws. Those who are breaking God's Commandments are not living their faith. Those who are promoting abortion are breaking all of God's Commandments. One cannot say they love God when they are choosing to destroy life.

How I weep when I see so many children making up their own rules. I weep because many today are taking the easier road. So many souls are in danger because they are refusing to obey Almighty God. So many innocent children are being slaughtered in their mother's womb, yet many remain silent.

I say to my children , those who support, endorse or practice abortion will suffer, suffer tremendously. God will not have mercy on those who are choosing death instead of life. Abortion is a horrible sin and many, many will have to answer to God. I say to my children, repent of your wicked ways. Stop killing, stop fighting and turn your lives around. Stop listening to Satan, for he is full of lies. Abortion and contraception is truly destroying the family.

Today, I must warn my children, for so many are giving in to Satan. If man does not repent and take a stand for life, God's Justice will prevail soon. The sky will darken and the sun will fall upon this earth. Arrows of fire will scorch this earth and each abortion site will be destroyed. Many will try to run, but they will have nowhere to hide.

It is time to wake up and take a stand for life. It is time to take heed to what your Most Holy Pope is telling you. He has been chosen for these times, so please, please listen to Him. Do not give in to those leaders who are promoting abortion. Do not go to those doctors who believe in abortion and contraception. They are not listening to God. They are not obeying God's Commandments. They do not have healing hands, for they are taking part in destroying life.

I have been warning my children for some time now, yet many are still disobeying God. America, you are being warned. Abortion is the greatest sin and destroyer of peace. If this world does not convert, you will face serious consequences. If man continues to destroy life, the earth will tremble, tremble more.

Your prayers are truly needed. Your hands and voice can make a difference in this darkened world. Let the world know that abortion, euthanasia and the practice of homosexuality are wrong. Let the world know by your prayers and example that God truly exists.

It is time now to protect the family, so please take part in saving souls. Amen.

MESSAGE #2631 from the Blessed Mother May 20, 2004

My daughter, It is so important that each child turns to Jesus and becomes dependent on His love and mercy.

There is no longer time to walk alone, you must turn to Jesus and come to know His love that He has for each of you. Without prayer and trust in Him, it is impossible to truly come to know my Son, Jesus. Many trials await this world because man has allowed so much evil to enter. When God shakes this earth, you will not have peace if you are choosing to stand alone.

I say to my children, prepare now. Come to know my Son in a deeper way. Come to know my Son now, for a great and bloody trial is about to shake the whole earth. Those who don't know Jesus will die of fright. Many, many terrorists roam this earth and due to war they will seek revenge.

I have been warning my children for some time now, yet many are ignoring my heavenly pleas. So many are still choosing to walk alone. Many are giving into the world. Many do not pray or acknowledge God. So many have allowed themselves to become distant from my Son, Jesus. So many today give such little time to God. Many parents, due to laziness, are not attending Mass. Many receive Jesus with mortal sin on their soul when they come to Communion. Many children today are falling into sin because their parents have not been an example to them.

A lack of response to these messages is why there is war. When one refuses to cleanse their soul, one is then not given the grace needed to live a holy life. When one refuses to pray, one is truly turning their back on God. When one refuses to obey all of God's Commandments, one is truly, truly ignoring God's laws. Conversion cannot happen if you are refusing to live the Gospel.

Repent, dear children, and do penance for your sins. Repent, repent now and turn to Almighty God. Let go of your selfish desires and amend your ways before it's too late. Accept what Heaven is telling you and live, live these messages. Accept my heart and my love that I have for you. Turn to my Son now and believe in all that is being prophesied. Turn away from evil and walk, walk toward Heaven.

I am here today to remind you of my Son's love for each of you. Will you turn to my Son or will you choose destruction of a third world war? Please, please dear children, convert and return to the Lord. Amen.

MESSAGE #2632 from the Blessed Mother May 24, 2004

My daughter, Prayer, prayer is truly needed all around this world, so continue to gather and pray, pray from your hearts. Before you begin to pray, ask God to help you be a more prayerful people. Ask God to remove any distractions that are preventing you from truly praying, praying from your heart.

When you pray, keep your eyes on Jesus, not those around you. Look at the crucifix and have confidence in His love that He has for each of you. Look at my Son's wounds and you will truly come to know His love and unending mercy. Trust, trust in His assistance and I promise you, you will experience true love and peace, peace in your heart. All fear and worry will leave you if you truly do what I am asking of you.

It is time now to truly keep your focus on Jesus, so please respond and turn to Him each new day. Respond like little children and be open, open to God's love. Deep faith and hope are truly necessary in order to become a more prayerful people, so trust, trust and believe that when you pray, God and I are truly with you.

Now, please gather as prayerful children and be thankful for each opportunity to be with my Son. Amen.

MESSAGE #2633 from the Blessed Mother May 25, 2004

My daughter, So many youth today are going deeper and deeper into darkness. They are joining hands with the evil one due to lack of faith and trust in God.

So many youth today need prayer, so pray, pray more for them. Rescue these children before it's too late. Take these children by the hand and teach them just as I am teaching you. Today, I must remind my children that the battle is on. The battle is on and Satan is truly attacking the youth. Satan is grasping those children who are not being cared for in the proper way.

Dear parents, you are responsible for caring for your children, so please listen and then respond today. Pray every day for your children and be an example to them. Through prayer and by your example, Satan will flee. Through prayer and truly living your consecration, my Son will live in your heart. When you have peace in your heart, it will be spread to the family.

Dear parents, armor your children with prayer, love and compassion. Teach them right from wrong and then pray that they will respond. Teach them how to pray by making time for family prayer. If your children are not taught, they will not know how to respond. It takes prayer, love and sacrifice and this is what I am asking parents to do.

There is no time to give up on your children, so please take heed to all that I am teaching you. Get down on your knees and ask, ask the Blessed Trinity to guide you. Ask and you will receive the guidance needed to be loving parents.

Dear parents, this is a time of grace for you, so please do not lose hope. Thank God for each new day. Thank God for your family. Now, please obey God's Commandments and take hold of your family today. Amen.

MESSAGE #2634 from the Blessed Mother May 26, 2004

My daughter, Blessed will be those who go forth and proclaim the Gospel. They will be truly blessed by Almighty God. Those who truly live the Gospel will be protected from the evil one.

Woe to those who know the truth but refuse to live it, for how they will suffer for turning their back on God. So many today continue to crucify my Son because of their refusal to live and speak the truth. Very few are willing to be persecuted for living their faith.

I plead with my children today, let go of fear and be light to this world. Let go of fear and teach others all that I am teaching you. It is time now to be true warriors for Christ. Work constantly to strengthen your faith in God and live, live holy lives. Receive the Sacraments often, for then much strength will be given to you.

Dear children, please understand that you are entering a time of great purification. You must prepare your hearts now and respond to the many messages God has so graciously given you. You must stand tall and live, live a pure and holy life. You must learn the truth and truly live your Catholic Faith. You must listen to your Most Holy Pope and not allow evil to enter your Church.

Can you not see what is happening around this world? Bishops against Bishops, Priests against Priests, children against parents and authority. This is all part of Satan's plan to destroy you. Parents are behaving like children and they are not living their vocation. A great darkness is covering this world because so many are not listening to God.

It is time now to put the Tabernacle and Statues back into Church. It is time now to say the St. Michael prayer, for you need this Archangel's protection. If you continue to remove the holiness from your Church, you will see much more destruction. You will see much more irreverence and impurity. Shame on those Pastors who have allowed their Church to become a social hall.

Knees must begin to bend, even if the kneelers have been removed. Man must get down on their knees and pray, pray more in Church. The Rosary must not be denied, it must be recited by all my children. It must not be hidden in a chapel, for all my children must join hands and pray it together.

I am warning my children today, for God is not pleased with what is happening in many churches today. God will not have mercy on those who are leading others astray. This message is your wake up call and soon, very soon you will have to respond. This world is in danger and man can no longer deny Heaven's pleas. All must repent of their wicked ways, for time is truly running out. A great sign will be seen from the heavens, but for many it will be too late if they continue to crucify my Son, Jesus. Convert, convert now and take refuge, refuge in Our Heart.

These messages are truly from my heart because I do not want to see my children suffer. Please, please share this message with the world so more repent and turn to Almighty God. Amen.

MESSAGE #2635 from the Blessed Mother May 28, 2004

My daughter, Continue to write, for these messages are important. All must come to know the truth before it's too late. All must relearn their ways if they truly want to be led closer to Christ. I am here to make the truth known, so please listen and then respond. Respond so that you can go forth and make the Gospel known.

I am here today to remind my children that Jesus is truly present in the Blessed Sacrament. Each child must spend time in Adoration if they truly want to grow and blossom, blossom for our Lord. Jesus waits patiently for His children to come and visit Him. He is truly giving His Heart to those who come and adore Him.

My Son, Jesus, truly loves all of you. Do you truly love my Son? If you truly love Jesus, then please, please spend time adoring Him. Come to Mass more often and cleanse your soul more regularly. Read Scripture and then allow God's Holy Word to penetrate your hearts. Live holy lives and use your hands and voice for Christ. Prepare yourselves by truly nurturing your soul. Surrender your will to the Will of God so you stay on the path that will lead you to holiness. Surrender yourselves completely to God and live, live the whole truth.

Do not compromise with the ways of the world. Do not compromise with those who are trying to change the Church. Do not give in to those who are not following the teachings of the Church. Do not give in to those who deny Jesus' true presence in the Eucharist. Do not give in to those who are not living a pure and holy life. Many, I say many, will try to confuse you, so be on guard. Stick to true teaching and listen, listen to your Most Holy Pope. Listen to those Priests who are not afraid to make the truth known and who are truly, truly tending to their flock.

Now, please be faithful to my Son and obey each Commandment. Be faithful and receive the Sacraments in the proper way. Prepare yourselves for the coming of my Son. Prepare now, for your soul must be in a state of grace.

It is time now for these messages to be spread, so please do your part by truly living them. Do your part and assist me so more souls see light instead of darkness. Amen.

MESSAGE #2636 from the Blessed Mother May 31, 2004

My daughter, My message to the world is to live your faith. Never lose hope and pray, pray, pray. It is time now to respond, so please, please do not delay. Trust in God and accept our heavenly pleas. Trust in God and live these messages of love, hope and joy. I invite you now to open your hearts so that love and unity can be restored around this world. Amen.

MESSAGE #2637 from the Blessed Mother June 1, 2004

My daughter, All that is from God will bear good fruit, so continue to write and share all that is embedded in your heart.

Continue to gather and be prayerful, prayerful people. Remain humble, simple and obedient to true teaching. Good will always prevail for those who pray and who stay close to Jesus' Most Sacred Heart. God's grace is bountiful, so persevere with hope, hope in your hearts. Be dependent on His love. Be dependent on Him like little children and you will be protected from all evil.

Now, please follow truth and be loving, peaceful children, for this is the path that will lead you to Heaven. Trust, trust in Him and you will truly see the wonders of God unfold.
Amen

MESSAGE #2638 from the Blessed Mother June 2, 2004

My daughter, Family prayer is truly needed all around this world. Many today have allowed themselves to become too busy for God. How can Jesus answer your prayers if you do not pray together as a family? I am asking today for more family prayer. I am asking that you set time aside each new day. In order to grow as a family, you must join hands and pray.

Please, dear children, understand the importance of family prayer. I, your heavenly mother, want to protect all my children, but if you refuse to pray, then I cannot assist you. I cannot intercede for you if you refuse to make time for God. You must each do your part so you grow in holiness. You must each turn to Jesus so that I can help you endure your crosses with love. Family prayer will truly strengthen you for the road ahead. God will see to all your needs if you turn to Him with a prayerful heart.

Trust, trust in my motherly advice and open your hearts and pray. Pray, pray to the Holy Spirit and I promise you, you will be assisted so the door of your heart stays open to all that God is asking of you. God is truly asking you to pray, so please, please dear children, get down on your knees and pray. Pray that more will come to know the importance of prayer. Pray for all families so they will join hands and make time for prayer. Pray for them and invite them to join you so prayer can be circulated around this world.

I am truly here today to remind you, so pray, pray dear children. Commit your lives to praying the Rosary each new day. Amen.

MESSAGE #2639 from the Blessed Mother June 4, 2004

My daughter, Be at peace, for I will be with you wherever you go. Be at peace and pray with me so more turn to God before it's too late.

I want to draw all my children closer to the heart of Jesus, but they too must do their part. They must pray and truly turn away from sin. They must live their consecration and take refuge in Our Heart. Those who stay close to Our Heart will not be deserted and they will truly be protected through all trials and storms.

I say to all my children, my Son truly wants to live in your hearts. My Son wants to dwell in you, but this cannot happen unless you open your hearts to Him. Love, true love of God, cannot abide in those hearts that are closed. Lack of faith and hope in my Son is why so many are not living peaceful lives.

It is time now to truly understand God's love for you, so please listen and then believe in His love for you. Jesus is truly here for each of you. Jesus' heart beats with love in every Tabernacle. His love is merciful, so please adore my Son. Spend time before the Most Blessed Sacrament and adore, adore my Son, Jesus.

Many graces flow from my Son's heart, so please believe and accept His love, grace and healing power. Believe and take refuge now in Jesus' Most Sacred Heart. Believe and accept Our love for you. Believe that Our Hearts are open, waiting, waiting for Our children to come.

My daughter, pray with me now and I will take your petitions to His Most Sacred Heart. Amen.

MESSAGE #2640 from the Blessed Mother June 9, 2004

My daughter, Be at peace, for I am with you. Use this time to pray and converse with God. Use this time to pray for those who are furthest away from Jesus. Prayer will truly help those who are sleeping. Prayer is truly needed all around this world. I am with you each time you pray, so be at peace and use this time to pray and converse with Almighty God. Amen.

MESSAGE #2641 from the Blessed Mother June 18, 2004

My daughter, It is time to write now so that more come to know our Dear Lord Jesus. Many do not know my Son in a personal way because they do not take time to pray. Many do not confide in God throughout the day because they are relying on the world for answers.

What I say to my children is that God is love. God is truth. God is truly there for those who turn to Him. God is truly there for all His children, for each child is so special to Him. If my children truly knew how much God loved them, they would confide in Him each new day; they would pray more and spend time adoring our Lord.

Please dear children, listen, listen to what I am telling you. Listen and then respond by truly opening your hearts so that God can enter in a deeper way. By truly opening your hearts, God can then enter and become part of your life. God wants to fill your hearts with love and joy, so please do not hesitate to open your hearts so that He can enter more fully. It is time now to open your hearts and truly listen, listen to God speaking to you. By truly doing this, you will come to know God's love and His Will for you.

Now, please open your hearts and listen, listen to my Son. Open your hearts and allow my Son to be your God. By truly doing this, you will find peace and you will come to know God's love that He has for each of you. Amen.

MESSAGE #2642 from the Blessed Mother June 21, 2004

My daughter, Those who want to remove The Ten Commandments do not believe in God.

In order to be true followers of Christ, one must obey all of God's Commandments. One must strive to live a pure and holy life. One must honor God and obey His laws. If one truly loved God, they would imitate Christ. They would examine their conscience and then work on those areas where they are weak. Today one must ask themselves, do I truly love God?

If you truly love God, then you cannot live a lukewarm life. You must repent of your sins and love God more than your desires. Your focus must be on Jesus. You must stay close to His Most Sacred Heart. You must ask my Son for assistance so you are guided on this earth. You must receive the Sacraments often so you have the grace needed to live a pure and holy life. You must never try to walk alone, for you are weak and truly need God's loving guidance and assistance. Jesus desires to give you His mercy, but you must ask and come to Him with love, love in your heart. You must trust, trust in my Son and believe in His love and mercy that He has for each of you.

Dear children, begin today and pray and spend time with Jesus, for it is through prayer that you will come to His love and mercy. Through prayer, your love for Jesus will grow and you will be able to grasp what God desires of you. Through prayer, obedience will follow and you will truly want to obey all of God's Commandments.

Prayer, prayer from your hearts, is necessary in order to change and grow in holiness, so be wise and turn to God and pray, pray each new day. Pray and allow God to guide you this very day. Amen.

MESSAGE #2643 from the Blessed Mother June 22, 2004

My daughter, I will continue to teach my children, but they must respond. They must live all that I am teaching them and stay close, close to My Immaculate Heart. They must not allow the world to pull them in so many directions. They must live simply and let go of their worldly ways.

One cannot grow without a response, so please respond and do your part so you blossom for Our Lord. Make time to pray and come to Mass so you have the grace needed to truly live these messages. It is very important that you pray every day so your focus remains on Jesus.

Keep your focus on Jesus and seek to live in His truth and in His love that He has for each of you. Be joyful little children and be loving towards those around you. Do not judge or gossip, be loving and patient with all your brothers and sisters. Be merciful and live, live the beatitudes.

A cold heart will turn others away, so please, dear children, respond and reflect on this message today. Practice all that I am teaching you and be an example to your children. Always, always follow Jesus. Follow His ways of faith, perseverance and love. Amen.

MESSAGE #2644 from the Blessed Mother June 23, 2004

My daughter, Be brave and move forward with love, love in your heart. Do not let the evil one place fear upon your heart. Write each time I come to you and share all that I am teaching you. Share with those who are still sleeping so they turn to God before it's too late.

Time moves quickly, so please, please dear children, use those gifts God has given you. Use those gifts God has given you so more repent and turn their lives around. So many are not being fed the truth so they are listening to Satan's lies. Evil has become widespread because many are choosing darkness. Many are ignoring these messages because they do not want to change their ways.

These messages are God's way to wake His children, so please go forth and share all that I am teaching you. Let the world know that there cannot be true peace until my children turn to God. Peace cannot exist if man continues to destroy lives. Division will increase if man does not strive for unity. All must join hands and pray. All must work together and live, live their faith.

Bishops must shepherd their flock. They must become teachers and live their Catholic Faith. They must stress the importance of receiving my Son in the Eucharist in the proper way. Many today come to Communion with mortal sin on their soul. Many are not being taught the truth that Jesus is truly present in the Eucharist. Many today are making up their own rules and they are not receiving God's grace.

Dear Bishops, dear Priests, assist me now. Assist me by truly waking your flock. Assist those whom you know are living in mortal sin. Teach them right from wrong instead of leading them astray. A true shepherd does not compromise with the world. A true shepherd obeys true teaching. True shepherds are truly needed all around this world. Many, many will suffer if they remain blind to the truth. Many, many more will suffer if they continue to live in mortal sin. Please take seriously my heavenly messages and become true teachers.

Please take heed now, for the time will arrive quickly and I will no longer be able to share my heavenly words. God has only allowed me so much time to wake His children. Please, I plead with you, respond, respond now. Please take heed to my call or you will see much more division and destruction. The earth can only tremble for so long before it shakes, shakes the whole earth. Please pray before my Son in the Most Blessed Sacrament. Implore His mercy and embrace all that He is asking of you. Pray and do your part for the salvation of souls. This world is in trouble, so please, please listen to what I am telling you. I am truly here for each of you, but you must listen, listen to my words and respond. Please listen to all my words of truth.

I love you and I am here now to assist you. Please understand, there are few who truly trust in God. There are few living in His faith. The time is now, so please, please respond

and go forth now and spread the truth. Amen.

MESSAGE #2645 from the Blessed Mother June 25, 2004

My daughter, New doors will be opening soon, so please go forth and share, share all that I am teaching you. Share your love of knowing Jesus so more hearts open to the truth. As I have told you before, these messages will be made known. They will be spread all around this world. They will touch the hearts of many and they will remind my children that they each have a soul that needs to be cleansed and nurtured.

God has chosen many to assist you, so please stay strong, strong for Our Lord. Stay strong and give all honor and glory to God, for nothing can be accomplished on your own. Blessed will be those Priests who are taking these messages seriously, for their reward will be great. Blessed will be those Priests who have assisted you, for they have truly helped heal Jesus' wounds. Without their help, new doors would not have opened. God is truly pleased with those who are making these messages known. God is truly pleased because many, many souls are being saved.

You are all very special to God, so please, please continue now to make the Gospel known. Stay humble and loving and I promise you, the harvest will be great. God loves you and has blessed each of you, so please continue to love God with your whole heart. Amen.

MESSAGE #2646 from the Blessed Mother June 28, 2004

My daughter, I am here. I am here for all my children, but I cannot help those who are choosing darkness. I cannot help those who are refusing to obey God's Commandments.

There is still time for repentance, but my children must decide now. They must turn to God and amend their ways before it's too late. They must accept God's love and mercy and truly live, live the Gospel. God will truly shower His mercy upon those who repent and who turn to Him.

My dear children, you cannot live in sin and say you know the truth. Sin is what separates you from God. Sin is darkness and it pulls you deeper, deeper into the pit. So many today do not understand the darkness that surrounds them. So many continue to live in sin because they do not want to obey all of God's Commandments.

I say to my children, wake up, wake up now. Obey God and turn your lives around. The day will come and you will each see the state of your soul. You will see how many wounds you have added to Jesus' Most Precious Body. What a terrible time this will be for those who are choosing darkness. Without a repentant heart, many will die of fright. Many will not be able to withstand knowing the truth about the condition of their souls. Many will have but little time to repent and turn their lives around.

Do not wait for the warning, repent and prepare your souls now. Turn away from sin and live a life that is pleasing to God. Examine your conscience each new day and then ask God to assist you so you can turn your life around. God will truly assist those who come to Him. God will forgive those who go to Confession. God will forgive those who are truly sorry for their sins and who do penance.

God is a forgiving God, but you must also do your part. You must repent and obey each Commandment. You must examine your conscience and truly live, live in God's light. You must pray and stay close to Jesus' Most Sacred Heart. You must be honest children and not make excuses for the way you are living. You must believe in God and choose the path that will lead you to Heaven.

Again I say to you, you must not deny the existence of God the Father. You must be true believers and build your relationship now with Jesus. You must pray every day and cleanse your soul regularly. You must convert and abandon your evil ways. Every day you must examine your conscience and turn away from sin. You must convert, convert now and not wait for tomorrow. Each new day is an opportunity to move closer, closer to God. You must use the protection God has given you and pray, pray more. The time will come and each child will see their soul. Will you be ready? Will your soul be in a state of grace?

Now, please take heed to this message and begin now to live a pure and holy life. Remain faithful to what the Holy Spirit is directing you to do. Come to Mass, cleanse your soul

and live, live the Gospel. Live each day for Jesus and open your hearts to His love and mercy. Do all that I am asking of you and you will have peace through all trials and storms. Abandon yourself to God and He will truly help you and guide you on this earth.

The decision is yours, so please be responsible and choose light instead of darkness. Be faithful followers of Jesus and live, live each day for Jesus Christ. Amen.

MESSAGE #2647 from the Blessed Mother June 30, 2004

My daughter, God's love is truly shining down upon His children, but they must accept His love. They must be true believers and believe that God exists. They must turn away from sin and obey, obey God. They must let go of pride and selfishness and be humble, loving children.

Many trials await my children, so I ask today that each of you take heed to my motherly advice. Much faith will be needed as days pass, so please repent and prepare your soul now. Take refuge in my heart so that I can lead you closer, closer to Jesus. It is time now to listen and respond. It is time now to take heed to the Gospel and truly respond to what my Son is teaching you.

The way is forward, so please turn away from evil. Turn to my Son and seek His forgiveness through Confession. Cleanse your souls and do penance for your sins. Spend time in Adoration adoring my Son. Spend time with my Son so you are not distracted by the world. Spend quiet time with my Son and examine your conscience, your sins will then be revealed to you so you make a thorough Confession.

God will truly speak to those who come to Him with an open heart. Miracles will happen if you place your trust in my Son. The answers will be given to you if you take time to be with my Son in Adoration. Jesus longs to hear from you, so please spend time with my Son and adore His Most Sacred Heart.

Prayer is union with God, so pray and kneel and adore, adore my Son. God cannot work through you if you do not spend time with Him. Through prayer, you will come to know my Son and conversion will happen. The Holy Spirit will fill your hearts and you will truly have the desire to be faithful to my Son.

Now, please renew your love to Our Lord and Savior, Jesus Christ, who is truly present in the Most Holy Eucharist. Take refuge now. Take refuge in Our Heart and live, live, live your consecration. Amen.

MESSAGE #2648 from the Blessed Mother July 1, 2004

My daughter, Peace cannot happen if my children do not join hands and pray, so today I am here to remind my children the importance of praying and meditating on the mysteries of the Rosary. The Rosary is for all my children, so please teach others how to pray and meditate on the mysteries of the Rosary.

Bind your Rosaries around this world, for so much evil has entered, entered this world. Sin has become widespread and it is truly destroying many souls. Sin has become widespread due to lack of prayer and disobedience to Almighty God. The way to combat evil is to pray and meditate on the mysteries of the Rosary. Pray from your hearts and truly meditate on each mystery, your prayers will then truly reach Heaven. Your prayers will give you peace and it will help those souls who are in danger.

Please, dear children, do not reject Our Lord. Do not be fearful of praying the Rosary. Be willing to be persecuted for doing what is right. In time, those who are not praying the Rosary will come to know the truth. They will come to know the importance of prayer, penance and sacrifice. Please be an example to those who are choosing darkness. Persevere, be faith-filled children and trust, trust in God. Take courage and be light, light to this world. Fear is not from God, for God is love and truth. Do not be frightened children, for I promise you my motherly protection. I will assist you and nurture you with the words of God. I will truly be there for those who accept my love and protection.

Now, please continue to gather in those groups that I have formed. Gather and pray, pray for peace in this world. Amen.

MESSAGE #2649 from the Blessed Mother July 6, 2004

My daughter, Prayer is truly needed around this world, so tell my children to pray, pray throughout the day. Tell my children to pray for those who are furthest away from Our Lord. Many today carry many wounds in their heart. Many have been hurt in the past so they are choosing to walk alone.

I say to my children, take refuge in my heart so that I can help you. Take refuge in my heart so that I can lead you closer to my Son, Jesus. Don't try to walk alone, for you need God's grace and assistance. God can truly mend your heart if you turn to Him. God can heal you in those areas that are preventing you from truly growing. God wants each of you to be happy and this cannot happen until you surrender and give your life to Jesus.

I plead with my children today to accept God's Will and trust, trust in His goodness. Accept God's love and He will truly give you peace. To be free, you must turn to Jesus and ask, ask for His assistance. True freedom comes from knowing Jesus, so please give Him your heart and allow Him to touch you in a very special way. Peace, happiness and holiness will then come and joy will fill your hearts. It is time now to let go of your hurts and to trust, trust in Our assistance.

Now, please take time for prayer and come to know my Son's love that He has for each of you. I love you, my children, so please take my hand now and trust in God's love and mercy. Be at peace and move forward now with courage and hope. Amen.

MESSAGE #2650 from the Blessed Mother July 8, 2004

My daughter, In times to come you will need each other, so continue to gather in those groups that I have formed. Continue to pray and be loving to all your brothers and sisters. Be true friends to one another and support each other through all trials and storms. Practice all that I am teaching you so you do not lose hope or give in to the enemy.

There are many today who want to destroy those groups that I have formed. There are many today who seek control and who do not pray. Their time will come and they will have to answer to God. No one can stop prayer, so I say to my faithful remnant, join hands and pray. Remain united in prayer, faith and obedience. Stay true to the Church and respond to what your Most Holy Pope is telling you. Do not compromise with the world, for I say to you, you will each have to answer to God. Pray your Rosary every day, for this is your weapon to combat evil. Pray in your homes and never, never cease praying. Satan has many followers, so I say to my children, be on guard. Use the protection God has given you and stay close, close to Our Heart.

Live the Gospel each new day and rebuke all evil. Follow the ways of unceasing prayer, penance and sacrifice. Obey each Commandment and be not afraid of persecution. Speak and live the truth and imitate Christ. Live simply and do not seek the pleasures and comforts of this world. Do not allow your material possessions to take over your life. Live like the Saints and keep your focus on Christ. Keep your hearts open so you can hear the Holy Spirit. Allow God to mold you so you are formed in the proper way. Live, live your consecration. Live it with joy in your hearts.

Now, please pray, pray the Rosary, for it is truly the greatest weapon in these times of unrest. I am truly with you, so be at peace. Be at peace and know that I, your Heavenly Mother, am with you. Amen.

MESSAGE #2651 from the Blessed Mother July 12, 2004

My daughter, I am with you, so be at peace. I will touch the hearts of those who are here tonight and they will truly feel my motherly presence. Blessed will be those who have opened their home, for they are true servants for our Lord. Go now and be an example to all your brothers and sisters. Amen.

MESSAGE #2652 from the Blessed Mother July 8, 2004

My daughter, listen, listen to my words and do not let others distract you. Write each time I come to you, for each message is for the world. In time, more will come to know the importance of these messages. In time, more will come to know the truth, for these messages will be made known around this world. Just as fire spreads, so too will these messages, for this is God's way to wake His sleepy children.

God's mercy will continue to pour forth across this land, but it is up to each child to accept His loving embrace. Blessed will be those who pick up their cross and follow Jesus. Blessed will be those who imitate Christ, for they will save souls. Blessed will be those who are humble and who are willing to be persecuted for sharing their faith. Those who repent and who are willing to suffer for Our Lord will truly, truly be blessed. They will have peace through all trials and storms. They will have joy no matter what comes their way. God will truly give them the strength to endure each new battle. Blessed, blessed will be those who prepare now and who are accepting God's love and grace.

I am here to remind my children that this time of preparation will soon end. Those who are denying Christ will suffer tremendously; they will not know which way to turn when God strikes this earth. Many will fall to their knees, but for many it will be too late. Those leaders who are not listening to God will see just how many souls they have destroyed. Those Bishops and Priests who are not speaking the truth will see how many souls they have led astray. All will see just how many wounds they have added to Jesus' Most Precious Body. All will see the crucified Christ as His Most Precious Blood pours down upon this world.

Please understand, I come to you because I am obedient to God. I am here for all my children because sin has become widespread. I am here to plead with you to repent, speak the truth and return to God. I have given so many messages because so many are not taking heed to the Gospel. God has only allowed so much time for me to assist, assist my children. So much evil is in this world due to lack of faith and trust in God. So many are joining hands with Satan and his followers. Many souls go to hell because they choose to live in mortal sin. Many today do not believe that hell exists. My heart is pierced each time a soul is lost.

Dear Bishops, dear Priests, teach your flock. Let the world know that hell exists. Let the world know that there are Commandments that one must follow. Let the world know what will happen if man dies with mortal sin on their soul. Don't only speak about Heaven, for many suffer in Purgatory. Many souls choose hell when they refuse to repent and turn to God.

Please, dear Bishops, God has given you the authority to wake your flock. Don't abuse it, speak the truth from your heart. Be firm, be strong and assist, assist my children now. So many are falling deeper into the pit and you must rescue them. I need your help, so please do not compromise with the world. Be true leaders. Be true and faithful to Almighty God.

Many more souls can be saved if you each do your part.

Time moves quickly, so I say to each of you, do not delay. Because my Son loves you, He has humbled Himself to allow me to come to you through these messages. Please accept His love and concern for you. Accept my motherly love and assistance. Accept what is happening around this world and look, look at the fruit these messages are producing. Don't close your eyes or ears, for these messages are tools to lead my children closer, closer to Jesus.

I am now pleading with you to use your hands and voice for Christ. The day will come and I say to you, all will need to be prepared and in a state of grace. Will you help me? Will you please accept these heavenly pleas? Let us pray now for peace, unity and harmony to be spread across this darkened world. Amen.

MESSAGE #2653 from the Blessed Mother July 19, 2004

My daughter, When you gather today, pray, pray from your hearts. Pray for peace all around this world. Pray that more will turn to God so they come to know the truth. Prayer is truly needed around this world, so continue to join hands and pray the Rosary. Continue to come to Mass, for the Mass is the greatest prayer.

If more would truly respond to these messages, change would occur. More of my children would have love, love in their hearts instead of hatred. Lack of prayer and genuine love is why there is so much turmoil in this world. I say to my children, evil cannot exist wherever there is prayer and love and mercy. If all my children would pray, there would be peace through love and mercy.

Much can be accomplished through prayer, but it will take a greater response. Groups, prayer groups, must continue to form around this world. Priests from every parish must promote prayer. They must take part in forming groups and leading my children in prayer. They must teach my children the importance of prayer from one's heart. They must lead the Rosary and meditate on each mystery. They must let go of their busyness and make time to pray with their flock. I have been asking my Priests to do their part so more would join hands and pray the Rosary. Some respond for awhile, but then they soon forget the importance of living their vocation.

I say to all my children, there is no longer time to be negligent in prayer. You must pray throughout the day. You must pray in your homes and in Church. You must make time for prayer and pray, pray unceasingly. You must take these messages seriously before it's too late. I am pleading with you today to pray, pray more.

Please respond and do your part now for the salvation of souls. Please focus on Jesus in the Eucharist and trust and implore His mercy. Please take heed, take heed now to my motherly advice. Change your ways and live, live in God's peace. Simplify your lives so you can truly, truly live these messages. You need to begin now. You each need to live the messages that have been so graciously given to you from God. Amen.

MESSAGE #2654 from the Blessed Mother July 21, 2004

My daughter, Each day is a great blessing from God. Each day one must be thankful for each opportunity to use their hands and voice for Christ.

I say to my children, be more thankful for each new day. Use this time that God has given you to help those in need. Many souls are in danger and they need to come to know Jesus before it's too late. Many souls are on the wrong path and they need to hear the truth so they turn their lives around.

Please, dear children, let go of fear and allow God's words to flow from your heart. Allow God to use you in a powerful way to rescue those who are sleeping. Don't abuse this time that God has given you to assist those who are living in sin. Don't be silent, speak the truth and be loving towards all your brothers and sisters.

Be loving and show your goodness through your actions. Be faithful, loving and loyal to my Son, Jesus. Be committed to Our Lord and seek His ways by being true followers of Christ. Open your hearts and be joy-filled servants for Our Lord. Bear the true cross and be willing to be persecuted for living and speaking the truth.

Don't live in fear, let the world know there is only one path; the path that will lead you to Heaven. Detours are not acceptable in God's eyes. One cannot live a lukewarm life and say they are on the path to Heaven. One cannot pick and choose which Commandments to obey. One must be obedient to Almighty God. One must live a pure and holy life.

Dear children, there is much work to be done, so please go forth and use those gifts God has given you. Go forth and proclaim the Gospel and strive each day to walk with Christ. All that you do for Our Lord will truly, truly glorify God, so please pray more and never, never lose hope. Amen.

MESSAGE #2655 from the Blessed Mother July 23, 2004

My daughter, God is merciful to those who give and who share their wealth. God will not have mercy on those who hoard due to lack of faith and trust in God.

Please, dear children, let go of your selfish ways and give, give to the poor. Learn to live more simply and remove the clutter in your homes. Trust in God's Divine Mercy and love, and be totally dependent on Him. Let go of your attachments, for then I promise you, your focus will be on God. Let go of all fear and worry, for if you give with your heart, God will provide.

Believe that God will take care of you if you truly live the Beatitudes. Be generous, compassionate and merciful, and give back to God all that is not rightfully yours. Be merciful and share with those in need. Be merciful and mercy shall be yours. Be true servants for our Lord, for that is what you are called to be on this earth. Do your best to serve one another and give, give with your hearts.

Now, please let go of your worldly attachments and trust, trust in God's loving care. Trust that God will provide if you do your part by truly helping those in need. A response is needed in every home, so please live simply and respond, respond with an open heart. Amen.

MESSAGE #2656 from the Blessed Mother July 26, 2004

My daughter, Each vocation is precious to God. In order for one to live their vocation, they must come to know God's love, peace and joy. One must accept God's loving assistance if they truly want to live their vocation. One cannot rely on themselves. Each soul needs guidance on this earth. Each child must draw near to Jesus' Most Sacred Heart. Each child must believe that God exists.

Please, dear children, do not refuse God's assistance and love. Do not allow yourselves to become distant from God. Let go of all pride, materialism and control. Let go so that God can teach and mold you. Trust in God's wisdom and grace. Trust in His love that He has for each of you. Trust and live God's Word and you shall come to know His love, mercy and compassion.

Now, please listen, listen to the Gospel and go forth and live it. Go forth in love and abandon your lives unconditionally to God. Amen.

MESSAGE #2657 from the Blessed Mother July 28, 2004

My daughter, Time moves quickly, so continue to write and share all that I am teaching you. Continue to spread God's love all around this world. A time will come and each child will have to choose light or darkness. The time will come, so please tell my children to reach out to those who are choosing to walk alone. Be true Christians and spread, spread your faith. Don't allow Satan to place fear upon your heart. Do what is right no matter what others think about you. In time, they too will have to repent and turn their lives around. In time, each soul will have to answer to God.

Satan's venom is poisonous and he is truly trying to pull my children away from God. Satan is strong and he is trying to destroy love in this world. Satan loves war and his plan is to conquer and divide, so please stay close to Jesus and carry my Son with you wherever you go. Armor yourselves daily and use the protection God has given you. Be humble, little children and pray, pray more. Be strong little children and do not give in to the world. Receive the Sacraments often so you have the grace needed to live a pure and holy life. Do what God and I are asking of you so you stay on the right path. The forces of evil will not confuse or distract you if you stay close to Our Heart.

I say to my children, be brave soldiers in this time of apostasy and unrest. Sanctify yourselves by a loving acceptance of each day's crosses. Be humble, loving and gentle of heart. All this is necessary if you truly want to save souls. Love is your strength, so please go forth and carry love in your hearts. Go forth as God's chosen children and believe that evil can be conquered only by love.

I will be with you each time you pray, so please continue to do what I, your Heavenly Mother, am asking of each of you. Amen.

MESSAGE #2658 from the Blessed Mother August 2, 2004

My daughter, Your hands and voice are needed, so please continue to write and share my words that I give to you. If my children don't wake up soon and take heed to these messages, man will see much more destruction.

Many terrorists roam this earth and they are planning to attack many countries around this world. Without more prayer, many more lives will be destroyed. Without more prayer, the Statue of Liberty will crumble and fire will be seen in many parts of this world. Many buildings will burn and many, many innocent lives will be destroyed. Many souls will suffer when fires race along the streets.

My daughter, I share this with you today because so many souls are in danger. Many are not prepared for what is to come. Many are living in mortal sin. Many are being fooled by the evil one. America is being warned by Heaven, yet so many remain lethargic to the truth. Many deny that God exists. Many are refusing my motherly assistance. So many, due to pride and stubbornness, are entangled by the serpents tail. Many leaders are on the wrong path and they are pulling many of my children deeper, deeper into the pit. Many leaders do not place their trust in God. Much attention is on themselves because their focus is not on God. Those children who are weak in their faith, are giving in to their lies.

America, this is another warning from God. You must repent and turn to God. You must get down on your knees and implore God's mercy. You must pray more and obey all of God's Commandments. You must cherish life and not give in to those leaders who are taking part in destroying lives. You must listen to your Most Holy Pope, for he truly speaks the truth. He has been chosen for these times. He is God's chosen son, who has been given much wisdom and strength. He suffers more than any man on this earth. Through his suffering, he has been truly blessed by God. So please do not listen to the media, listen to your Most Holy Pope. Do all that he is teaching you and then go forth and live, live the Gospel. Go forth and be true disciples. Go forth and be willing to be persecuted for speaking the truth. Go forth now as prayerful people and share my messages of love, peace and hope.

Let us pray now for peace and for the conversion of sinners. Let us pray for your Most Holy Pope and for all members of the Church. Let us pray, pray together, for through prayer and unity, evil will be destroyed. Amen.

MESSAGE #2659 from the Blessed Mother August 4, 2004

My daughter, The economy will fall when disaster strikes, so I say to my children, learn to live more simply. Prepare your hearts, prepare your homes. Keep your hearts open and help those in need. If man does not repent and turn to God, this world will suffer, suffer tremendously. Without more prayer and devotion to God, you will see much more devastation.

Much can be accomplished through prayer, but so many are not listening. So many are refusing to listen and take heed to the Gospel. So many seek control and instead of praying, they are trying to destroy those groups that I have formed. Until man lets go of pride and envy, these messages will not touch their heart. These messages are for all my children, for you each have a soul.

What will it take to wake mankind? I have been pleading with my children to pray more, yet all I hear is excuses and reasons why they cannot pray. How can so many say they love God when they refuse to pray or spend time with Him? This world is in trouble because of lack of faith and disobedience to God. This world is in trouble and it will take much prayer to stop what is coming your way.

All I can do is ask, ask my children to pray, pray more. Get down on your knees and pray together as a family. Get down on your knees and pray, pray from your heart. Pray throughout the day. Ask the Angels to wake you up at night so you have quiet time to be with Our Lord.

Please, no more excuses, for your excuses will not remove evil from this world; only prayer, love and unity and true devotion to Almighty God. Believe that God is merciful to those who repent and who seek His assistance. Amen

My daughter, All that is happening is for a reason. God will lead the faithful forward. God will not abandon those Priests who are truly serving Our Lord.

The Church cannot be run like a business and those who seek control will fall. They will lead many astray, but one day they will have to answer to God. A true shepherd does not push the faithful away. A true shepherd guides and shepherds his flock.

Hands must join together. All must manifest their love of knowing Jesus Christ. Prayer is truly needed, so I say to my children, continue to gather and pray, pray from your hearts. Amen.

MESSAGE #2664 from the Blessed Mother August 16, 2004

My daughter, Stay strong, strong for Jesus and do not allow the evil one to discourage you. Satan loves division and he will do all that he can to destroy those groups that I have formed. Live all that I am teaching you, for there is no time to lose hope or confidence in Our Lord. When you feel weak, pray more and you shall be protected from the evil that lingers in this world. You are not alone, so do not listen to Satan's lies. God and I are with you each time you pray and turn to us.

Prayer is so important, so please come to Mass and pray the Rosary. Encourage all your brothers and sisters to do the same. Encourage those who are choosing darkness. Love one another and rescue those who are being led astray. Do not reject anyone. Be loving and share your joy of knowing Jesus. Serve the Lord with your whole heart and embrace, embrace each new cross. Amen.

MESSAGE #2665 from the Blessed Mother August 18, 2004

My daughter, My children must have joy in their hearts no matter what comes their way. They must be filled with God's love, and love, love one another. They must forgive those who have hurt them so they do not carry hatred in their hearts.

In order to truly serve God my children must love all their brothers and sisters. They must have love and joy in their hearts and truly imitate my Son, Jesus. They must not judge others. They must work on their own weaknesses. Nothing can be accomplished if my children don't turn to God and ask, ask for His assistance. God is waiting for each child to come to Him.

Please, dear children, turn to God and seek His love and forgiveness. Turn to God and receive His grace so you can live a holy life. Allow God to mold you so you become more pleasing in His eyes. With God's assistance, you will become strong warriors for Christ. You will learn to be more merciful and loving. Please turn to God each new day so you never try to walk alone.

This is the time of God's mercy and grace, so please accept and trust, trust in His guidance. Focus now on God's love for you and be grateful for this time to amend your ways. Be grateful little children and take time today to adore Our Lord. Amen.

MESSAGE #2666 from the Blessed Mother August 19, 2004

My daughter, Pray and implore God's mercy upon this world. Without more prayer, this world will suffer, suffer tremendously. Many more storms will arise if man does not wake up soon. Much more evil will enter if man continues to deny that God exists.

I have been asking my children to pray, so why are so many denying Heaven's call? Where are my Priests? Why do so many live in fear? So many have lost their dedication to God and are not living their vocation. So many are neglecting prayer because they are giving in to their desires. Due to lack of faith and trust in God, many are relying on themselves.

I say to my children, if you turn away from God and refuse His assistance, you will see much more devastation. You will see hurricanes like never before. You will see mass destruction. You will see much more bloodshed.

Dear children, I am Your Heavenly Mother. I want to protect all my children. I want to lead each of you closer to Christ. I cannot help you if you are choosing to walk alone. I cannot protect you until you turn to God. You must return to God and return to His Sacraments. You must obey each Commandment and be truly willing to serve Our Lord. You must accept God's love and turn to Him each new day. You must pray if you truly want to be protected on this earth.

Many terrorists roam this earth and they truly have many followers. If all my children would pray, their plans would be destroyed. If all my children took heed to these messages, the evil one would lose power. Through prayer and devotion to Our Lord, you will be protected through each new battle.

Please get down on your knees and spend time with Jesus. Spend time in Adoration and give yourself unconditionally to Him. Be true children of God and live, live each day for Christ. Use your hands, use your voice and take a stand for life. Cherish life and I promise you, you will not be at war with each other.

The time has come, so I plead with you today to live, live these messages. Embrace God's love and mercy, and prepare, prepare your soul. Prepare your soul so you are ready to answer God's call. Go now as faith-filled children and share your joy of knowing Jesus Christ.

Amen.

MESSAGE #2667 from the Blessed Mother August 23, 2004

My daughter, Tell my children that God is with those who pray and who turn to Him. Every day my children must pray and seek God's loving assistance. They must begin their day with prayer if they truly want to grow in holiness.

Please believe that God helps those who turn to Him in prayer. Through prayer, you are drawn closer to God. This is why I remind my children to pray, pray throughout the day. As a good mother, I am pleading with my children to pray, pray more. Your focus will be on God if you begin your day with prayer.

God is truly pleased when you pray together as a family. God is truly pleased each time you gather in those groups that I have formed and pray, pray from your hearts. Many blessings and graces are given to those who join hands and pray. So please do what I am asking of you so you each stay close to Almighty God. Amen.

MESSAGE #2668 from the Blessed Mother August 24, 2004

My daughter, I am here to make the truth known. Those who come to know the truth must live it. Many today do not want to hear the truth because they do not want to change. How my heart bleeds for those who are choosing to live in darkness.

Time on this earth is short, so please repent and turn to God. Be hungry children and be willing to be fed the truth. Keep your focus on Jesus and live, live the Gospel. It is time now to confess your sins so you have the grace needed to live a pure and holy life. It is time now to do penance for your sins so you are purified on this earth.

Please take heed to my motherly advice and return to the Sacraments if you have fallen away. Return to God and be truly sorry for your sins. Return to God and prepare, prepare your soul now. Keep your soul cleansed so you are in a state of grace. Pray to be in a state of grace at all times so you are ready when it is time, your time to leave this earth. Go to Mass and receive Jesus as often as you can. Go to Confession regularly and do penance daily for your sins.

Come back to God through prayer and ask, ask for His assistance. Spend time before the Blessed Sacrament so you truly come to know Our Lord. Jesus wants to strengthen you so you stay strong through each new battle. Pray the Rosary daily and meditate on the mysteries. Your prayers will then flow, flow from your hearts. Now, please trust and believe in the power of prayer. Trust and believe that God will purify this earth. Each soul must be ready and in a state of grace. Please listen and take heed, take heed to the truth. Listen and act on what Heaven is telling you so you are ready at all times. Be spiritually prepared, for then I promise you, you will have peace in your hearts.

Now, please put on the armor of God and go forth and live, live the truth.
Amen.

MESSAGE #2669 from the Blessed Mother August 27, 2004

My daughter, In order for one to hear God, they must be silent. They must be silent and listen, listen with their heart. Silence is truly needed today because many say they cannot hear God.

God speaks to all His children, but it is up to each person to take quiet time with Our Lord. There are many opportunities to be silent, but one must close their ears to the noise of this world. One must close their eyes and focus, focus on Our Lord. One must meditate on the mysteries of the Rosary if they truly want to feel Our Lord's presence. One must ponder on God's love that He has for each child.

In order to truly be silent, one must open their heart and let go of all distractions, thoughts and desires. One must desire to be alone with God and let go of all that is not pleasing to Him. One must let go of pride, envy and unforgiveness, which truly blocks one's heart. One must examine their conscience and make a good Confession.

Through the Sacrament of Reconciliation, one will be led closer to God; one will receive the grace needed to live a pure and holy life. A cleansed soul truly helps one become a stronger Christian. By receiving the Sacraments, one will come to know the beauty of silence.

Dear children, through prayer you will come to know the truth. Through prayer and quiet time, you will hear God speak. Through silence you can hear God everywhere, for God is truly with those who pray, keep silent and who obey and serve, serve Our Lord. Amen

MESSAGE #2670 from the Blessed Mother September 7, 2004

My daughter, It is time to write and share, share all that I am teaching you. Time is moving quickly and many, many are still sleeping. Many are on the wrong path and they need to come to know the truth now. Many need to come to know God before it's too late.

Without a true relationship with Jesus, one will not be able to cope with the many storms and trials that will arise. Many will become angry when they lose their material possessions. Many will turn on their brothers and sisters if they don't have God in their life. Turmoil will rise in many homes if my children don't turn to God and make time for family prayer. I have been preparing my children for some time now, yet many are not praying like they should. Many are relying on themselves and are refusing to make time to be with Jesus.

Nothing, dear children, can be accomplished on your own, so please take time to be with Jesus each new day. Take time to pray so you are guided on this earth. Take time, quiet time and listen, listen to God. Come to Mass and cleanse your soul regularly. Do all that I am teaching you so you have the grace needed to live your faith. This world needs much prayer, so please do your part for the salvation of souls. Amen.

MESSAGE #2671 from the Blessed Mother September 8, 2004

My daughter, Be at peace and know that I am with you. I am here to protect you and lead you closer, closer to my Son, Jesus. The Rosary is your weapon to keep evil away, so please continue to pray together as a family. Continue to pray so you have peace through all trials and storms. Prayer is your strength, so continue to pray and turn to God each new day.

It is time now for all families to join hands and pray. Much evil exists in this world, so please, please dear children, listen to your Heavenly Mother. Get down on your knees and take time to be with Jesus. Take refuge in Our Heart so you stay on the path that will lead you to Heaven. So many marriages are in turmoil due to lack of prayer and disobedience to God. Many marriages fail because they have allowed themselves to become too busy for God. When a married couple receives the Sacraments and prays the Rosary, their marriage is strengthened. Children become true warriors for Christ by their parents example. It is pertinent that you join hands and pray together as a family.

You must love one another and keep your hearts open to what God is telling you. You must not allow the world to pull you away from God. You must keep your hearts open and pray. You must put on your armor or Satan will do all that he can to cause turmoil in your home. You must turn to God and ask for His assistance so there is peace in your home. You must keep your eyes on Jesus and trust in His loving assistance. Through prayer and receiving the Sacraments, you will receive the grace needed to live holy lives.

Pray now and be obedient to God. Pray and offer up all your suffering in reparation for peace and conversion throughout this world. Live as a holy family and be an example now to this darkened world. Amen.

MESSAGE #2673 from the Blessed Mother September 13, 2004

My daughter, I ask that you continue to write each time I come to you. I ask that you share my messages of love all around this world.

War is not love. World leaders must join hands or they will see much more devastation in days to come. People must change. They must come to know Almighty God. They must put down their weapons and armor themselves with love. They must atone for their sins and the sins of this world. They must share their joy of knowing Jesus and spread God's Word.

Catholics must return to the Sacraments and believe, believe that Jesus is truly present in the Eucharist. One must not receive Communion with mortal sin on their soul. One must abide by true teaching and not make up their own rules. Priests must teach their flock, for many are receiving Jesus unworthily. Many are receiving the Eucharist when they are living in mortal sin. Many need to know the importance of cleansing their soul.

Priests are responsible for making the truth known. They must let go of fear and live, live their vocation. They must not give in to the world, for many are sleeping. Many today are living in darkness because they are not examining their conscience. Sin has become widespread and all must do their part by truly living the Gospel. Priests must counsel those who are not obeying God's Commandments. Priests must make more time to be in the confessional. Priests must imitate Christ. They must never stop shepherding their flock.

Woe to those Priests who are not reaching out to those who are choosing darkness. Woe to those Priests who are not listening to their Most Holy Pope. Woe to those Priests who are not shepherding their flock. All must come to know the truth. All must believe that Jesus is truly present in the Eucharist. If my Priests do their part and ask for God's guidance, many more children would repent and turn to God. More of my children would receive the Sacraments in the proper way.

Dear Priests, you must examine your conscience. You must be willing to be persecuted for living the Gospel. You must not join hands with those who are adding wounds to Jesus' Most Precious Body. You must do what's morally right. You must teach others who are choosing to do wrong. You must be prayerful and truly live your vocation.

Please, dear Priests, listen to God. Listen, so you do not give in to the evil one. Be loyal to your Pope and support him. Listen to his words, for he truly has much wisdom. Be united with him and pray, pray every day for your Most Holy Pope. Do what I am asking of you and live, live a consecrated life. Offer up your sacrifices and penance for the conversion of souls. I will guide you if you listen and obey Almighty God. This world can truly change if all my children pray and obey God. Your actions and example will truly make a difference in this world.

Please, dear Priests, start today. Say 'yes' to God and assist me so more of my children live their faith and trust, trust in Almighty God. Amen.

MESSAGE #2674 from the Blessed Mother September 14, 2004

My daughter, I am truly pleased when my children gather and pray. Much prayer is needed all around this world, so continue to join hands and pray, pray for world peace. Pray that more will turn to God so that only love dwells in their hearts.

My dear children, the day is near, so please, please pray more. This world is in danger, as many terrorists roam this earth. Many soldiers are unprepared, so please pray that they will turn to God before it's too late. Pray that more will repent, for many do not have peace in their hearts. Darkness blinds them from the truth and what many do not realize is that many have taken their own life. Many are listening to Satan because they do not know the love of Jesus Christ. Soldiers need your prayers, so pray, pray throughout the day for them. Pray that more will take refuge in Jesus' Most Sacred Heart.

My daughter, today I ask that you pray with me, for how I weep when I see what is taking place behind closed doors. I weep, weep for my children because many are choosing darkness and this darkness has led to war. Your prayers are truly needed, so be silent today and pray, pray with me. Pray and offer your suffering so more convert before it's too late. Amen.

MESSAGE #2675 from the Blessed Mother September 16, 2004

My daughter, These messages are unfolding and my children need to wake up and amend their ways now. They need to repent and turn to God or they will not be able to endure the trials and storms that await them. Without a true devotion to Jesus, many will turn on their brothers and sisters. I have been warning my children for some time now, but many still refuse to listen. Many are living in sin and are refusing to take shelter in Jesus' Most Sacred Heart. Many are not obeying God because they do not want to change their ways. Many Priests are hiding their true love of knowing Jesus and they are not shepherding their flock.

Each of you must examine your conscience and then be an example towards all your brothers and sisters. You must get down on your knees and pray, pray from your hearts. You must change in those areas that are preventing you from truly growing. You must stop offending God and be true apostles. You must call upon Saint Michael the Archangel, for so much evil lingers in this world. You must use the protection God has provided for you. You must stay awake and truly live, live these messages. You must take hold of your family now and live, live your vocation. You must come to know your role as husband and wife. Many children are confused and they need their parents to be role models. The world is confusing so many children today.

Please teach your children right from wrong. Teach your children so they are fed the truth. The family is truly important in God's eyes and each member must do their part so there is not turmoil in the home. God is showering His mercy upon His children, but many, many are not listening to Him. Many are giving in to the world, which is causing much destruction to the family. Fathers must stop behaving like children and be head of the home. Mothers must not give in to their children when they know it is not good for the child's soul. Mothers must be willing to give up luxury so they can be at home for their children. Each of you know in your heart what to do, as I have given you many messages.

Please, dear parents, turn to God for guidance. Live your faith and make time for your children. Pray together each new day and be loving towards each other. Satan will flee wherever there is love and truth. Satan will not attack if you stay close, close to Jesus' Most Sacred Heart. Time is short, extremely short, so please, please get down on your knees and pray, pray from your heart. Amen.

MESSAGE #2676 from the Blessed Mother September 20, 2004

My daughter, Only prayer can bring peace, so please continue to pray and love, love one another. Continue to gather in those groups that I have formed and pray, pray from your hearts.

Today, I must repeat myself, due to lack of prayer around this world. Without more prayer, you will see a greater war. A third world war will happen if my children ignore these heavenly messages. Prayer is truly needed and I am asking each of you to join hands and pray. I am asking Priests to promote more prayer so more gather and pray the Rosary.

I am asking Priests to let go of fear so more of my children come to know the truth. The truth must be made known or more of my children will fall deeper, deeper into the pit. The truth must be made known, for many today are neglecting their soul. Many no longer pray. Many are living in mortal sin. Many are being seduced by Satan because they are not armored in the proper way.

Please, dear Priests, I beg of you, step out in faith and tend to your flock. Be true disciples of Christ and feed, feed your sheep. There is nothing to fear, for God is with those who use their hands and voice for Christ. God will not abandon you. He will truly guide you on this earth.

Please assist me now, for much evil is taking place around this world. Much evil is being hidden from you and it will soon be made known throughout the world. Satan's troops are growing and without more prayer, you will see much more bloodshed. I cannot stop what is coming your way, it can only be lessened through prayer.

Please begin today, for I am warning you, tomorrow may be too late. This is the time to go forth, so please, please take these messages seriously. Lead the faithful forward, for you will need each other in times to come. Rescue all who are sleeping and love, love one another. Amen

MESSAGE #2677 from the Blessed Mother September 22, 2004

My daughter, I am here to teach my children so they stay on the path that will lead them to Heaven. I am here for all my children, so please share these messages with all your brothers and sisters. Each child has a soul that needs to be cleansed, if it truly wants to be nourished. If my children do not cleanse their soul, then they refuse the nourishment to mature and grow, grow spiritually.

Today, I am asking each of you to examine your conscience. I am asking this of you so you truly take a look at how you are living your life. If you are living in mortal sin, then repent and change your ways. Repent and ask God to help you in those areas where you are weak. Without God's loving assistance, it is impossible to live a holy life. Each of you need God's love and guidance. You need direction so you can move forward each new day.

Begin today by making quiet time to be with Our Lord. Take quiet time so your focus is on God. Take quiet time so you are not distracted by the noise of this world. Go before my Son in the Blessed Sacrament and listen, listen to your heart. You will have peace if you kneel before my Son with an open heart. You will receive His love and you will be showered with His grace. You will come to know your true self if you are willing to be taught the truth.

Now, please take heed to this message so you are nourished in the proper way. Take heed to this message by truly taking refuge in Jesus' Most Sacred Heart. Come and adore my Son, as He is truly present in the Most Blessed Sacrament. Amen.

MESSAGE #2678 from the Blessed Mother September 24, 2004

My daughter, This world is in need of much protection, as much evil lingers on this earth. If my children truly want to be protected, then they must take refuge in Our Heart. They must live their consecration and obey all of God's Commandments. They must not compromise with the world, as the world is picking and choosing which Commandments to obey.

All of God's Commandments must be obeyed or one cannot live a pure and holy life. It is time to make God's Commandments known around this world. It is time to examine your conscience and to work on those areas where you are weak. Sin has become widespread because many have forgotten the importance of obeying each Commandment. Sin has become widespread due to lack of prayer and disobedience to Almighty God. Sin is truly pulling my children away from God, so please each of you do your part and make God's Commandments known. Let the world know that each soul must obey each Commandment in order to live a pure and holy life.

The time is now, so please be willing to teach those who are choosing darkness. Be willing to do your part by truly, truly obeying God's laws. Many blessings and protection will be given to those who honor and obey Almighty God. Amen.

MESSAGE #2679 from the Blessed Mother September 27, 2004

My daughter, Those who know Jesus will have peace in their heart through all trials, suffering and storms. Those who do not believe in God will suffer, suffer tremendously, as they will not know which way to turn.

I weep for those who are choosing to walk alone. I weep for those children who have allowed themselves to become distant from God. Many will become angry when they lose their material possessions. Turmoil in their home will increase and much hate will dwell in their hearts. Suicide will increase if my children don't turn to God. Satan will attack if my children don't join hands and pray together as a family.

Prayer and true devotion to Jesus is how my children will be able to endure the trials that await them. Families must pray together daily and support, support one another. Families that pray together will grow in holiness. They will persevere with love in their hearts no matter what comes their way. They will continue to love and forgive one another if they pray and turn to God each new day. God will truly bless those families that pray and put their trust in Him.

Please, dear families, awake from your slumber. Awake now so you are prepared for times to come. Begin your day with prayer and teach others to do the same. Rely on God for all your needs and learn to live more simply. Use those gifts God has blessed you with by truly helping those in need. Your prayers and your example will then truly draw others closer to God.

Now, please take heed to what I am telling you so more come to know Our Dear Lord, Jesus. Do all that you can, for time is short. Unite in prayer and gather, gather in those groups that I have formed. Join hands and unite in prayer and faithfulness to Our Lord and Savior, Jesus Christ. Amen.

MESSAGE #2680 from the Blessed Mother September 30, 2004

My daughter, I will continue to touch the hearts of those who take refuge in My Immaculate Heart. I will truly intercede for my children, but their prayers must come from their hearts. They must pray and adore my Son and trust, trust in His love and mercy.

Those children who live these messages will be filled with the Holy Spirit. They will come to know the Blessed Trinity and love and peace will flow, flow from their hearts. Their lips will speak truth because these messages will become imbedded in their hearts. In the end, they will remain faithful and they will not give in to the Antichrist.

God will truly guide those who remain faithful and open to His holy will. God will not abandon those children who say 'no' to the enemy. The Holy Angels will surround you with Heaven's light and they will guide you to higher ground. Blessed will be those who say 'no' to the world and who remain faithful to Christ. Blessed will be those who obey God and remain open to life.

The choice, dear children, is yours. Will you give in to the enemy or will you remain faithful to my Son, Jesus Christ? Amen.

MESSAGE #2681 from the Blessed Mother October 4, 2004

My daughter, I continually pray for my children, as I want them to choose the path that will lead them to Heaven. Parents must do the same; they must never quit praying for their children. Prayer is their protection. Prayer will truly help those children who are on the wrong path.

I am here today to remind my children so you never give up on prayer. I am here to remind you that your prayers and sacrifices will help many in the end. Do not allow the evil one to discourage you. Pray every day. Pray from your hearts. Pray and bind your Rosaries around this world. Pray together as a family. Pray and join hands in those groups that I have formed. Pray together for the conversion of the world, as many souls are living in darkness. Many are on the wrong path and God and I are asking each of you to pray.

Now, please keep moving forward and pray throughout the day. Be strong, strong for Jesus and pray as a family each new day. Amen.

MESSAGE #2682 from the Blessed Mother October 6, 2004

My daughter, Pray, pray, pray! Pray the Saint Michael prayer every day. Saint Michael the Archangel will protect those who call upon him.

Much evil lingers in this world, so please call upon the Holy Angels and Saints. Use the protection God has given you so you are protected on this earth. Prayer is your protection so gather as a family and pray the Rosary each new day.

Do not wait for any new messages; live the ones that have been so graciously given to you. Live all that I am teaching you and be grateful for this time to repent and amend your ways. Be grateful and do your part, for then I promise you, the enemy will flee.

It is time now to take refuge in My Immaculate Heart. It is time to trust in my motherly intercession. It is truly time to live these messages so you are protected and led closer, closer to my Son, Jesus. Amen.

MESSAGE #2683 from the Blessed Mother October 7, 2004

My daughter, Let the world know that I am here to guide my children so they stay close, close to Jesus' Most Sacred Heart. I am here because of God's love for His children. My time to be here in such a personal way will soon come to an end. When this time ends, my children will no longer be spoon fed. They will need to reflect on the many messages that have been given to you.

If my children do not begin soon, they will be tempted to take the easier road. Many will give in to Satan's lies which will cause much turmoil in the home. Please understand, dear children, that the serpent's venom is poisonous. Satan is strong and he truly wants to separate you from God. Satan wants each of you to become so busy, you have no time for God. If you have no time for God, you will fall deeper, deeper into the pit.

The day is coming and you will each need to be strong in your faith. You will need to rely on Jesus, not the world. You will need to share your blessings with others and give, give of yourselves. You will have to have total trust in Jesus in order to survive the trials that will come your way.

In order to do this, you must let go of pride and selfishness. You must pray more and be willing to give up your worldly ways. You must pray as a family and meditate on the mysteries of the Rosary. You must spend time together. You must love and support each other. Please, please begin today. Live your consecration and be open to what God is telling you to do. Fast on those days that I am asking you to and pray, pray, pray more.

Now, please trust in God with all your prayers and be humble, loving children. Be obedient and obey all of God's Commandments. Be willing to be persecuted for Christ. Be willing to pick up your cross and suffer silently. The road will not be as difficult if you begin today. The road is forward, so march in unison and accept my motherly blessing that I give to each of you. Amen.

MESSAGE #2684 from the Blessed Mother October 12, 2004

My daughter, God is love, God is truth, so please obey and take heed to the Gospel. Obey by truly using your hands and voice for Christ. Obey and live a pure and holy life. Obey, dear children, for the earth is trembling now. The earth is trembling because sin has become widespread.

Family prayer will truly lessen what is coming your way, so please, please pray every day. Pray with love in your hearts and truly mean what you say. Make time for prayer so you do not rush through your prayers. Make time as a family so you grow in holiness. Prayer is important because it will truly bring you closer to God. Prayer will strengthen you for times to come, so please do not allow other activities to pull you away from prayer. Set time aside and I promise you, your lives will change. I am here to remind my children to pray, pray more.

I am here to remind my Priests that you too must get down on your knees and pray. Get down on your knees and make time to pray with your flock. Lead the Rosary so more will gather and pray. Let go of pride and lead the faithful forward. Let go of fear and find your Rosary and pray, pray with your flock. What a difference this will make in your parish. Be true shepherds and guide, guide your flock. Be true and loyal to Our Lord and teach your flock the importance of prayer.

Dear Priests, dear children, take heed to this message and be true servants for Our Lord. Take heed now, for again I say to you, the earth is trembling now. In time you will need to be strong, so please begin today. My requests are urgent, so please do your part for the salvation of souls. Amen.

MESSAGE #2685 from the Blessed Mother October 13, 2004

My daughter, Those leaders who are not for life will not protect this country; their hearts are cold and they are disobeying God's Commandments.

Those who believe in abortion are being fooled by Satan. Satan loves death and will do all that he can to destroy life. Life is precious in God's eyes and one cannot pick and choose which Commandments to obey. One cannot decide who should live and who should die. Abortion is the greatest sin in this world. Abortion is murder and is not acceptable in God's eyes.

Please, dear children, do not be fooled by Satan. Do not give in to his evil ways, for he is the serpent of lies. Do the opposite of what Satan is telling you and be willing to stand up for the truth. All faiths must respect life. All must join hands and pray for an end to abortion. All must live God's laws and be loving towards one another.

Please take time now to examine your conscience. Take time to pray and repent of all wrong doing. Take time to converse with God so that you truly come to know the truth. The truth, dear children, will be revealed to you, but you in turn must spend time with God.

Today, I ask that you fast and pray so more choose life instead of death upon your soul. Pray for your world leaders. Pray for your Priests so they truly shepherd their flock. Today is a day to pray, for hell truly exists. Many souls are on the wrong path so pray, pray throughout the day.

I am here to guide you, so please listen, obey God and live, live each Commandment. Amen.

MESSAGE #2686 from the Blessed Mother October 18, 2004

My daughter, I am with you each time you pray, so please continue to pray throughout the day. Pray for world peace. Pray for God's mercy upon this land. Pray that more will turn to God so they repent and amend their ways.

All my children must come to know the importance of prayer. I say to my children, without more prayer, you will see much more violence and bloodshed. You will see a greater war which will cause much destruction. Many, many will suffer if my children become lax in their prayers.

Today my heart is sad because I truly see what is happening behind closed doors. I see many unfaithful children giving in to the enemy. I see weapons that are being stored underground. I see much that is being hidden from you. I see many joining hands with the terrorists because they have so much hate in their hearts. I see many leaders who are not obeying God's laws. I see many making up their own rules to fit their lifestyle.

An explosion will be felt around this world if more do not get down on their knees and pray. Your independence will be taken away from you if your hearts remain cold and disloyal to God. If man continues to reject God, they will see fire and mass destruction. If world leaders do not seek God's guidance, they will see total chaos and much darkness upon this earth.

It is time now to take these messages seriously, for this world is truly in trouble. All must join hands now and be true soldiers for Our Lord. Prayer must come from your hearts. Prayer is truly more powerful if you get down on your knees. Prayer is your protection, so please continue to gather in each group that I have formed. Amen.

MESSAGE #2687 from the Blessed Mother October 20, 2004

My daughter, Be at peace and know that I am with you. Offer your pain and your suffering for unbelievers. God has chosen you in a very special way, so believe that He will help you with each cross that is given to you. Believe, so that you never lose hope or confidence in Our Lord.

I ask today that you continue to pray and fast in reparation for those souls who continue to reject God's love and mercy. I ask that you pray and fast for my beloved Pope who truly suffers so much for his flock. Many Priests need your prayers so they stay strong, strong for Jesus. So many are persecuted for making the truth known.

A true shepherd is one who does not compromise with the world, but who uses his hands and voice to make the Gospel known. Each child is called to live by God's Ten Commandments and to live a holy life. Each child must obey God and be humble, loving servants.

Dear Priests, do not let a day go by to do good work for Our Lord. Pray every day for your flock, for so many are on the wrong path. Pray and be an example to them so they see Christ in you. Be loving and embrace each child that comes to you. Make more time to pray with your flock. Make more time to be in the confessional. Make time, for you have been chosen by God to lead the faithful forward. Let go of your set time and be full-time Priests. Conversion cannot happen if you turn souls away. Conversion cannot happen if you set your own hours to serve Our Lord. The door of your heart must always be open for your flock. God will be your strength if you truly, truly trust in Him.

There is no longer time to be part-time Priests, for the earth is trembling now. Many children are living in sin and they need to be rescued before it's too late. The battle is on, so be true soldiers and stay awake. Be on call, for you never know when God might use you to save souls. Be ready and prepared and move when the Holy Spirit leads you. In time, you will each see your soul and at that moment, you will see who you have turned away. You will see just how many wounds you have added to Jesus' Most Precious Body. You will see what God sees when you choose to be lazy.

Time is moving quickly, so do not think that nothing will happen in this time that you are on earth. God's Justice will prevail and due to widespread sin, it will happen very soon. All will need to be in a state of grace, and this cannot happen without a Priest's assistance.

I am warning each of you today, for you each have a soul. You each need to do what God is asking, asking of you. Will you be sleeping? Will you be praying? Will you, dear Bishops and Priests, be truly there for your flock? As your mother, I pray for you. I plead for you, for you are God's chosen sons. Amen.

MESSAGE #2688 from the Blessed Mother October 25, 2004

My daughter, The day will come and all will see their soul. One will have but little time to repent and do penance for the sins they have committed.

I say to my children, prepare now. Come to know the full truth and live, live the Gospel. Do not wait to amend your ways, turn to God so you are guided on this earth. Turn to God instead of making excuses so that change can begin in each of you. Spend time adoring Our Lord, for then the answers will be given to you. Spend time with Jesus, for then you will truly come to know the whole truth.

Please, dear children, listen, listen to what I am telling you. Listen and live these messages so you do not give in to the evil one. Time is short and you must convert now. Time is short, so please do not listen to Satan's lies. Spend time with God and allow your lives to become a life of prayer. Through prayer and quiet time with Our Lord, you will come to know the truth. You will embrace God's Commandments if you open your heart and allow yourselves to be fed by Almighty God. If you are allowing the world to feed you, then you will not come to know the truth. You will be confused and tempted to take the easier road. You will keep giving in to your excuses if you are not guided in the proper way.

Please, dear children, put your armor on and believe, believe in God. Accept what I am teaching you and turn to God. Do all that you can to nurture your soul so you are ready when it is your time to leave this earth. Do not wait any longer, for the moment will come and you will each see your soul. Please understand the importance of prayer. Please understand that the day you were conceived, you were given a soul. Each soul is so precious to God, but it is up to you to do your part to cleanse and nourish your soul.

God will truly embrace you in a special way, so please be little children and allow God to dwell in you. Abandon yourselves to my Son's love and mercy, and accept His guidance each new day. Amen.

MESSAGE #2689 from the Blessed Mother October 26, 2004

My daughter, Where are my Priests? Where are my children? Jesus waits so patiently for each of you to come and visit Him. Please set time aside and adore Our Lord. Please let go of your time and humble yourselves before Our Lord.

Time is moving quickly, so please, please dear children, make time to come to know Jesus. Strength will be given to those who spend time adoring Our Lord. Much guidance will be given to my Priests so they in turn can assist their flock. Without the proper guidance, strength and wisdom cannot be given to you. Without my Son's assistance, you will be tempted to take the easier road.

Please, dear Priests, be an example to your flock; spend time with Jesus so more of my children take quiet time and adore Our Lord. It is time now to wake your flock, so please share my words of encouragement during your homilies. Let the world know the importance of spending time with Jesus in Eucharistic Adoration. Let the world know that each soul must come to know Jesus in a personal way. This world needs to know that Jesus is truly present in the Eucharist. This world needs to abandon themselves totally to my Son in the Eucharist. Many need to hear the truth, so please share this message with your flock. Share all that I am teaching you so more take time to be with Jesus.

Time is moving quickly, so please share the Gospel and do all that you can for my Son, Jesus. It is time now to trust your Heavenly Mother, for I am truly here for each of you. I am here to lead you closer to Jesus, so please respond now and adore, adore my Son, Jesus. Amen.

MESSAGE #2690 from the Blessed Mother October 27, 2004

My daughter, Please continue to write each time I come to you. Your job as messenger is to write each time I come to you. These messages are saving souls because many are coming to know the truth. These messages are for the world, so please be obedient to what God and I are asking of you. Your cross will be heavier at times, but you will never have to carry it alone. God and I are truly with you, so be at peace. God has chosen many Priests to help you, so please share with them all that cannot be written at this time; your heart will then not become heavy and the pain that you feel interiorly will be lessened.

God has been warning His children for some time now, yet many are still choosing the path that will not lead them to Heaven. Bishops are remaining silent for fear of persecution. A true shepherd does not remain silent when so many are living in mortal sin.

The chastisement will be worldwide if Priests don't wake their flock. If Priests don't defend life, then many, many of my children will suffer. Many more souls will see the fire of hell. If men do not repent, God's Justice will prevail. The sun will continue to darken and fire will descend from Heaven. Much will be taken away from you if man continues to disobey God's Commandments. If man does not get down on their knees and pray, I cannot lessen what is coming your way.

A response is truly needed, so please dear Priests, speak the truth at the pulpit. Live your vocation now and pray, pray for this world. Teach your flock the importance of prayer so more repent and turn to God. Do not give in to the ways of the world, for sin has become widespread.

My messages are all the same, for they are the Gospel. Take heed to what I am telling you, for the Gospel is truly unfolding now. The Gospel must be spread, so please do not deny the truth. Do not abuse your freedom. Be brave soldiers for Christ. Abortion is the greatest sin in this world, so please make it known. Please follow through, for the world is about to reap what it has sown.

Will you, dear Priests, assist my messengers? Will you take heed to my messages that are the Gospel and that of love? Amen.

MESSAGE #2691 from the Blessed Mother October 29, 2004

My daughter, Peace will come when there is unity, unity amongst my children. It will take much prayer, fasting and sacrifice in order for love to be spread across this world. If my requests are obeyed, this world will change and there will be peace.

Without more prayer and repentance, a bloodier battle will unfold. I have been warning my children for some time now, yet so many refuse to accept my heavenly pleas. Sin is what causes destruction. Sin destroys the soul. Sin has become widespread and my children must wake up soon. Sin has added many wounds to Jesus' Most Precious Body.

Each time an abortion is performed, Satan rejoices. Satan rejoices because abortion is the greatest sin in this world. Very few realize how many abortions are taking place around this world. Bishops must make it known. They must speak the truth and take a stand for life. They must not ignore what is taking place around this world. Bishops must use their hands and voice for Christ. There is no longer time to be silent when so many souls are being destroyed.

Do not think that God will not punish this world. Believe that your time is running out to wake your flock. Believe that time is short and live, live these messages. This world will be severely punished if you continue to remain silent. All must obey God's laws and it is your job to make the Commandments known. Abortion breaks every Commandment, so why, why dear Bishops, are you not making this known? Every day you must pray for an end to abortion. Every day you must shepherd your flock.

Be more thankful for each new message. Be thankful that my time to be with you has not ended. When this time for me to be with you in such a personal way ends, you will not be reminded anymore. You will have but little time to prepare your flock.

You will each need to be strong, strong in your faith. Don't wait for the earth to tremble more, for when God shakes this earth, it will be felt all around this world. Many are not living the Gospel, why, because many Bishops are not making it known.

This message is for the world, for each child has a soul. I am here to assist you. I am here because of God's mercy and love. I am here, your Mother of Mercy, for the Gospel must be spread. Amen.

MESSAGE #2692 from the Blessed Mother November 1, 2004

My daughter, My heart is sad because so many of my children are not listening to God. Many are giving in to Satan's evil ways when they do not take a stand for life.

America, I am warning you, there will be terrible consequences if you do not protect the right of the unborn. Listen and obey, obey God's Commandments. Do not listen to the world, for the world is truly crucifying my Son each time an abortion is performed. It is not your choice who should live and who should die. Each abortion draws you closer to a terrible punishment upon this world.

The wrath of God is at hand, so please, please dear children, pray more. Pray that more will repent before it's too late. Pray that more will examine their conscience and do what is right. It is time now for Catholics to obey Church teaching. It is time for all Priests to let go of fear and take a stand for life. This world needs to be fed the truth, so please be true apostles and live, live your Catholic faith.

Now, please do not be fooled by those leaders who say they will protect this country. Do not be fooled, for this country will not be protected if your leaders do not respect life. This message must be made known, for many deny that life begins at conception. Many deny that abortion is the greatest sin in this world.

Today, is a day of prayer, so please gather and pray, pray from your hearts. Gather and pray and ask all the Holy Angels and Saints to intercede for you. Go forth now, just as the Saints, and live and defend the Gospel. Amen.

MESSAGE #2693 from the Blessed Mother November 3, 2004

My daughter, My children must rely on God, for it is God who will be their strength.

America needs to wake up and return to God. America needs to understand that prayer is more powerful than any leader in this world. Through prayer and repentance, this world can change. All must obey God's Commandments in order for there to be true victory.

God is merciful, so please, please dear children, accept God's love and mercy. Accept God's mercy and be true apostles in these times. Take heed to the Gospel and live each message that God has so graciously given you. This time will not last forever, so please turn to God and respond to His mercy and grace.

Respond now, for there are still many mountains to climb because sin has become widespread. This is your chance to make a difference, so please do your part for the salvation of souls. Get down on your knees and pray each new day.

In the end there will be victory, so rejoice. Rejoice, put on your armor and believe in God's mercy and grace. Amen.

MESSAGE #2694 from the Blessed Mother November 4, 2004

My daughter, Continue to pray, for all is not peaceful in this world. There is much hate and unforgiveness in many hearts today. Many hearts are cold because they do not know Jesus.

Pray today for unbelievers so their hearts open to God's love and mercy. Pray together as a family and bind your Rosaries around this darkened world. Prayer is what will make a difference in this world. Prayer and penance will truly help restore unity. Through prayer, penance and sacrifice, souls will be led closer to my Son, Jesus.

Today, I ask that all my children pray for the world and for the conversion of your country. I ask that you pray, pray for all political leaders so they turn to God for guidance. Prayers are truly needed to help change the world. Prayer is truly needed, so please, please dear children, join hands and pray in those groups that I have formed. Join hands and live my messages that are being given around this world.

Now, please stay close to My Immaculate Heart so that I can continue to teach and protect you. Console my Heart and pray, pray with me. Amen.

MESSAGE #2695 from the Blessed Mother November 8, 2004

My daughter, Those who take refuge in my Heart will be assisted on this earth. They will feel my motherly presence and they will come to know my love for them. Those who obey God and who truly live these messages will grow in holiness.

I am truly here to intercede for my children, but you in turn must pray and obey God. You must turn away from sin and do penance each new day. You must love God more than your desires and be faith-filled children. You must let go of all that is not pleasing to God. In your heart, you know what truly offends God.

Today, I ask that each of you work on those areas where you are weak. I ask that you begin your day with prayer so you are guided on this earth. I ask that you strive to live a saintly life. I have been asking each of you to pray more so you never lose hope. Without more prayer, the evil one will discourage you. Without true devotion to Our Lord, it is impossible to do what God and I are asking of you.

So, please listen to what I am telling you. Come to Mass more often so you receive the grace needed to make better choices on this earth. Cleanse your soul regularly so you are not tempted to choose the easier road. By truly receiving the Sacraments your armor becomes strong; you are then able to endure those battles with love and joy in your hearts. Without God's grace you are weak, so please take heed to my motherly advice. Nurture your soul so you have the grace needed to live your faith. Nurture your soul so you have the grace and strength needed to climb God's holy mountain.

Now, please use this time more wisely and stay close, close to Jesus' Most Sacred Heart. Join hands and unite in prayer, for this will help you draw closer to God and to one another. As you gather today, truly meditate on the mysteries of the Rosary. Meditate and pray, for then you will truly discover God's love, joy and peace. Amen.

MESSAGE #2696 from the Blessed Mother November 10, 2004

My daughter, Continue to pray with those whom God sends to you, for prayer is so important. Those who come will be touched and they will be given much peace.

Each child is called to pray, so please be prayerful children. Pray with one another and give all honor and glory to God. Believe in the power of prayer. Believe that God is with those who pray and who turn to Him each new day. God cannot help you if you do not pray. Prayer will truly draw you closer to my Son's Most Sacred Heart.

Now, please join hands and pray with one another. Join hands and share those gifts that God has given you. Joy will be given to you. Joy will be given to those who have a prayerful heart.

My daughter, your prayers are truly needed. Prayer is needed to help convert hearts. Amen.

MESSAGE #2697 from the Blessed Mother November 11, 2004

My daughter, My time is now, so please continue to write my messages, for they are truly for the world. Each child must turn away from sin if they truly want to come to know Jesus. Each child must obey God's laws and they must love, love one another. My messages from Heaven must continue to be spread around this world, for so many are still sleeping. Many are disobeying God and are living in mortal sin. Many today do not realize the seriousness of these times in which sin has become widespread.

There is no longer time to be ignoring these messages. Convert now and do penance for your sins. Take heed to the Gospel. Return to God and amend your lives now. Do not wait for disaster to strike; come to know Jesus now. Prepare your hearts, prepare your soul so you are in a state of grace. Embrace God's mercy, for this time will not last forever.

Please, please dear children, recognize the signs of these times. So many are at war with each other. Division is spreading across this land. This world is at war with each other and many, many lives are being destroyed. Volcanoes are erupting and the earth is trembling even more. Your Most Holy Pope is truly being guided by God, but very few are listening. His life is in danger because so many terrorists roam this earth.

Dear children, get down on your knees and accept, accept my heavenly pleas. Pray more and do your part to bring peace to this darkened world. Do your part by truly obeying all of God's Commandments. Live the Beatitudes and use your hands and voice for Christ. Obey Church teaching and listen, listen to your Most Holy Pope. Do not deny that sin is sin. Do not deny that Jesus is truly present in the Eucharist. Do not deny that I am your heavenly mother, for I am truly here to lead you closer to my Son, Jesus.

I am here now to prepare the way for the coming of my Son. All must be prepared and in a state of grace. All must be strong in their faith. All must be truly devoted to Our Lord. All must deny the mark of the beast and be willing to be persecuted for living their faith. All must begin now. You will not have peace in times to come if you are living lukewarm lives. If Priests don't take hold of their flock, they will be severely punished. They will be severely punished for leading so many astray. The truth must be made known and those who have been chosen by God must lead the faithful forward.

These messages will now become shorter, for it is your time now to live them. It is your time to put them into practice, for I have been with you for some time now. Please begin today. Please believe my time to be with you will soon end. Go now and be true believers and live each day for Jesus Christ. Amen.

MESSAGE #2698 from the Blessed Mother November 15, 2004

My daughter, I have been asking my children to pray, but busyness in this world is pulling them away. Many are not praying from their heart because they are rushing through their prayers.

Please, dear children, set time aside and gather, gather in those groups that I have formed. Gather as true believers and pray, pray from your heart. Do not allow the world to distract you, keep your focus on Jesus. Every day, prayer is needed, so slow down and make time to be with God.

Give up your worldly pleasures and respond, respond to what I am telling you. Prayer is your protection, so please respond now. Respond now or you will not have peace in days to come. Peace comes from knowing Jesus. Peace will come if you pray and be obedient to Almighty God.

Go forth now and live this message, for prayer is truly needed around this world. Amen

MESSAGE #2699 from the Blessed Mother November 17, 2004

My daughter, Great trials await those who are choosing to live in sin. This is why it is so important to write each time I come to you. These messages must be spread so that more repent and turn to God before it's too late. All must do their part for the salvation of souls. All must stay close to Jesus so they do not lose hope or confidence in Our Lord.

The Church will suffer much if Priests do not shepherd their flock. Division will increase if Priests do not pray with their flock. I am warning my Priests because lack of prayer will bring disunity. Lack of love and disobedience to God, is why so many children are on the wrong path. Darker days will come if my Priests do not tend to their flock. Darker days will come if the truth is not made known.

The Gospel must be made known, so please, dear Priests, wake your flock now. Gather your flock and pray the Rosary. Gather your flock and pray together so you are led in the right direction. A bridge must be built so that you walk together in unison. Without a strong bridge, many will drown and become entangled by the serpents tail.

Please join hands and pray together and reach out to all your brothers and sisters. Reach out, walk in unison or you will see many more religious wars. Great times of tribulation are coming, so prepare your soul, prepare your flock and pray, pray for God's mercy upon this darkened world. Amen.

MESSAGE #2700 from the Blessed Mother November 18, 2004

My daughter, All must repent and turn their lives around. All must believe in God and take hold of the Gospel. God is truly trying to wake His children, but many, many are still sleeping. Many are living in mortal sin and they are not prepared to see their soul.

The message that was given in Fatima is the same today. Repent and believe in the Gospel and live, live each day for Christ. Amend your lives now, for this is your wake up call. You have but little time left, as God has been warning His children for some time now. Believe that Satan exists, for he is truly trying to destroy this world. The evil one knows his time is short and he is doing all that he can to pull my children away from God.

Please recognize Satan's evil ways and armor, armor yourselves now. Put your armor on and stay close, close to Jesus. Come to Mass and adore Our Lord so you have the grace needed to live your faith. Cleanse your soul often and pray the Rosary, for this is your weapon to keep evil away. Do all that I have been asking of you, for this world is no longer safe. Be on guard at all times and say the Saint Michael prayer often. Teach others to do the same so they do not give in to Satan. Teach others that Satan does exist so they armor themselves in the proper way.

Dear children, Satan has many followers, so believe, believe that he truly exists. He is attacking many leaders and forming cult groups around this world. Satan will overtake this world if man continues to deny his existence. Please, please dear children, do not allow the spirit of darkness to be spread. Believe in God and believe in the Gospel. Believe that those who join hands with Satan will see the fire of hell.

Now, please convert your ways and give yourselves entirely to God. Please take heed to this message, for it is your wake up call. Amen.

MESSAGE #2701 from the Blessed Mother November 22, 2004

My daughter, Peace comes from knowing Jesus, so please continue to pray and spend time with Our Lord. Continue to give all honor and glory to Almighty God. Continue to use those gifts God has blessed you with, so more repent and come to know Jesus. Each new day, be a witness for Jesus so more see light instead of darkness.

Today, I ask that all my children open their hearts to God and accept His grace. I ask that you accept God's love and accept His Will in your lives. I ask this of you so that you become light to this world, which has become so dark.

Satan is the prince of darkness and he is truly leading souls to eternal damnation. Prayer is truly needed because sin has become widespread. So many are giving in to the evil one. So many reject the truth and they are picking and choosing which Commandments to obey. Parents are allowing too much freedom to their children, which is truly pulling many away from God. Satan is truly grasping those who are furthest away from God. When you become slaves to your material wealth, this is truly a great victory for Satan.

The noise of this world is why so many do not hear God. Please, dear parents, shut your TVs off and gather your family for prayer. Pray together as a family, for this is what will combat evil. Pray together instead of giving in to the world. Pray and take hold of your family, for I am warning you, Satan is preparing a great war. Satan loves war and he is truly trying to destroy the family. Satan loves violence and this is truly happening around the world.

Please understand that Satan has no control over those who reject sin and who give their lives to Jesus. Please understand this is the preparation time and you must not give in to the evil one. You must fast and pray and stay close, close to Our Heart. You must spend time with Jesus and use those gifts God has blessed you with. You must join hands and pray together and serve Our Lord. You must take hold of your family and take part in forming prayer groups around this world. You must obey God and receive the Sacraments.

Please take heed to this message. Please go forth now and be an example to all your brothers and sisters. Time is no longer on your side. Move, move dear children, and allow the Blessed Trinity to dwell in your hearts and in your soul. Amen.

MESSAGE #2702 from the Blessed Mother November 23, 2004

My daughter, Be grateful for each new day and go forward with love and joy in your heart. Each new day is a blessing from God, so be thankful and use your hands and voice for Christ.

All my children must be obedient to God and do, do what He is asking of you. Do all that you can so more come to know Our Dear Lord, Jesus. Your prayers and sacrifices are truly needed, so please take heed to this message and respond today. Respond with love in your hearts and persevere each new day.

Go now in peace and trust, trust in my motherly intercession. Amen.

MESSAGE #2703 from the Blessed Mother November 29, 2004

My daughter, Have faith in God and believe, believe in the Gospel. Believe in all that is written and persevere with faith, love and hope in your heart. The day will come and all will need to be in a state of grace. The day will come, so pray for the conversion of all sinners so they turn to God before it's too late.

It is time now for each of you to serve God with love in your hearts. It is time to truly love, love one another. In order to serve God, you must love, love all your brothers and sisters. Through prayer and complete trust in God, you will learn to be more loving and forgiving towards one another. Through prayer and confidence in Our Lord, your hearts will be filled with love.

Please, please dear children, follow Jesus and imitate his ways. Do your best and walk with Our Lord each new day. Amen

MESSAGE #2704 from the Blessed Mother November 30, 2004

My daughter, I come to you because so many children are still sleeping. Many are living in sin and are falling deeper, deeper into the pit. Due to lack of faith and lack of prayer, many are giving in to Satan's evil ways. Heaven sees what is happening around this world, so that is why so many messages are being given to wake mankind.

If man does not convert, fast and pray, all will see a greater war. Many countries will be involved and nuclear weapons will be used, spreading death and destruction around this world. Catastrophe and chaos will be the result and many, many will run in the wrong direction.

How I weep when I see this world moving closer to a greater war. I weep for my children, for so many souls are not prepared. So many are living in mortal sin because they are refusing to turn to God. Hearts are frozen because of man's refusal to obey God's Commandments. Pride, hatred and control is not what will unify this world; only love, faithfulness and obedience to Almighty God.

Please understand there are many secret armies preparing for war. There is much taking place underground and only prayer, penance and fasting will lessen what is coming your way. All must join hands and pray. All must get down on their knees and implore God's mercy. All must do their part, for I am warning my children, all is not peaceful. There is not peace in this world. Many leaders, many children do not know God. Many seek control because of lack of trust and no faith in God.

Today, I am asking for more prayer, so please do your part or you will see a third world war. Please join hands and pray, pray so more turn to God before it's too late. Amen.

MESSAGE #2705 from the Blessed Mother December 1, 2004

My daughter, Please continue to write each time I come to you, for these messages are important. These messages are the Gospel and they must be made known so more repent and come to know Our Dear Lord, Jesus. All must wake up from their slumber and turn, turn their lives around.

My daughter, so many today are going deeper and deeper into darkness. Many are being fooled by the evil one and are giving in to sin and temptation. Sins of impurity have become widespread. So much today is being accepted and this truly crucifies my Son.

How can my children say they love God when they are disobeying God's Commandments? If you truly love Jesus, then you must imitate Him. You must not give in to your desires. You must obey each Commandment.

Due to disobedience to God's laws, many are not living a pure and holy life. Many are neglecting prayer because they have lost their dedication to Almighty God. So many are falling deeper into darkness because they are giving in to the world. If man continues to turn away from God, then this world will be severely punished. Many more wars will break out and disease will spread like fire. Many, many will suffer if man does not turn to God and ask for His guidance.

Each of you must live the Word of God. You must embrace His love and mercy. You must turn away from sin and obey, obey each Commandment. You must repent of your sins and return to the Sacraments. You must not try to walk alone. You must trust and be obedient to God.

It is time now to let go of your selfish desires. It is time to take a look at your life and then change in those areas that are truly offending God. There is no longer time to be distant from God. Time is moving quickly, so please be true children of God and be an example towards one another.

This world cannot change unless each of you are willing to do your part. This world will become darker if you choose to live in sin, so please, please respond and climb God's holy mountain with trust and hope in your hearts. Amen.

MESSAGE #2706 from the Blessed Mother December 3, 2004

My daughter, Embrace God's mercy and be thankful each time a message is given to you. Be thankful and write, for in time all will know that I am truly here for all my children. Each child needs to be reminded. Each child has different areas that they need to work on. Each child has a soul, so that is why I am here for all my children.

This is the preparation time, so I say to my children, prepare your heart, prepare your soul. Be light, not darkness, in this troubled world. Turn to God each new day so you grow in holiness and purity. Focus on God alone and He will truly give you the grace needed to grow and live a holy life.

Now, please understand that God is merciful, loving and forgiving so you persevere and nurture your soul each new day. Go forth now and believe that God and I truly, truly love each of you. Amen.

MESSAGE #2707 from the Blessed Mother December 6, 2004

My daughter, Healing cannot take place until my children turn to God and learn to live more simply. Each child must trust in God and be obedient to Him. My children must rely on God in order to be guided on this earth.

Please, dear children, make more time to be with Jesus. Detach from the material things of the world and abandon yourselves to my Son, Jesus. Let go of your worldly desires and learn to live more simply. Your wealth and material possessions will only pull you further away from God. When you allow your lives to become too busy, you have but little time to spend with God. I am here today to remind you that God must be first in your lives.

Advent is a special time to draw you closer to Jesus, so please, dear children, use this time wisely and come to know my Son in a personal way. Set time aside each new day and adore Jesus' Eucharistic Heart. Fast and pray and do penance for your sins. Cleanse your soul and work on those areas that are separating you from God. Allow my Son to purify your hearts so that change begins in you. Make time for family prayer and live, live the Gospel. Live each day as if it were your last and be grateful for each opportunity to share your faith. Pray and live these messages so you become strong warriors for Christ.

My Son's Heart is rich in love and mercy, so please respond and love God above all else. Love God more than your treasures so you come to know Him in a deeper way. This time is so precious, so please allow God to purify and mold you so you blossom and mature and have true joy in your hearts. Amen.

MESSAGE #2708 from the Blessed Mother December 7, 2004

My daughter, Each time you gather, souls are saved, so continue to gather and pray, pray from your hearts. Pray for unbelievers. Pray for world peace. Pray for those who are sleeping so they come to know Our Lord in this time of preparation. Pray daily for all religious, for I truly, truly need their assistance. More souls can be saved if all do their part for the salvation of souls.

Please, dear children, live these messages. Live these messages and embrace them so they become embedded in your hearts. Live the Gospel as a family so you walk together in harmony. Live your consecration and I will truly lead you to the heart of my Son. I will walk with you each new day and I will assist those who take refuge in My Immaculate Heart. Much fruit will be produced if you obey God and truly, truly live your consecration.

Now, please be humble children and take Jesus with you wherever you go. Be loving and obey God and the truth will be made known. Today, I thank each of you for your prayers. I thank you, for your prayers and sacrifices are truly saving souls. Amen.

MESSAGE #2709 from the Blessed Mother December 14, 2004

My daughter, I am here. I am here to remind my children to pray, pray more. A response is needed in order for these messages to become imbedded in your hearts. Please set time aside throughout the day so your focus remains on Jesus. Please do what I am asking of you so you are not distracted by this world. This world is only temporary, so please remember Heaven is your true home.

Each of you must do your part in order to keep your soul cleansed and nourished. Do not be lazy children, be obedient to Almighty God. Time is moving quickly, yet I see so many sleepy children. I see many ignoring Heaven's wake up call. I see so many living lukewarm lives because they do not want to change their ways. Many are falling further away from God because they are allowing the world to feed them.

I say to my children, do not focus on your material goods, for they are only temporary. Keep your focus on Jesus so you grow in holiness. Love God more than your desires, for then you will learn to do without. You will learn to live more simply if you place your trust in Our Dear Lord, Jesus. You will gain strength if you allow God to be in control. You will have peace and you will truly grow if you accept God's wisdom and love.

Please allow God to guide you so that you are not poisoned by the things of this world. Please accept my motherly assistance so you do not become entangled by the serpents tail. Please, please respond, for darker days await those who have allowed the world to be their god. Surrender your entire selves to my Son and He will truly lead you closer, closer to His Most Sacred Heart. Amen.

MESSAGE #2710 from the Blessed Mother December 15, 2004

My daughter, Your hands are needed, so please continue to write each time I come to you. Write all that I am telling you so more awake in this time of God's mercy. These messages are being spread, for it is God's way to wake His children. These messages are touching hearts all around this world. The Angels surround you each time you write, so do not be afraid of Satan's vicious attacks. Do not allow fear to enter your heart.

Evil is loose all around this world, so my children must be on guard at all times. They must stay close to Jesus and take refuge in Our Heart. They must use the protection God has given them on this earth. Those who do not have God in their lives need much prayer. They need much prayer, as they are being tempted to give in to Satan's evil ways. These souls need much prayer, for their hearts are covered by the world's ways.

Today, I am asking my children to fast and pray. Pray for those souls who are furthest away from God. Pray for all your brothers and sisters, for many are in danger of losing their soul. Many have joined hands with Satan and they are truly on the wrong path. Through prayer, these souls can be rescued, so please, please increase your prayers.

These are evil times of battle, so please receive the Sacraments often. Gather your children and pray, pray the family Rosary. Each time you gather and pray, souls are saved. Be true warriors, true servants and bind your Rosaries around this world. Your prayers, sacrifices and obedience are needed to destroy Satan's plans and terrorist attacks. I will be with you through each new battle, so please persevere and never, never lose hope.

A great darkness will cover this world if you each don't do your part. The day is near, so please take heed to this message and pray, pray, pray more. Amen.

MESSAGE #2711 from the Blessed Mother December 17, 2004

My daughter, Nothing is impossible with God, so please trust and know that He is with you. Trust and walk with Our Lord each new day so that God can use you in a powerful way. A trusting heart is what will give you peace, so believe, believe in God's mercy and love. Believe in God's Will for you so you continue to use your hands and voice for Christ.

I am asking all my children to live and speak the truth, for this is what you are each called to do. By your example more will see God's light shining, shining through you. By your example more hearts will open so that God can enter more deeply. It is time now to let go of fear, for it is fear that blocks your hearts.

I say to all my children, pick up your cross and follow Jesus. Be willing to be persecuted for speaking and living the truth. Do not separate the cross from your lives, for then you are turning your back on Jesus. My Son will strengthen you each time you pick up your cross. My Son will always help you through all trials, suffering and persecution. He is truly with you as you carry your cross, for it is through carrying your cross that you are led closer, closer to my Son, Jesus.

Be brave now and do what my Son is asking of you, for you are never alone. God and I are truly with you, so believe that you are not climbing this mountain alone. Believe and trust so that God can use you in a powerful way. Trust and believe in God's Will for you. Trust and believe, for this is what truly pleases my Son.

Go forth now as true believers so more come to know God's mercy and love that He has for all His children. Amen.

MESSAGE #2713 from the Blessed Mother December 24, 2004

Dear children, embrace the truth and be humble, loving children. Follow the Commandments of God and be willing to be persecuted for living your faith. Do not compromise with the world, for it will truly pull you away from God. Listen, listen to what I am teaching you and live, live these messages. Listen and respond so that you grow in holiness.

MESSAGE #2715 from the Blessed Mother December 29, 2004

My daughter, Prayer is truly needed all around this world. Without more prayer and repentance, the earth will tremble more. Sin has become widespread because so many are giving in to Satan's evil ways. So many are living lifestyles that truly, truly offend God. What will it take to wake mankind? I have been warning my children for some time now, yet so few are truly living these messages.

I say to my children, simplify your lives so you have more time to pray. Give up your worldly ways and make more time to be with Our Lord. Make more time to be with Jesus so you are fed in the proper way. Get down on your knees and ask, ask for God's assistance. Change cannot happen on your own, you need God's wisdom and grace.

Today, I plead with my children, repent, amend your ways and believe, believe in the Gospel. Believe that time is short. Believe that the Gospel is unfolding now. Don't just pray for peace, come back to Church and cleanse your soul. Gather and pray the Rosary from your hearts. Pray for my Priests, for I truly need their assistance. Pray daily for your Priests so that they truly live their vocation. Their hands are needed, so please pray, pray for them. Pray each new day, for you will need to be strong in the coming days. This world is truly being purified, so again I say to you, prepare your hearts, prepare your soul.

Now, please remain faithful to my Son and allow Him to make the necessary changes in your lives so you come to know His love and mercy that He has for each of you. Amen.
